The Use of the Creative Therapies with Sexual Abuse Survivors Stephanie L. Brooke,2007 This book is a useful reference for anyone seeking to provide therapy to survivors of sexual abuse The approach represented here is a holistic one that utilizes various approaches to heal the various manifestations of sexual abuse trauma Since the acts associated with such abuse are often so difficult to discuss this book presents several methods of communicating these unspeakable horrors nonverbally allowing the survivor to express their trauma with less difficulty This approach seeks to use the actions of the body to heal the mind This text contains information relevant to treatment for children adolescents and adults as well as male or female and in group or individual settings Many useful activities are outlined and illustrations are provided as examples

Gay Men and Childhood Sexual Trauma James Cassese,2016-01-20 Learn powerful techniques for healing the scars of early sexual abuse in gay men The first book of its kind *Gay Men and Childhood Sexual Trauma Integrating the Shattered Self* addresses the specific therapeutic needs of gay men in recovery All too often gay men hide their childhood memories of being sexually victimized because of fear shame and the stigma of stereotypes which equate homosexuality with child abuse Some gay men may view these histories as rites of passage and dismiss other perspectives as betrayals of their community or inadvertant support for the anti gay agenda of the religious right Certain therapists and so called support groups ridicule them as hysterics with false memories Groups like the North American Man Boy Love Association or the Rene Guyon Society dismiss the source of their anguish as wishful thinking or a healthy consensual intergenerational romance Finally here is a

book that addresses the unique emotional and psychological needs of gay male survivors of sexual abuse *Gay Men and Childhood Sexual Trauma* offers new hope by separating the crime of pedophilia from the consensual intimacy of an adult male same sex relationship It provides specific guidance for therapists working with gay men either in individual or group therapy settings and offers practical treatment suggestions as well as moving insights into the painful conflicts gay men may have in accepting their own sexuality and revealing their status as child survivor of an adult sexual predator *Gay Men and Childhood Sexual Trauma* discusses practical ways to help the survivor heal including adopting eye movement desensitization and reprocessing techniques to treat traumatized gay men helping gay men to break the old arousal patterns associated with their abusers handling survivors formidable issues of trust addictions depression and low self esteem leading survivor groups of mixed sexual orientation discerning the special meaning of HIV to traumatized gay men respecting cross cultural differences in treating the gay male sexual trauma survivor finding new directions for research This powerful volume offers sufficient technical detail to be useful for the therapist working with gay men yet it is written with enough clarity and compassion to be used as bibliotherapy for men just coming out as gay as survivor or as both *Gay Men and Childhood Sexual Trauma* is an essential resource for mental health professionals as well as for gay men who have themselves survived sexual abuse or who love someone who did *Innovations in Play Therapy* Garry L. Landreth, 2013-06-17 This book is unique in exploring the process of conducting short term intensive group play therapy and the subsequent results It focuses on play therapy with special populations of aggressive acting out children autistic children chronically ill children traumatized children selective mute children disassociative identity disorder adults with child alters and the elderly The book addresses such vital issues as How play therapy helps children Confidentiality in working with children How to work with parents What the play therapist needs to know about medications for children The difficult dimension of diagnosis is clarified through specific descriptions of how the play therapist can use play behaviors to diagnose physical abuse sexual abuse and emotional maladjustment in children Psychological Well-being and Behavioral Interactions during the Coronavirus Pandemic Bat Katzman, Tal Harel, Ariela Giladi, Meni Koslowsky, 2022-06-16 This volume discusses how the COVID 19 pandemic has affected people s working environment learning experiences and personal lives in countless ways As such it discusses how a better understanding of the virus s exponential growth has led to more effective policy making and ultimately lower infection rates It also considers online learning workplace changes and the status of furloughed employees The book also considers the pandemic s impact on specific groups such as Bedouins LGBT individuals people in romantic relationships and victims of sexual abuse as a function of lockdowns *The Sexual Abuse of Children* William T. O'Donohue, James H. Geer, 2014-01-02 The sexual abuse of children is now seen as an enormous problem first because there is an increasing awareness that it is more prevalent than previously thought and second because it gives rise to so many complex questions How is sexual abuse to be defined What are the effects of abuse How can the victim be helped How can abuse be prevented These two

Who Is Bob_34? Francis Fortin,Patrice Corriveau,2015-07-15 Eye catching headlines such as Sixty people charged in child porn crackdown explode in the media with alarming frequency giving the impression that our communities are awash with perverts But what exactly do we know about these crimes and those who commit them Who produces child cyberpornography Who distributes it Who consumes it And is there a link between viewing and abuse Seeking answers to these questions Francis Fortin and Patrice Corriveau infiltrated child porn user groups and compared their findings to scholarship on the subject Who Is Bob_34 breaks down popular perceptions by opening a window on a clandestine world populated by a spectrum of cyberpedophiles ranging from occasional image collectors to sex abusers who lure and assault children Contrary to popular perceptions the typical cyberpedophile is in his mid thirties and grew up using the Internet He often believes his actions are justifiable and takes pride in collecting and sharing child porn This timely book reveals that this contemporary phenomenon is much more
