Russian Physicians In An Era Of Reform And Revolution 1856 1905:

Russian Physicians in an Era of Reform and Revolution, 1856-1905 Nancy M. Frieden, 2014-07-14 This history of the medical profession in pre Revolutionary Russia examines an influential segment of the educated elite The author shows how Russian physicians differed in social origin careers and professionalization from their counterparts in other lands Originally published in 1982 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Russian Physicians in an Era of Reform and Revolution, 1856-1905 Nancy Mandelker Frieden, 1981 This history of the medical profession in pre Revolutionary Russia examines an influential segment of the educated elite The author shows how Russian physicians differed in social origin careers and professionalization from their counterparts in other lands Originally published in 1982 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Russia's Great Reforms, 1855-1881 Ben Eklof, John Bushnell, Larissa Zakharova, 1994-06-22 The Great Reforms undertaken during the reign of Alexander II represented a unique attempt by the tsarist government to restructure virtually every aspect of Russian life beginning with the emancipation of the serfs and continuing through reforms of local government the judiciary the military education the financial system censorship and other domains This volume the work of an international group of scholars that includes historians from Russia maps out the major landmarks in the conceptualization and implementation of the Great Reforms during the reign of Alexander II and proposes a variety of perspectives from which to view them From publisher's description

The Cambridge History of Russia: Volume 2, Imperial Russia, 1689-1917 Maureen Perrie, D. C. B. Lieven, Ronald Grigor Suny, 2006-08-17 A definitive new history of Russia from early Russia to the collapse of the Soviet Union

Russia's Missing Middle Class: The Professions in Russian History Harley D. Balzer, 2016-09-16 This work describes the emergence of the professions in late tsarist Russia and their struggle for autonomy from the aristocratic state It also examines the ways in which the Russian professions both resembled and differed from their Western counterparts

All Russia Is Burning! Cathy A. Frierson, 2012-11-10 Rural fires were an even more persistent scourge than famine in late imperial Russia as Cathy Frierson shows in this first comprehensive study Destroying almost three billion rubles worth of property in European Russia between 1860 and 1904 accidental and arson fires acted as

a brake on Russia's economic development while subjecting peasants to perennial shocks to their physical and emotional condition. The fire question captured the attention of educated progressive Russians who came to perceive it as a key obstacle to Russia's becoming a modern society in the European model. Using sources ranging from literary representations and newspaper articles to statistical tables and court records, Frierson demonstrates the many meanings fire held for both peasants and the educated elite. To peasants it was an essential source of light and warmth as well as a destructive force that regularly ignited their cramped villages of wooden thatch-roofed huts. Absent the rule of law they often used arson to gain justice or revenge or to exert social control over those who would violate village norms. Frierson shows that the vast majority of arson cases in European Russia were not peasant against gentry acts of protest but peasant against peasant acts of self-help, law or plain spite. Both the state and individual progressives set out to resolve the fire question and to educate, cajole or coerce the peasantry into the modern world. Fire insurance, building codes, scientific village layouts and volunteer firefighting brigades reduced the average number of buildings consumed in each blaze but none of these measures succeeded in curbing the number of fires each year. More than anything else, this history of fire and arson in rural European Russia is a history of their cultural meanings in the late imperial campaign for modernity. Frierson shows the special associations of women with fire in rural life and in elite understanding of fire in the Russian countryside. Her study of the fire question demonstrates both peasant agency in fighting fire and educated Russians hardening conviction that peasants stood in the way of Russia's advent into the company of prosperous, rational, civilized nations. Russia and Eastern Europe, 1789-1985 Raymond Pearson, 1989

Portrait of a Russian Province Catherine Evtuhov, 2011-11-13. Several stark premises have long prevailed in our approach to Russian history. It was commonly assumed that Russia had always labored under a highly centralized and autocratic imperial state. The responsibility for this lamentable state of affairs was ultimately assigned to the profoundly agrarian character of Russian society. The countryside, home to the overwhelming majority of the nation's population, was considered a harsh world of cruel landowners and ignorant peasants, and a strong hand was required for such a crude society. A number of significant conclusions flowed from this understanding: Deep and abiding social divisions obstructed the evolution of modernity as experienced naturally in other parts of Europe; so there was no Renaissance or Reformation, merely a derivative Enlightenment and only a distorted capitalism. And since only despotism could contain these volatile social forces, it followed that the 1917 Revolution was an inevitable explosion resulting from these intolerable contradictions, and so too were the blood-soaked realities of the Soviet regime that came after. In short, the sheer immensity of its provincial backwardness could explain almost everything negative about the course of Russian history. This book undermines these preconceptions. Through her close study of the province of Nizhnii Novgorod in the nineteenth century, Catherine Evtuhov demonstrates how nearly everything we thought we knew about the dynamics of Russian society was wrong. Instead of peasants ground down by poverty and ignorance, we find skilled farmers, talented artisans and craftsmen, and enterprising tradespeople. Instead of an

exclusively centrally administered state we discover effective and participatory local government Instead of pervasive ignorance we are shown a lively cultural scene and an active middle class Instead of a defining Russian exceptionalism we find a world recognizable to any historian of nineteenth century Europe Drawing on a wide range of Russian social environmental economic cultural and intellectual history and synthesizing it with deep archival research of the Nizhnii Novgorod province Evtuhov overturns a simplistic view of the Russian past Rooted in but going well beyond provincial affairs her book challenges us with an entirely new perspective on Russia s historical trajectory Serfdom, Society, and the Arts in Imperial Russia Richard Stites,2008-02-22 Richard Stites explores the dramatic shift in the history of visual and performing arts that took place in the last decades of serfdom in Russia in the 1860s and revisualises the culture of that flamboyant era

Russian and Soviet Health Care from an International Perspective Susan Grant,2017-02-20 This collection compares Russian and Soviet medical workers physicians psychiatrists and nurses and examines them within an international framework that challenges traditional Western conceptions of professionalism and professionalization through exploring how these ideas developed amongst medical workers in Russia and the Soviet Union Ideology and everyday life are examined through analyses of medical practice while gender is assessed through the experience of women medical professionals and patients Cross national and entangled history is explored through the prism of health care with medical professionals crossing borders for a number of reasons to promote the principles and advancements of science and medicine internationally to serve altruistic purposes and support international health care initiatives and to escape persecution Chapters in this volume highlight the diversity of experiences of health care but also draw attention to the shared concerns and issues that make science and medicine the subject of international discussion *The World of the Russian Peasant* Ben Eklof,Stephen P. Frank,2023-10-13 First published in 1990 The World of the Russian Peasant is designed to provide a wide ranging survey of new developments in Russian peasant studies Editors Eklof and Frank paint a broad picture of what life was like for the vast majority of Russia s population before 1917 Individual authors treat the intricacies of the village community and peasant commune social structure the everyday life and labour of peasant women the impact of migration the spread of education and peasant art religion justice and politics The result is a portrait of a people greatly influenced by rapid and radical changes in the world yet seeking to maintain control over their lives and their communities This is a must read for students of Russian history Russian peasantry and rural sociology *The Body Soviet* Tricia Starks,2009-01-06 In 1918 the People s Commissariat of Public Health began a quest to protect the health of all Soviet citizens but health became more than a political platform or a tactical decision The Soviets defined and categorized the world by interpreting political orthodoxy and citizenship in terms of hygiene The assumed political social and cultural benefits of a regulated healthy lifestyle informed the construction of Soviet institutions and identity Cleanliness developed into a political statement that extended from domestic maintenance to leisure choices and revealed gender ethnic and class prejudices Dirt denoted the

past and poor politics health and cleanliness signified mental acuity political orthodoxy and modernity Health though essential to the revolutionary vision and crucial to Soviet plans for utopia has been neglected by traditional histories caught up in Cold War debates The Body Soviet recovers this significant aspect of Soviet thought by providing a cross disciplinary comparative history of Soviet health programs that draws upon rich sources of health care propaganda including posters plays museum displays films and mock trials The analysis of propaganda makes The Body Soviet more than an institutional history it is also an insightful critique of the ideologies of the body fabricated by health organizations A masterpiece that will thoroughly fascinate and delight readers Starks s understanding of propaganda and hygiene in the early Soviet state is second to none She tells the stories of Soviet efforts in this field with tremendous insight and ingenuity providing a rich picture of Soviet life as it was actually lived Elizabeth Wood author of From Baba to Comrade Gender and Politics in Revolutionary Russia The Gulag Doctors Dan Healey,2024-02-27 A pioneering history of medical care in Stalin s Gulag showing how doctors and nurses cared for inmates in appalling conditions A byword for injustice suffering and mass mortality the Gulag exploited prisoners compelling them to work harder for better rations in shocking conditions From 1930 to 1953 eighteen million people passed through this penal industrial empire Many inmates not reaching their quotas succumbed to exhaustion emaciation and illness It seems paradoxical that any medical care was available in the camps But it was in fact ubiquitous By 1939 the Gulag Sanitary Department employed 10 000 doctors nurses and paramedics about 40 percent of whom were prisoners Dan Healey explores the lives of the medical staff who treated inmates in the Gulag Doctors and nurses faced extremes of repression supply shortages and isolation Yet they still created hospitals re fed prisoners treated diseases and saved a proportion of their patients They taught apprentices and conducted research too This groundbreaking account offers an unprecedented view of Stalin s forced labour camps as experienced by its medical staff

Russian Officialdom in Crisis Thomas S. Pearson,2004-02-12 This book is the first full account of the development of rural self government in Russia from the emancipation of the serfs to its bureaucratisation in the counter reforms of 1889 90 Through analysis of central and provincial perceptions of local self government and conflicting ideologies of reform Professor Pearson challenges the conventional view of the counter reforms as a concession to gentry class interests and a reaction against zemstvo political activity The study illuminates the rural administrative breakdown during Russia s crisis of autocracy beginning in the late 1870s and reinterprets the role of the landed gentry prominent state officials and key commissions ministries and administrative ideologies in the debates leading to the counter reforms **The Russian Medical**

Humanities Melissa L. Miller,Konstantin Starikov,2021-09-20 For the first time in English The Russian Medical Humanities Past and Present argues that the medical humanities is a vibrant and emerging field in Post Soviet Russia In a unique collaboration that brings together diverse experts from both Russia and America this volume showcases the Russian medical humanities as an interdisciplinary project that combines insights from philosophy bioethics anthropology history and

literature in order to provide more compassionate medical care to patients in the twenty first century The chapters in this volume explore past and present humanistic trends in Russian medical training as well as examine how Russian authors and cultural figures some physician writers some without professional background in medicine of any kind have positioned healthy and ailing bodies in their creative work This volume s contributors who range from literary scholars educators translators and poets to medical historians librarians museum curators and social workers provide empathetic insight into the experience of medical encounters which all cultures grapple with Their work will prove useful not only to current and future health practitioners but also to a broader audience of readers who are seeking to make compassionate and informed decisions about healthcare for their loved ones and for themselves

Revolution and the Meanings of Freedom in the Nineteenth Century Isser Woloch,1996 In the aftermath of the French Revolution freedom came to have a host of meanings This volume examines these contested visions of freedom both inside and outside of revolutionary situations in the nineteenth century as each author explores and interprets the development of nineteenth century political culture in a particular national context The common focus is the struggle in various countries to define advance or delimit freedom after the French Revolution The introductory chapter evokes the problematic relationships between reform and revolution and introduces themes that appear in subsequent chapters though each chapter is a free standing interpretive essay Among the issues addressed are the growth of the public sphere and associational movements battles over constitutionalism parliamentary institutions and the franchise the role of the state in inhibiting or expanding citizenship and the rule of law the resort to violence by parties of order or parties of change and the intrusion of new social questions or ethnic conflicts into the political arena

Soul and Body Diseases, Remedies and Healing in Middle Eastern Religious Cultures and Traditions ,2023-07-31 Aiming to develop a less studied literary genre this book provides a well rounded picture of spiritual and physical diseases and their remedies as they were ingrained in the imagination and practices of Middle Eastern Abrahamic cultures with a special emphasis of Christian communities Greeks Byzantines Syrians Armenians Georgians Ethiopians The volume traces traditions dealing with the onset of a disease in the body and soul the search for remedy the maintenance of healing and the engagement of these processes with faith either through their affirmation in the public sphere or remaining within the personal framework as in monastic traditions A recurring presence in religious literature and the history of the intellectual world the confrontation between disease and healing may well still be current for our modern understanding of the paths to seeking and maintaining the health of one s body and soul without excluding the factor of faith as a core principle

Warriors and Peasants S. O'Rourke,2000-01-20 *Warriors and Peasants* depicts the lives of the Don Cossacks in late Imperial Russia The dual identity of the Cossacks that of the steppe and of the settled Slavic areas is emphasized as the key to their unique culture The book explores how that identity manifested and preserved itself by focusing on the Cossack tradition their economy their families and their communities Far from being moribund and close to collapse the book

concludes that the Cossack tradition remained among the most vibrant in the Empire

The Keys to Happiness Laura Engelstein, 2018-08-06 The revolution of 1905 challenged not only the social and political structures of imperial Russia but the sexual order as well Throughout the decade that followed in the salons of the artistic and intellectual avant garde on the pages of popular romances in the staid assemblies of physicians psychiatrists and legal men the talk everywhere was of sex This eagerly awaited book echoing the title of a pre World War I bestseller *The Keys to Happiness* marks the first serious attempt to understand the intense public interest in sexuality as a vital dimension of late tsarist political culture Drawing on a strong foundation of historical sources from medical treatises and legal codes to anti Semitic pamphlets commercial fiction newspaper advertisements and serious literature Laura Engelstein shows how Western ideas and attitudes toward sex and gender were transformed in the Russian context as imported views on prostitution venereal disease homosexuality masturbation abortion and other themes took on distinctively Russian hues Engelstein divides her study into two parts the first focusing on the period from the Great Reforms to 1905 and on the two professional disciplines most central to the shaping of a modern sexual discourse in Russia law and medicine The second part describes the complicated sexual preoccupations that accompanied the mobilization leading up to 1905 the revolution itself and the aftermath of continued social agitation and intensified intellectual doubt In chapters of astonishing richness the author follows the sexual theme through the twists of professional and civic debate and in the surprising links between high and low culture up to the eve of the First World War Throughout Engelstein uses her findings to rethink the conventional wisdom about the political and cultural history of modern Russia She maps out new approaches to the history of sexuality and shows brilliantly how the study of attitudes toward sex and gender can help us to grasp the most fundamental political issues in any society

Diagnosing Literary Genius Irina Sirotkina, 2003-04-30 Winner of the Aldo and Jeanne Scaglione Prize for Studies in Slavic Languages and Literatures from the Modern Language Association The vital place of literature and the figure of the writer in Russian society and history have been extensively studied but their role in the evolution of psychiatry is less well known In *Diagnosing Literary Genius: A Cultural History of Psychiatry in Russia 1880-1930* Irina Sirotkina explores the transformations of Russian psychiatric practice through its relationship to literature During this period psychiatrists began to view literature as both an indicator of the nation's mental health and an integral part of its well being By aligning themselves with writers psychiatrists argued that the aim of their science was not dissimilar to the literary project of exploring the human soul and reflecting on the psychological ailments of the age Through the writing of pathographies medical biographies psychiatrists strengthened their social standing debated political issues under the guise of literary criticism and asserted moral as well as professional claims By examining the psychiatric engagement with the works of Fyodor Dostoevsky Nikolai Gogol Leo Tolstoy and the decadents and revolutionaries Sirotkina provides a rich account of Russia's medical and literary history during this turbulent revolutionary period

The Enigmatic Realm of **Russian Physicians In An Era Of Reform And Revolution 1856 1905**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **Russian Physicians In An Era Of Reform And Revolution 1856 1905** a literary masterpiece penned by a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those that partake in its reading experience.

Russian Physicians In An Era Of Reform And Revolution 1856 1905 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russian Physicians In An Era Of Reform And Revolution 1856 1905 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process.

and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russian Physicians In An Era Of Reform And Revolution 1856 1905 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Russian Physicians In An Era Of Reform And Revolution 1856 1905 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Russian Physicians In An Era Of Reform And Revolution 1856 1905 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Physicians In An Era Of Reform And Revolution 1856 1905 is one of the best book in our library for free trial. We provide copy of Russian Physicians In An Era Of Reform And Revolution 1856 1905 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russian Physicians In An Era Of Reform And Revolution 1856 1905. Where to download Russian

Physicians In An Era Of Reform And Revolution 1856 1905 online for free? Are you looking for Russian Physicians In An Era Of Reform And Revolution 1856 1905 PDF? This is definitely going to save you time and cash in something you should think about.
