Russian Journal of Organic Chemistry ,1998 *Bookman's Guide to Americana* Joseph Norman Heard,Charles F. Hamsa,1986 No descriptive material is available for this title **A Treatise on Trigonometric Series** N. K. Bary,2014-05-12 A Treatise on Trigonometric Series Volume 1 deals comprehensively with the classical theory of Fourier series This book presents the investigation of best approximations of functions by trigonometric polynomials Organized into six chapters this volume begins with an overview of the fundamental concepts and theorems in the theory of trigonometric series which play a significant role in mathematics and in many of its applications This text then explores the properties of the Fourier coefficient function and estimates the rate at which its Fourier coefficients tend to zero Other chapters consider some tests for the convergence of a Fourier series at a given point This book discusses as well the conditions under which the series does converge uniformly The final chapter deals with adjustment of a summable function outside a given perfect set This book is a valuable resource for advanced students and research workers Mathematicians will also find this book useful

Russian Language Studies in North America Veronika Makarova,2013-10-01 Russian Language Studies in North America New Perspectives from Theoretical and Applied Linguistics offers a unique collection of research papers representing current directions in Russian language studies in Canada and the United States Traditionally Slavic and Russian studies in these countries have centered around literature history politics and culture This volume reflects recent changes in Russian studies by focusing on language structure language use and teaching methodology The volume brings together several generations of scholars from young promising researchers to those with long established reputations in the field East European Accessions Index ,1960 **Book Prices** Edward N. Zempel,Linda A. Verkler,1993 **Researching Memory and Identity in Russia and Eastern Europe** Jade McGlynn,Oliver T. Jones,2022-10-06 This book offers a collection of innovative methodological approaches to Memory Studies in Russia and Eastern Europe Providing insights into the relationship between memory and identity the twelve chapters provide multidisciplinary analysis of how history is used to reinforce remould and reinvent national and group identities This analysis includes a strong emphasis on interrogating the role of the researcher and the impact of methodology exploring the field s most pressing challenges such as the subjectivity of remembrance reception versus production of discourse and the inclusion of marginal perspectives By focussing on countries in which the past is highly politicised including Serbia Ukraine Poland Russia and the Baltic States the volume also analyses the diverse and often conflicting ways in which historical narratives emerge from these states efforts to create new pasts that shape their respective visions of the future with pressing ramifications across this region and beyond The American Bibliography of Slavic and East European Studies Patt Leonard,Rebecca Routh,2020-02-27 This bibliography first published in 1957 provides citations to North American academic literature on Europe Central Europe the Balkans the Baltic States and the former Soviet Union Organised by discipline it covers the arts humanities social sciences life sciences and technology **Alexander**

the Russian Cultural Imagination, and Masculinity in Crisis Amanda DiGioia,2020-10-12 This book written from a feminist perspective uses the focus of duelling to discuss the nature of masculinity in Russia It traces the development of duelling and masculinity historically from the time of Peter the Great onwards considers how duelling and masculinity have been represented in both literature and film and assesses the high emphasis given in Soviet times to gender equality arguing that this was a failed experiment that ran counter to Russian tradition It examines how duelling continues to be a feature of life in contemporary Russia and relates the situation in Russia to wider scholarship on the nature of masculinity more generally Overall the book contends that Russia s valuing of a strong militaristic form of masculinity is a major problem

Bookseller and the Stationery Trades' Journal ,1891 Association Medical Journal ,1922 Book Dealers' Weekly ,1925 **The Publishers Weekly** ,1911 **Global Trends in Job Polarisation and Upgrading** Sergio Torrejón Pérez,Enrique Fernández-Macías,John Hurley,2025-02-25 This open access book offers a comparative analysis of changes in employment structures on a global scale focusing on employment trends during the first decades of the 21st century across 17 developed and developing economies including countries from Europe North America Central and Latin America and Asia The authors examine patterns of occupational change in all cases with job upgrading and polarization being the most prevalent and explore the factors driving these changes such as technological change the increased participation of women the growth of service oriented sectors and others Particular attention is given to the impact of the COVID 19 pandemic on employment By applying consistent methods across all countries the book provides a comprehensive understanding of employment dynamics and trends worldwide representing one of the most significant efforts to produce comparative evidence on a global scale to date As such it will be of interest to researchers and policymakers focused on labor inequality

and economic development **The Bookseller** ,1915 Growth Strategies and Welfare Reforms ,2025-10-01 How have advanced capitalist democracies dealt with deindustrialization Did financialization affect these economies to the same degree How does digitalization transform them How do governments deal with the polycrises of Covid 19 inflation and climate change What roles did welfare systems and reforms play in these adaptations This book seeks to answer these questions by exploring the economic and social trajectories of advanced political economies in Europe the United States China and Russia in the twenty first century It focuses on the interaction between national growth and welfare regimes government growth strategies and welfare state reforms to explain these countries differing developments from the 1990s to the mid 2020s The chapters offer theoretical typological and empirical comparisons between advanced capitalist countries alongside detailed national case studies in order to further understand their general economic and social features and their developments Growth Strategies and Welfare Reforms features contributions from leading scholars in comparative political economy and comparative welfare state research and presents a sophisticated theoretical approach drawing on but also moving beyond varieties of capitalism and growth model approaches **Neoliberal Authoritarianism: An Ethnography of Russian Universities** Iuliia Gataulina,2025-09-01 This open access book delves into the politics of oppression and dispossession driven by global neoliberalism and state authoritarianism Challenging liberal biases it introduces the concept of neoliberal authoritarianism highlighting how the Russian state has transformed within the context of neoliberal globalization into a new state formation where authoritarianism is reinforced by neoliberal rationalities The book analyzes neoliberal authoritarianism through an ethnographic lens on universities and their governance which have become a new frontier of neoliberal economic development serving the imperatives of growth and competition *The Russian "House"* Jason C. Vaughn,2018-10-15 The Russian House An Examination of Post Soviet Russian Culture in the Times of Putin examines Russian society as considered by the Russian people This study recognizes the political economic and social structure of post Soviet Russia in the 2010s era given that the Russian citizenry the ethnic and the civil still desires and recognizes the need for reform while still relying on a host of ideas which Russian society and culture reflexively fall back on This book will examine categorizations as separated into five co equal constructs that this book will posit to be axiomatic of Russian culture and worthy of consideration in further view of the possibility for Russia to one day become a stable and prosperous country without authoritarianism bloodshed militarism or excess nationalism
