New Feminist Stories of Child Sexual Abuse Paula Reavey, Sam Warner, 2003 Child sexual abuse is a multifaceted event interpreted in many different ways in many different contexts In *New Feminist Stories of Child Sexual Abuse* contributors try to untangle some of the complex ways in which stories of child sexual abuse are translated through and into personal professional and social politics The first section of the book explores the cultural and political landscape of child sexual abuse in Western and non Western contexts It examines the ways in which radical aspects of feminism can be undermined in Western cultures and how Westernised ideologies of childhood sex and gender have been used to structure discussions about child sexual abuse across the world The second section traces the effects of these wider cultural and political narratives through the various contexts in which child sexual abuse is theorised and around which interventions in the lives of women are structured It provides insights into how traditional approaches to understanding harm can be challenged and reworked in practice using alternative therapeutic models based on feminist post structuralist agendas Reworking earlier feminist analyses *New Feminist Stories of Child Sexual Abuse* asks pertinent questions about how child sexual abuse is produced rather than merely represented in the ways we speak about it

O'Donohue,James H. Geer,2013-12-16 The sexual abuse of children is now seen as an enormous problem first because there is an increasing awareness that it is more prevalent than previously thought and second because it gives rise to so many complex questions How is sexual abuse to be defined What are the effects of abuse How can the victim be helped How can abuse be prevented These two comprehensive volumes cover a wide spectrum of basic and applied issues Expert contributors including physicians attorneys psychologists philosophers social workers and engineers address such relevant topics as epidemiology animal models legal reforms feminist scholarship child pornography medical assessment and diverse models of psychotherapeutic intention *The Black Sheep of the Blue Family* Olive Elise,2024-06-19 After graduating at the top of my police academy class I was given the opportunity to put on a police uniform and serve those around me I had a blast Until the inevitable happened During that time I experienced what no person ever wants to go through sexual harassment and finally sexual assault by my own brothers in blue While I loved my line of work and I still do it nearly broke every fiber of my being for years Yet I believe that God is going to use that experience to help others heal My story is not over My dreams are not completed God still has a purpose for my life It has been a long journey It has taken many years to fully understand this from the trauma I faced as a police officer but God Through the sullen ashes of past trauma beauty will arise through the power of Christ My hope is that my story can raise awareness of sexual harassment in the workplace More so I hope every survivor of sexual assault can find true healing that only comes from God You may have a dark past but you can still have a bright future May you find your faith in God and a complete healing through my scars **Reset Your Heart** Ellen Stotts,2018-10-25 People all over the world suffer in silence Why Because they do not have any answers as to how to help themselves or deal with their unresolved pain They are either stuck in their physical emotional spiritual and sexual life or they are experiencing

a deficit in one or more of these four categories There are tried and proven solutions There are precepts a person can apply to their life that will lead them to freedom in all of these areas RESET YOUR HEART is not another self help book that makes empty promises and delivers no results On the contrary Following the principles outlined within its pages will set you free My own physical life was set in order and my emotional heart was freed from the pain I carried for years I have been liberated in my spiritual life and my sexual identity has been restored This is something I could previously only imagine If someone has experienced severe trauma in their life it would be helpful to also seek assistance from a trusted counselor However the principles that have been outlined in this book can be applied to help a person get on the right track My intent for writing this book is to instill hope for people of all ages and stages of life and to encourage them to RESET THEIR HEARTS and live the abundant life God has promised
