Hughes Oliphant Old that canvasses the history of preaching from the words of Moses at Mount Sinai through modern times In Volume 1 The Biblical Period Old begins his survey by discussing the roots of the Christian ministry of the Word in the worship of Israel He then examines the preaching of Christ and the Apostles Finally Old looks at the development and practice of Christian preaching in the second and third centuries concluding with the ministry of Origen **Anointed Expository Preaching** Stephen Olford,2003-09 This book equips and encourages preachers of all kinds to respect their calling and minister God's inerrant Word *Reformed Preaching* Joel Beeke,2018-10-15 Preaching today all too often tragically misses the point We've all heard sermons that sound more like a lecture filling the head but not the heart And we've all heard sermons tailored to produce an emotional experience filling the heart but not the head But biblical preaching both informs minds and engages hearts giving it the power to transform lives By the Spirit's grace biblical preaching brings truth home from the heart of the preacher to the heart of the hearer Joel Beeke a pastor and professor of preaching with over four decades of experience explores the fundamental principles of Reformed experiential preaching examining sermons by preachers from the past and bridging the historical gap by showing pastors what the preaching of God's life transforming truth looks like today **Lloyd-Jones on the Christian Life (Foreword by Sinclair B. Ferguson)** Jason C. Meyer,2018-04-16 Called a physician of the soul Martyn Lloyd Jones is widely regarded as one of the most powerful preachers of the twentieth century Originally trained as a medical doctor he changed careers after recognizing the depth of healing the gospel can bring to the soul of a sinner With a unique ability to winsomely capture the minds and hearts of his listeners Lloyd Jones crafted sermons that continue to have a tremendous impact on the world today almost forty years after his death In this book pastor Jason Meyer summarizes what Lloyd Jones taught about the Christian life what he saw as the dangers of separating doctrine from life and how he modeled devotion to the knowledge of God Lloyd Jones's passion for the glory of God in his own life will encourage Christians to hunger to experience God in the same way [The Theology of the Christian Life in J.I. Packer's Thought](#) Don J. Payne,2006-06-01 This study offers a critical analysis of J I Packer's theology of the Christian life Packer has achieved international acclaim and wielded widespread influence within evangelicalism for more than three decades particularly through his writings on the doctrine of sanctification His approach to sanctification is examined in light of the theological anthropology and theological method that constitute its unique structure and assumptions J I Packer has been one of the most recognized evangelical theologians of the late twentieth century Among his theological passions is anchoring the Christian life in the legacy of Reformed theology particularly that expressed by seventeenth century English Puritanism Yet his treatment of the doctrine of sanctification is shaped by two other influences theological anthropology and theological method This hermeneutical exploration of Packer's treatment of sanctification offers fresh insight into his thought and demonstrates the often unnoticed impact of theological anthropology and theological method within evangelical theology *Deep Preaching* J. Kent Edwards,2009-08-01 J Kent Edwards recalls a story that late

pastor J Vernon McGee told about seeing children in South Africa playing a game of marbles in the dust with real diamonds The precious stones were being handled with no regard for their true worth Edwards fears the same thing happens today when preachers offer Scriptural truth to listeners without being completely overwhelmed by its greatness themselves in the process Deep Preaching is his call to rethink preaching Edwards helps preachers learn to preach the word in ways that will powerfully change the lives of hearers He contends that sermons need not settle comfortably on the lives of the listeners like dust on a coffee table He encourages preachers to join him in casting off the lines that moor their ministries to the status quo and make every effort to steer their preaching out of the comfortable shallows He urges them to preach deep sermons rather than superficial ones moving beyond the yawn inspiring to the awe inspiring from the trite to the transforming **The Power of Revival** Dongjin Park,2023-11-08 Lloyd Jones s Reformed doctrine of Spirit baptism The Welsh minister Martyn Lloyd Jones 1899 1981 was one of the most influential preachers of the twentieth century His preaching was grounded in his view on the baptism of the Holy Spirit but his pneumatology is often seen as a departure from his Reformed heritage In The Power of Revival Dongjin Park explores how Lloyd Jones s preaching was kindled by his distinctly Reformed view of Spirit baptism By tracing Lloyd Jones s writings and sources Park shows how Lloyd Jones s theology of Spirit baptism was less an embrace of charismatic and Pentecostal theology than a reappropriation of Puritan emphasis on experiential faith Lloyd Jones s revivalistic urgency fueled by the Spirit s power to ignite preaching and holy living found its spark in Calvinistic revivalism The Power of Revival sheds light on Lloyd Jones and Reformed theology and encourages readers to follow his example of relying on the Spirit The Deliberate Church Mark Dever,Paul Alexander,2005-09-09 Dever and Alexander propose a model of complete reliance and submission to the Gospel when building a healthy church Great resource for pastors elders and others interested in the vitality of their church *Preaching* Jason C. Meyer,2013 The sermon is under attack This comprehensive biblical theology of preaching examines what it is how to do it and why it s so important exploring the concept s canonical development and relevance for key doctrines *Proclaiming the Whole Counsel of God* Steve D. Eutsler,2025-04-24 For years the best sages have warned Those who fail to plan plan to fail Experience has proven this advice to be true in the spiritual realm as well as in the secular Without careful planning even Pentecostal ministers of the gospel often repeat certain texts or topics while they neglect other critical truths This frequent phenomenon inspired the integrated approach in this project Dr Eutsler has written a book on preaching that Pentecostal Charismatic pastors and ministers have needed for a long time Based on years of practical experience and sound scholarship it combines an emphasis on the guidance of the Holy Spirit along with long range planning After exploring the unique dynamics of Pentecostal preaching he discusses step by step how to increase their implementation on a more consistent basis This volume will benefit both beginning and veteran students of preaching It could easily be used personally or in a classroom setting Those preachers who read and implement its wise counsel will improve the quality creativity and variety of their preaching George
