Are You Still Bothered by the Past? Anne Anderson, 2010-11 They say you're only as sick as your deepest secret and Anne Anderson a victim of unimaginable sexual abuse had plenty of them The product of a broken and

dysfunctional home Anderson's childhood was like something out of a nightmare leaving her abandoned molested manipulated drugged and even prostituted The closest thing to love that she experienced was offered with one condition that she'd agree to have sex Never mind that she was only twelve years old And never mind that the man was her only father figure a man who was supposed to protect and care for her Unsurprisingly she was left damaged and deeply scarred her pain and suffering extending far beyond the abuse itself For years she carried around the baggage of her past feeling emotionally empty and disconnected When she became a Christian she thought it was an immediate solution hoping that her newfound faith would make everything right But a lifetime of self sabotaging patterns weren't so easily broken So how does one move on from such trauma In *Are You Still Bothered by the Past* author Anne Anderson candidly shares her story of abuse as well as her personal recovery process Her inspirational message encourages other abuse victims showing that no matter the circumstances it is possible to rise above your past and find the hope healing and love you long for **Becoming Whole**
