Sexuality and Marriage in Colonial Latin America Asunci n Lavrin, 1989-01-01 Few decisions in life should be more personal than the choice of a spouse or lover Yet throughout history this intimate experience has been subjected to painstaking social and religious regulation in the form of legislation and restraining social mores With that statement Asunci n Lavrin begins her introduction to this collection of original essays the first in English to explore sexuality and marriage in colonial Latin America The nine contributors including historians and anthropologists examine various aspects of the male female relationship and the mechanisms for controlling it developed by church and state after the European conquest of Mexico and Central and South America Seldom has so much light been shed on the sexual behavior of the men and women who lived there from the sixteenth to the eighteenth century These chapters examine the variety of sexual expression in different periods and among persons of different social and economic status the relations of the sexes as proscribed by church and state and the various forms of resistance to their constraints the couple s own view of the bond that united them and of their social obligations in producing a family and the dissolution of that bond Topics infrequently explored in Latin American history but discussed here include premarital relations illegitimacy consensual unions sexual witchcraft spouse abuse and divorce Lavrin s opening survey of the forms of sexual relationships most discussed in ecclesiastical sources serves as a point of departure for the chapters that follow The contributors are Serge Grunzinski Ann Twinam Kathy Waldron Ruth Behar Susan Socolow Richard Boyer Thomas Calvo and Mar a Beatriz Nizza da Silva Asunci n Lavrin is a professor of history at Arizona State University at Tempe Her 1995 book *Women Feminism and Social Change in Argentina Chile and Uruguay 1890 1940* won the Arthur P Whitaker Prize from the Middle Atlantic Council on Latin American Studies **Demon Possession** John Warwick Montgomery, 2018-01-26 In January of 1975 the Christian Medical Association gathered to deliver papers on the subject of demon possession The essayists are Christians affiliated with a variety of academic institutions The essays themselves explore the phenomena of the demonic in the Bible in literature on the mission field in anthropology legal

history and psychiatric treatment All of the participants accept the reality of the demonic but they are circumspect in their scholarship If you are looking for a more substantial treatment than what you might find in popular booklets on the subject or on the fiction aisle this is it never before or since this symposium has there been a focused study of this magnitude on demon possession Exorcising our Demons: Magic, Witchcraft and Visual Culture in Early Modern Europe Charles Zika,2021-10-11 This collection of sixteen essays deals with the role of magic religion and witchcraft in European culture 1450 1650 and the critical role of the visual in that culture It covers the relationship of humanism and magic the intersection of religious ritual orthodoxy and power the discursive links between the visual language of witchcraft and contemporary anxieties about sexuality and savagery The introductory chapter urges us to exorcise our tendency to reduce historical experiences of the demonic to forms of unreason created in a distant past Only then can we understand the role of the demonic in our historical definition of the self and the other Richly illustrated with 112 images the book will interest historians and art historians *Magic, Witchcraft and the Otherworld* Susan Greenwood,2020-08-02 Anthropology s long and complex relationship to magic has been strongly influenced by western science and notions of rationality This book takes a refreshing new look at modern magic as practised by contemporary Pagans in Britain It focuses on what Pagans see as the essence of magic a communication with an otherworldly reality Examining issues of identity gender and morality the author argues that the otherworld forms a central defining characteristic of magical practice Integrating an experiential ethnographic approach with an analysis of magic this book asks penetrating questions about the nature of otherworldly knowledge and argues that our scientific frameworks need re envisioning It is unique in providing an insider s view of how magic is practised in contemporary western culture **Sexuality, Religion and the Sacred** Loraine Hutchins,H. Sharif Williams,2018-10-24 Sexuality Religion and the Sacred is a thoughtful collection of bisexual polysexual and pansexual scholarship on religion and spirituality It examines how religious and spiritual traditions address sexuality whilst also exploring the ways in which bisexually polysexually and pansexually active people embrace religious and spiritual practice The volume offers a comprehensive analysis of these prevalent themes by focusing on five main areas of discussion Christian and Unitarian Discourses Indigenous and Decolonizing Spiritual Discourses Feminist Spiritual Discourses Buddhist Discourses and Neo Pagan Discourses Sexuality Religion and the Sacred offers an accessible yet scholarly treatment of these topics through a collection of critical essays by academics of theology humanities cultural studies and social sciences as well as sexology professionals and clergy from various faith and spiritual traditions It gives readers an insight into the intersection of sexualities and spiritualities and attempts to disrupt this very dichotomy through its careful consideration of a wide variety of discourses This book was originally published as a special issue of the Journal of Bisexuality **The Occult Sourcebook** Nevill Drury,Gregory Tillett,2019-09-10 Originally published in 1978 The Occult Sourcebook has been compiled primarily for the many people who are for the first time becoming engrossed by the numerous and often confusing possibilities underlying

the occult sciences It consists of a series of articles on key areas providing the reader with easy access to basic facts together with a carefully planned guide to further reading Critical comments on the recommended books allow the reader to select those which best suit their interests The authors have also included a Who's Who of the occult to provide short biographies of some of the more amazing figures who have already travelled down the mystic path The book offers a programmed system of exploration into the realms of the unknown It will be invaluable to the increasing number of people who are concerned with the exploration of enlarging human consciousness

The Appearance of Witchcraft Charles Zika, 2013-04-15 Shortlisted for the 2008 Katharine Briggs Award For centuries the witch has been a powerful figure in the European imagination but the creation of this figure has been hidden from our view Charles Zika's groundbreaking study investigates how the visual image of the witch was created in late fifteenth and sixteenth century Europe He charts the development of the witch as a new visual subject showing how the traditional imagery of magic and sorcery of medieval Europe was transformed into the sensationalist depictions of witches in the pamphlets and prints of the sixteenth century This book shows how artists and printers across the period developed key visual codes for witchcraft such as the cauldron and the riding of animals It demonstrates how influential these were in creating a new iconography for representing witchcraft incorporating themes such as the power of female sexuality male fantasy moral reform divine providence and punishment the superstitions of non-Christian peoples and the cannibalism of the new world Lavishly illustrated and encompassing in its approach The Appearance of Witchcraft is the first systematic study of the visual representation of witchcraft in the later fifteenth and sixteenth centuries It will give the reader a unique insight into how the image of the witch evolved in the early modern world

Warriors, Witches, Whores Rachel S. Harris, 2017-10-16 Feminist reading of women's representation and activism in Israeli cinema Warriors Witches Whores Women in Israeli Cinema is a feminist study of Israel's film industry and the changes that have occurred since the 1990s Working in feminist film theory the book adopts a cultural studies approach considering the creation of a female centered and thematically feminist film culture in light of structural and ideological shifts in Israeli society Author Rachel S Harris situates these changes in dialogue with the cinematic history that preceded them and the ongoing social inequalities that perpetuate women's marginalization within Israeli society While no one can deny Israel's Western women's advancements feminist filmmakers frequently turn to Israel's less impressive underbelly as sources for their inspiration Their films have focused on sexism the negative impact of militarism on women's experience rape culture prostitution and sexual abuse These films also tend to include subjects from society's geographical periphery and social margins such as female foreign workers women and refugees Warriors Witches Whores is divided into three major sections and each considers a different form of feminist engagement The first part explores films that situate women in traditionally male spheres of militarism considering the impact of interjecting women within hegemonic spaces or reconceptualizing them in feminist ways The second part recovers the narratives of women's experience that were previously marginalized or

silenced thereby creating a distinct female space that offers new kinds of storytelling and cinematic aesthetics that reflect feminist expressions of identity The third part offers examples of feminist activism that reach beyond the boundaries of the film to comment on social issues This section demonstrates how feminists use film and work within the film industry in order to position women in society While there are thematic overlaps between the chapters each section marks structural differences in the modes of feminist response Warriors Witches Whores considers the ways social and political power have affected the representation of women and looks to how feminist filmmakers have fought against these inequities behind the camera and in the stories they tell Students and scholars of film gender or cultural studies will appreciate this approachable monograph

Gender and Witchcraft Brian Paul Levack, 2001 [Constructing Adolescence in Fantastic Realism](#) Alison Waller, 2010-12-22 *Constructing Adolescence in Fantastic Realism* examines those fundamental themes which inform our understanding of the teenager themes that emerge in both literary and cultural contexts Models of adolescence do not arise solely from discourses of psychology sociology and education Rather these models frameworks including developmentalism identity formation social agency and subjectivity in cultural space can also be found represented symbolically in fantastic tropes such as metamorphosis time slip hauntings doppelgangers invisibility magic gifts and witchcraft These are the incredible supernatural and magical elements that invade the everyday and diurnal world of fantastic realism In this original study Alison Waller proposes a new critical term to categorize a popular and established genre in literature for teenagers young adult fantastic realism Though fantastic realism plays a crucial part in the short

history of young adult literature up until now this genre has typically been overlooked or subsumed into the wider class of fantasy Touching on well known authors including Robert Cormier Melvin Burgess Gillian Cross Margaret Mahy K M Peyton and Robert Westall as well as previously unexamined writers Waller explores the themes and ideological perspectives embedded in fantastic realist novels in order to ask whether parallel realities and fantastic identities produce forms of adolescence that are dynamic and subversive One of the first studies to deal with late twentieth century fantastic literature for young adults this book makes a valuable contribution to our understanding of adult attitudes toward adolescent identity
