The Sexual Abuse of Women by Members of the Clergy Kathryn A. Flynn,2010-07-27 The sexual abuse and exploitation of women by members of the clergy is not a new issue What is new is the public s growing understanding of what is involved when members of the clergy ignore or repeatedly fall short of legal and ethical requirements to adhere to the expected standards of conduct This work is based on the author s study of 25 women from 11 states who were sexually abused by members of the clergy A primary goal of the study was to help the violated women understand their experiences and make available to educators practitioners and others concrete information about what it means to be sexually exploited by a trusted religious representative The author also considers the viability of a trauma model to study the impact of such sexual abuse on women and on their relationships with others and presents her findings that the participants did exhibit symptoms that strongly correspond with the classical and complex trauma criteria used

Biblical Counsel, 1993 **The Cry of Tamar** Pamela Cooper-White, 2013-06-24 In this comprehensive practical and gripping assessment of various forms of violence against women Pamela Cooper White challenges the Christian churches to examine their own responses to the cry of Tamar in our time She describes specific forms of such violence and outlines appropriate pastoral responses The second edition of this groundbreaking work is thoroughly updated and examines not only where the church has made progress since 1995 but also where women remain at unchanged or even greater risk of violence

Bad Pastors Anson D. Shupe, William A. Stacey, Susan E. Darnell, 2000-08 Child molesting priests embezzled church treasures philandering ministers and rabbis even church endorsed pyramid schemes that defraud gullible parishioners of millions of dollars for the past decade clergy misconduct has seemed continually to be in the news Is there something about religious organizations that fosters such misbehavior Bad Pastors presents a range of new perspectives and solidly grounded data on pastoral abuse investigating sexual misconduct financial improprieties and political and personal abuse of authority Rather than focusing on individuals who misbehave the volume investigates whether the foundation for clergy malfeasance is inherent in religious organizations themselves stemming from hierarchies of power in which trusted leaders have the ability to define reality control behavior and even offer or withhold the promise of immortality Arguing that such phenomena arise out of organizational structures the contributors do not focus on one particular religion but rather treat these incidents from an interfaith perspective Bad Pastors moves beyond individual case studies to consider a broad range of issues surrounding clergy misconduct from violence against women to the role of charisma and abuse of power in new religious movements Highlighting similarities

between other forms of abuse such as domestic violence the volume helps us to conceptualize and understand clergy misconduct in new ways *Religion, Belief and Social Work* Furness, Sheila, Gilligan, Philip, 2009-11-18 This book examines how religion and related beliefs have varied impacts on the needs and perceptions of practitioners service users and the support networks available to them The authors argue that social workers need to understand these phenomena so that they can become more confident in challenging discriminatory and oppressive practices The centrality of religion and associated beliefs in the lives of many is emphasised as are their potentially liberating and potentially negative impacts In line with the Social Work in Practice series style the book allows readers to explore issues in depth It focuses on knowledge transmission and the encouragement of critical reflection on practice Each chapter is built around real life case scenarios using a problem based learning approach This book is the first to deal with social work and religion so comprehensively and will therefore be essential reading not only for social work students but also for practitioners in a range of areas social work academics and researchers in the UK and beyond **Elder Abuse** Elizabeth Podnieks, Jordan I. Kosberg, Ariela Lowenstein, 2003 This book is a collection of presentation papers from the Prague World Congress on Family Violence It presents the latest research and detailed information on the difficult issues involving elder abuse around the world International experts use a multidisciplinary approach to provide ideas and insights to help provide researchers educators and practitioners with practical strategies for dealing with the numerous facets of this disturbing issue Different types of abuse are explored in detail including physical financial and emotional *Tragedies and Christian Congregations* Christopher Southgate, Carla Grosch-Miller, Hilary Ison, Megan Warner, 2019-09-26 When tragedy strikes a community it is often unexpected with long lasting effects on the people left in its wake Too often there aren't adequate systems in place to aid those affected in processing what has happened This study uniquely combines practical theology pastoral insight and scientific data to demonstrate how Christian congregations can be helped to be resilient in the face of sudden devastating events Beginning by identifying the characteristics of trauma in individuals and communities this collection of essays from practitioners and academics locates sudden trauma inducing tragedies as a problem in practical theology A range of biblical and theological responses are presented but contemporary scientific understanding is also included in order to challenge and stretch some of these traditional theological resources The pastoral section of the book examines the ethics of response to tragedy locating the role of the minister in relation to other helping agencies and exploring the all too topical issue of ministerial abuse Developing a nuanced rationale for good practical pastoral liturgical and theological responses to major traumas this book will be of significant value to scholars of practical theology as well as practitioners counselling in and around church congregations **Faith Born of Seduction** Jennifer L Manlowe, 1995-07 How do survivors of sexual and domestic violence relate to religion and to a higher power What are the social and religious contexts that sustain and encourage eating disorders in women How do these issues intersect The relationship between Christian religious discourse incest and eating

disorders reveals an important and so far unexamined psychosocial phenomenon Drawing from interviews with incest survivors whose sexual and religious backgrounds are intimately connected with their problematic relationship with food Jennifer Manlowe here illuminates the connections between female body weight and appetite preoccupations Manlowe offers social and psychological insights into the most common forms of female suffering incest and body hatred The volume is intended as a resource for professionals advocates friends of survivors and most importantly the survivor of incest herself as she attempts to understand the links of meaning in her mind between her incest experience and her subsequent eating disorder

Rogue Clerics Anson Shupe, 2017-09-08 During the past several years the mass media in the United States has been awash with reports of priestly pedophilia ecclesiastical cover up and clerical intimidation or financial settlements intended to silence victims Based on journalistic accounts or scholarly research it might be assumed that this is a recent phenomenon Journalist reports began only within the past few years Similarly most sociologists of religion and particularly specialists in deviance and criminology did not reflect awareness of clerical misbehavior in their work Despite this Anson Shupe shows that clergy deviance whether it is sexual or otherwise is not merely a recent problem It is as old as the church itself and is inevitably bound to recur due to the nature of religious groups This comprehensive analysis offers the first up to date analysis of sexual economic and authoritative clergy malfeasance across faiths and denominational authority structures Drawing on examples taken from antiquity up until the present day and using reports by historians theologians church spokespersons therapists social scientists and journalists Shupe critically evaluates clergy deviant behavior dividing it into various types He also makes use of the therapeutic literature addressing victimization at the level of the individual church and community at large In this way he compares the response of the clergy to victims attempts to mobilize movements calling for church reform Perhaps most controversial this book considers the possible relationship of homosexuality in the clergy to the occurrences of scandals in all religious traditions across the board As an overview of clergy misconduct this book is singular There is simply no other comprehensive serious examination of this subject Written by a sociologist for a

wide range of readers its multi disciplinary nature vivid examples and wealth of research will make the volume of interest to sociologists of religion and crime historians and theologians as well as a general public **Before the Fall** Nils Friberg, Mark R. Laaser, 1998 Church and theological seminary leaders have long desired a guidebook to help them orient candidates for ministry to the issue of sexuality and ministry This is that book Nils Friberg and Mark Laaser lay out the major problems and guidelines for solutions **Vulnerable Populations Vol 2** Suzanne Sgroi, 2008-06-30 A companion to the original Vulnerable Populations the second volume focuses on treatment initiatives that address therapy and reeducation for both abusers and the victims of sexual abuse Composed of four sections Vulnerable Populations brings into focus the various treatment initiatives available surrounding sexual abuse of our most vulnerable populations children and the mentally disabled Vulnerable Populations focuses on the treatment of sexually abused children and adolescents work with adult survivors of sexual abuse the sexual victimization of persons with mental retardation and the treatment of sexual offenders
