

# A Political Sexual Revolution: Sexual Autonomy in the British Women's Liberation Movement in the 1970s and 1980s

## Abstract

In the 1970s and 1980s, women across Britain—particularly those in the Women's Liberation Movement (WLM)—took part in a distinct sexual revolution fuelled by a very specific question—who gets to determine the ways in which I am sexual? The active engagement by women with this question of sexual selfhood belies a historiography of sexual revolution—real or imagined—in which women were the passive beneficiaries (or victims) of technological, cultural, religious, social and/or, economic shifts. Drawing on the writing of women in the feminist press, mainstream media, books, and pamphlets, this article describes the specific contribution of the WLM to shaping new possibilities for a sexuality defined, and controlled, by women. I argue that the WLM combined a powerful political framework with an influential social network to significantly contribute to a far-reaching process of deconstructing and recasting female sexuality and sexual relations.

'Not long ago I made the intellectual decision to become bisexual', 25-year-old London resident Linda told *Guardian* reporter Lindsay Mackie in 1973.<sup>1</sup> Separated from her husband and in love with a man at the time of her interview, Linda continued: 'I am in a bit of a state of flux with this new-found independence but I feel amazingly self-contained.'

\* emma.wallhead@sydney.edu.au. Many thanks to Chris Hilliard for his insightful feedback. I am also very grateful to Florence Sutcliffe-Braithwaite for asking astute questions on an early draft, together with the anonymous reviewers whose criticisms and suggestions considerably improved this article.

<sup>1</sup> In an account by Lindsay Mackie, 'Guardian miscellany', *The Guardian* (29 November 1973), 11.

# Sexual Revolution Opposing Viewpoint

**John Albert Murley**

## **Sexual Revolution Opposing Viewpoint:**

Opposing Viewpoints Sources Bruno Leone, David L. Bender, 1984      **Sexual Revolution in Bolshevik Russia** Gregory Carleton, 2010-06-15 Gregory Carleton offers a comprehensive literary and cultural history of sex and society in the Soviet Union during the 1920s The Bolshevik Revolution promised a total transformation of Russian society down to its most intimate details But in the years immediately following 1917 it was by no means clear how this would come about Sex and sexuality became a crucial battleground for debates about the Soviet future and literature emerged as a primary domain through which sex could be imagined and discussed Despite optimistic claims that bolshevism would overcome bourgeois depravity the writings of the 1920s in all genres were awash in sexual adventure promiscuity various chauvinisms date and gang rape unwanted pregnancy and sexually transmitted diseases as well as sex related alcohol abuse depression and suicide In discussions about sex party officials contradicted themselves sociologists grappled with difficult social problems and writers experimented in fictional form with modern identities and relationships Drawing on an uncommonly varied body of sources including novels journals diaries sociological research public health brochures surveys and party documents many examined here for the first time in English Carleton reveals the dramatic bizarre and intriguing ways the sexual revolution was discussed and represented Amidst this chaos he discerns a historical process of codification and reaction leading ultimately to the quelling of debate in the 1930s through the harsh dictates of Stalinism **Sexual Revolution in Bolshevik Russia** challenges Western writers who portray revolutionary Russia as either prudish or hedonistic by reconstructing a fuller picture of what circulated in Bolshevik culture and why Carleton brings a complex human dimension to the subject demonstrating that this controversy should not be viewed as a sideshow curiosity but rather as a central aspect of the dramatic debates on early Soviet literature and culture      **Social and Sexual Revolution** Bertell Ollman, 1979 The author of *Alienation* extends his original approach to social theory in this discussion of Marx's view of socialism class analysis and the problem of socialist consciousness and Wilhelm Reich's contributions to the psychology of social change      *Victoria Woodhull's Sexual Revolution* Amanda Frisken, 2004-05-10 Annotation Frisken examines the life social campaigning of the flamboyant Victoria Woodhull the first woman to run for the US presidency a leading advocate for women's rights Woodhull used political theatrics to bring the subject of female sexuality before a reluctant American public      **Taking Sex Differences Seriously** Steven E. Rhoads, 2010-05 Most discussions of sexuality today assume that differences between men and women are insubstantial and that the boundary between the masculine and the feminine is highly porous To reflect the idea that male and female roles have been socially constructed they speak of gender instead of sex and ridicule the double standard of studs and sluts Because men and women are virtually interchangeable it is argued men should do an equal share of domestic work so that women can compete equally with men outside the home This vision of androgyny has compelling aspects But Dr Steven Rhoads finds one problem whatever we might like to believe sex distinctions remain a deeply rooted

part of human nature In *Taking Sex Differences Seriously* he assembles a wealth of scientific evidence showing that these differences are hardwired into our biology They range from the subtle women instinctively carry babies on their left side near the maternal heartbeat to the profound women with higher testosterone levels are more promiscuous more competitive and more conflicted about having children Rhoads explores male female disparities in aggression and dominance in sexuality and nurturing He shows how denial of these differences has affected phenomena such as the sexual revolution and fatherless families and policies such as Title IX and the call for universal day care But he also says that society is improved by discouraging some natural tendencies like men s temptation toward predatory sex and encouraging others like women s greater interest and talent in caring for babies Steven Rhoads dispels social clichés and spotlights biological realities in this provocative book Meticulously researched and elegantly written *Taking Sex Differences Seriously* is a groundbreaking look at the way we are

*The Weatherwomen* Mona Rocha, 2020-02-14 Assertive tough and idealistic the Weatherwomen members of the Weather Underground Organization WUO from the late 1960s were determined to stamp out sexism and social injustice They asserted that militancy was necessary in the pursuit of a socialist revolution that would produce gender racial and class equality This book excavates their long buried history and reclaims the voices of the Weatherwomen The Weatherwomen s militant feminism had many facets It criticized the role of women in the home was concerned with the subordination of women to men attacked the gender pay gap and supported female bodily integrity The Weatherwomen also refined their own feminist ideology into an intersectional one that would incorporate multiple identity perspectives beyond the white American middle class perspective In shaping a feminist vision for the WUO the Weatherwomen dealt with sexism within their own organization and were dismissed by some feminist groups of the time as inauthentic This work strives to recognize the WUO s militant feminist efforts and the agency autonomy and empowerment of its female members by concentrating on their actions and writings

*Leo Strauss and His Legacy* John Albert Murley, 2005-01-01 With over 10 000 entries identifying work of hundreds of Strauss s students and their students students this bibliography is the most indeed the only comprehensive guide to published writing in the tradition of Leo Strauss Murley includes Strauss s own complete bibliography and that of one of his most revered students George Anastaplo

*The Long Sexual Revolution* Hera Cook, 2004-02-05 In this book Hera Cook traces the path of sexuality in England and shows how its route was determined by the gradual exertion of control over fertility Most sexual activity had major economic and social costs the most fundamental of which was the physical cost of children upon women s bodies Around 1800 birth rates reached historical heights Using a combination of demographic and qualitative sources Dr Cook examines the connection between the struggle to lower fertility and the increasing repression of sexuality throughout the nineteenth century Contraception became a viable option in the early twentieth century The book charts the resulting slow relaxation of attitudes to sexuality and the remaking of heterosexual physical behaviour culminating in the sexual revolution of the 1960s

**Different but Equal** Kay

Payne,2001-02-28 This study presents a theoretical and practical discussion of the changes that have occurred between men and women and how the sexes relate to one another from social political and ethical perspectives Not only do men and women reflect different gender roles through communication but they are also impacted by communication about gender especially from the media Gender differences in communication have gained political importance due to the increasingly relevant issues of sexual harassment and political correctness These social and political changes have influenced our value systems and have given the study of gendered communication an ethical importance Payne argues that religious ideology is an important aspect of gendered development and that biological psychological social and cultural phenomena also affect sex roles This volume will appeal to scholars and students in the communications disciplines as well as psychologists and sociologists Organized around three major themes the construction of the gendered self the differences between men and women as they relate to one another through language power and nonverbal communication and the effects of gendered communication in leadership and the media this work covers much ground on the topic of communication between the sexes

*Slut-Shaming, Whorephobia, and the Unfinished Sexual Revolution* Meredith Ralston,2021-06-16 The sexual revolution is unfinished A sexual double standard between men and women still exists and society continues to punish bad girls and reward good ones Until we eliminate good girl privilege and bad girl stigma women will not be fully free to embrace their sexuality In *Slut Shaming Whorephobia and the Unfinished Sexual Revolution* Meredith Ralston looks at the common denominators between the MeToo movement the myths of rape culture and the pleasure gap between men and women to reveal the ways that sexually liberated women threaten the patriarchy Weaving in history pop culture philosophy interviews with sex workers and personal anecdotes Ralston shows how women cannot achieve sexual equality until the sexual double standard and good girl bad girl binary are eliminated and women viewed by society as whores are destigmatized Illustrating how women s sexuality is policed by both men and women she argues that women must be allowed the same personal autonomy as men the freedom to make sexual decisions for themselves to obtain orgasm equality and to insist on their own sexual pleasure Dispelling the myth that all sex workers are victims and all clients are violent *Slut Shaming Whorephobia and the Unfinished Sexual Revolution* calls out Western society s hypocrisy about sex and shows how stigma and the marginalization of sex workers harms all women

**Senior High Core Collection** Raymond W. Barber,Patrice Bartell,2007 Features annotations for more than 6 200 works in the main volume 2007 and more than 2 400 new titles in three annual supplements published 2008 through 2010 New coverage of biographies art sports Islam the Middle East cultural diversity and other contemporary topics keeps your library s collection as current as today s headlines

**The Clitoris Compendium: Uncovering Pleasure, Health, and Anatomy** Helen Wright, The clitoris is a powerful yet often misunderstood part of female anatomy The *Clitoris Compendium* explores its anatomy purpose and role in sexual health offering insights into pleasure sensitivity and care This book is perfect for those looking to deepen their understanding of this

vital part of female sexuality      **An Analysis of Michel Foucault's The History of Sexuality** Rachele Dini, Chiara Briganti, 2017-07-12 Michel Foucault is famous as one of the 20th century's most innovative and wide-ranging thinkers. The qualities that made him one of the most read and influential theorists of the modern age find full expression in *History of Sexuality*, the last project Foucault was able to complete before his death in 1984. Central to Foucault's appeal is the creativity of his thought. Creative thinking takes many forms, from redefining an issue in a novel way to making unexpected and illuminating connections. Foucault's particular talent could perhaps best be described as turning questions inside out. In the case of sexuality, for instance, his interpretation of the historical evidence led him to argue that the sexual categories that we are used to—homosexual, lesbian, straight, and so on—are not natural but constructs that are products of the ways in which power and knowledge interact in society. Such categories, Foucault continues, actually serve to produce the desires they seek to name. And their creation in turn is closely linked to the power that society exerts on those who belong to different sexual groups. Foucault's ideas, familiar now, were so novel in their time that they proved highly challenging. But to see the world through Foucault's thought is to see it in a profoundly different and illuminating way, an example of creative thinking at its best.

**Have Sexual Values Changed in America?** David L. Bender, 1989      [American Women's History](#) Glenna Matthews, 2000-05-25 An encyclopedia of American women's history, this comprehensive reference book features in-depth articles on trends, e.g., birthrates, suburban growth, social movements, civil rights, feminism, ideas and concepts, domesticity, consciousness-raising, institutions, Children's Bureau, women in Congress, organizations, Girl Scouts of America, League of Women Voters, events, American Revolution, issues, abortion, Equal Rights Amendment, key legal cases, *Roe v. Wade*, *Muller v. Oregon*, laws and constitutional amendments, documents and publications, *Ramona*, Declaration of Sentiments, ethnic and social groups, African American women, Latinas, overviews, women's health, women in music and literature, and biographies of notable American women. This Companion is a perfect supplement to *The Young Oxford History of Women in the United States*. Oxford's Student Companions to American History are state-of-the-art references for school and home, specifically designed and written for ages 12 through adult. Each book is a concise but comprehensive A to Z guide to a major historical period or theme in U.S. history, with articles on key issues and prominent individuals. The authors, distinguished scholars well known in their areas of expertise, ensure that the entries are accurate, up to date, and accessible. Special features include an introductory section on how to use the book, further reading lists, cross-references, chronology, and full index.

[The Fire and the Rose](#) Bud Harris, 2024-04-15 Our encounters with love, spirituality, and sexuality play a major role in shaping who we are. These powerful aspects of our lives are woven into the pattern that forms our potential for wholeness. Through growing consciousness, sexuality and spirituality can support our efforts to live more passionately and to understand love in all of its forms. In this stimulating and inspiring book, Jungian Analyst Bud Harris, Ph.D., challenges us to reconsider our views of spirituality and sexuality as opposites and bring them into harmony and creativity. He encourages that together we can heal

one of our culture's great wounds of the soul Bud Harris addresses the neurotic split between divinity and the body between spirit and matter and proffers a path of reconciliation and reclamation of sexuality as a vital link to a fuller expression of spirit Full of personal confession case examples and exercises this work offers both theoretical and practical tips to personal and cultural healings James Hollis Ph D Jungian analyst author *Finding Meaning In The Second Half of Life* I have read *The Fire and the Rose* three times now and find something fresh and necessary to my life in each reading Dr Harris is generous with his personal history widely read and deeply involved in the human journey He is a healer in words and stories Gail Godwin Ph D novelist author of *Father Melancholy's Daughter* and *Glass People* When life becomes stagnant and congealed most often sexuality brings a new crisis fraught with the high cost and great promise of the fire of the numinous The desire that seems to be wrecking our lives may well be the Self awakening us to Soul and the Divine The choice Harris proposes is dead soul addiction or discovering those questions that keep us alive and thirsty Rev Dr Bill Dols creator and editor of *The Bible Workbench* and coauthor *Finding Jesus Discovering Self Passages to Healing and Wholeness* A deeply soulful book written from the heart filled with wisdom intimate personal sharing challenging questions and insights into the wonders and mysteries of sexuality and spirituality This book is significant for all of us and a timely resource for psychotherapists and spiritual directors I can't wait to share this book with others especially my clients Gail Vaughn Rogers M A psychotherapist Bud Harris invites the reader to meander in the labyrinth of the Self and there to engage with one's particular monster His wise counsel to live the paradox of freedom through honest engagement with the shadow is the Ariadne thread of a mature anima John Beebe MD Jungian analyst author *Integrity in Depth* Bud Harris sees spirituality as the driving force that moves us into a life connected to something greater than ourselves and desire as awakening of the soul ridding us of fear and nourishing us during our lifelong journey of becoming He suggests solutions to journal to record dreams and to understand metaphor in religion literature and myth as a source of wisdom He challenges us to create joyful passionate and meaningful lives Charlotte Mathes PhD Jungian analyst author *And a Sword Shall Pierce Your Heart* Dr Bud Harris explores with humility and wisdom the tension spirituality and sexuality brings to individuals couples and societies He has added points of discussion at the end of several chapters as well as helpful guidelines in dealing with dreams I highly recommend this book Tess Castleman MA LPC Jungian analyst author *Threads Knots Tapestries*

**Aspects of Population Growth Policy** United States. Commission on Population Growth and the American Future, 1972 *The Oxford Handbook of U.S. Women's Social Movement Activism* Holly J. McCammon, Verta Taylor, Jo Reger, Rachel L. Einwohner, 2017-05-05 Over the course of thirty seven chapters including an editorial introduction this handbook provides a comprehensive examination of scholarly research and knowledge on a variety of aspects of women's collective activism in the United States tracing both continuities and critical changes over time Women have played pivotal and far reaching roles in bringing about significant societal change and women activists come from an array of different demographics backgrounds and perspectives including those that are

radical liberal and conservative The chapters in the handbook consider women s activism in the interest of women themselves as well as actions done on behalf of other social groups The volume is organized into five sections The first looks at U S Women s Social Activism over time from the women s suffrage movement to the ERA radical feminism third wave feminism intersectional feminism and global feminism Part two looks at issues that mobilize women including workplace discrimination reproductive rights health gender identity and sexuality violence against women welfare and employment globalization immigration and anti feminist and pro life causes Part three looks at strategies including movement emergence and resource mobilization consciousness raising and traditional and social media Part four explores targets and tactics including legislative forums electoral politics legal activism the marketplace the military and religious and educational institutions Finally part five looks at women s participation within other movements including the civil rights movement the environmental movement labor unions LGBTQ movement Latino activism conservative groups and the white supremacist movement

**In Search of Common Ground on Abortion** Robin West,Justin Murray,Meredith Esser,2016-05-23 This book brings together academics legal practitioners and activists with a wide range of pro choice pro life and other views to explore the possibilities for cultural philosophical moral and political common ground on the subjects of abortion and reproductive justice more generally It aims to rethink polarized positions on sexuality morality religion and law in relation to abortion as a way of laying the groundwork for productive and collaborative dialogue Edited by a leading figure on gender issues and emerging voices in the quest for reproductive justice a broad concept that encompasses the interests of men women and children alike the contributions both search for common ground between opposing positions in our struggles around abortion and seek to bring balance to these contentious debates The book will be valuable to anyone interested in law and society gender and religious studies and philosophy and theory of law

### **Sexual Revolution Opposing Viewpoint Introduction**

In today's digital age, the availability of Sexual Revolution Opposing Viewpoint books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sexual Revolution Opposing Viewpoint books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sexual Revolution Opposing Viewpoint books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sexual Revolution Opposing Viewpoint versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sexual Revolution Opposing Viewpoint books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sexual Revolution Opposing Viewpoint books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sexual Revolution Opposing Viewpoint books and manuals is Open

Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sexual Revolution Opposing Viewpoint books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sexual Revolution Opposing Viewpoint books and manuals for download and embark on your journey of knowledge?

### FAQs About Sexual Revolution Opposing Viewpoint Books

**What is a Sexual Revolution Opposing Viewpoint PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sexual Revolution Opposing Viewpoint PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sexual Revolution Opposing Viewpoint PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sexual Revolution Opposing Viewpoint PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I**

**password-protect a Sexual Revolution Opposing Viewpoint PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
