Sexual Life:

Sex and the Sexual during People's Leisure and Tourism Experiences Neil Carr, Yaniv Poria, 2010-05-11 Sex and the sexual have for far too long been consigned to the dark corners by social scientists in general and tourism and leisure scholars in particular Sex and the Sexual During People's Leisure and Tourism Experiences seeks to begin to rectify this situation by bringing the position and nature of sex and the sexual into the light of academic debate As such this book is designed to highlight cross disciplinary emerging work on sex and the sexual in leisure and tourism and provide the readers with insights into this social realm It encompasses a broad array of sex related issues and tourism and leisure environments from across a variety of countries The book should appeal to researchers and students across the humanities and social sciences both for the value of the research in its own right and the ability of it to be used as a lens through which to view the position of sex and the sexual as well as tourism and leisure in today's world Overall it is argued that sex and the sexual should play a part in the academic discourse especially if we wish to describe what is actually happening out there as far as tourism and leisure are concerned

Mothers, Sex, And Sexuality Michelle Walks, Joani Mortenson, Holly Zwalf, 2020-06-01 Mothers Sex and Sexuality talks about things not normally dared spoken out loud the interconnectedness and conflict between our parental and sexual selves the taboo of the sexual mother and why it matters so much to shatter it What is it about the sexual mother that is incompatible and at times even disturbing Why are we threatened by maternal sexuality And what does this tell us about the structures of gender and power that govern our bodies Mothers Sex and Sexuality presents a rigorous academic analysis of the myriad ways in which the sexual maternal divide affects women birthing people and those of us who assume or are ascribed the title mother We examine the way we as mothers talk to our daughters about sex the way we talk about sex in a cultural context and the deafening silence around sex in a medical system that overlooks maternal sexuality We return repeatedly to the impact of both Christianity and Hinduism on the mother as someone to be revered but tightly controlled We embrace the lost eroticism of mothering and hail breastfeeding as a sexual maternal practice arguing for a new broader feminist understanding of sexuality We discuss the way fat mothers destabilise the heteronormative maternal model the way kinky queers are reconfiguring the sexual maternal divide through erotic role play and we explore the strange intense and romantic domestic relationship that springs up between mothers and nannies two heterosexual women trapped together in a homoerotic triangulation of need and desire In a titillating climax we revel in the sexual maternal as embodied through performance art poetry installations and comedy disrupting queer readings of bodies as we are invited to both fuck and fuck with the maternal This book boldly provides both a challenge to the patriarchal constraints of motherhood and a racy road map escape route out of the sexual maternal dichotomy

The Psychoanalysis of Sexual Functions of Women Helene Deutsch, 2018-11-09 This book discusses the problems of the sexual life of woman throughout the duration of her sexual maturity i.e. from the beginning of puberty onwards It reports all the new insights into

the mental life of woman in her relations to the reproductive function with the aid of the analytic method The Sexual Life Charles William Malchow,1923

Sex and Love in Porfirian Mexico City Michael Matthews,2025-05-06 Exploring the sexual lives of the poor and working class in turn of the century Mexico This social history explores the romantic and sexual lives of the poor and working class in Mexico City during the rule of dictator Porfirio D az from 1876 to 1911 By analyzing sexually based crime cases and stories in the penny press Michael Matthews sheds light on everyday struggles joys and desires Matthews argues that lower class individuals had more liberated sexual lives than their wealthier counterparts influenced by the city s growth and cultural changes In this book Matthews examines how Mexico City s expanding infrastructure increasing factory work and new leisure and entertainment activities shaped courtship and sexual practices He delves into the world of tenement buildings and street life to reconstruct days defined by love and desire romance and rape seduction and sex work and promises kept and broken Matthews connects the sexual culture of the poor to the changes taking place as the Mexican state modernized and underwent tremendous capitalist growth and development Sex and Love in Porfirian Mexico City provides insights into how social and economic developments shaped cultural norms surrounding honor marriage morality and parental authority during this period It will spur new reflections on the possible influence of lower class culture on modern day romance and sexual values

Dirt, Greed and Sex William Countryman,2013-01-25 Conducting a thorough examination of sexual ethics in the New Testament this work argues that the New Testament writers did not construct a new sexual ethic from the ground up but took over existing cultural patterns and refocused them pushing some elements from the centre to the periphery This suggests a pattern of ethics for contemporary life Discussing biblical notions of purity and property which dominate ethical ideas in the New Testament the author characterizes sex as one of the rich blessings of creation to be received with delight and thanksgiving Countryman s generous and eirenic views on sexual matters based as they are on solid biblical research are a welcome intervention in an area which unfortunately in Christian circles tends still to be dominated by conservatism and misinformation rather than by liberal principle

Human Sexuality Vern L. Bullough,Bonnie Bullough,2014-01-14 First Published in 1994 The purpose of an encyclopedia is to gather in one place information that otherwise would be difficult to find Bring together a collection of articles that are authoritative and reflect a variety of viewpoints The contributors come from a wide range of disciplines from nursing to medicine from biology to history and include sociologists psychologists anthropologists political scientists literary specialists academics and non academics clinicians and teachers researchers and generalists

Sex, Freedom, and Power in Imperial Germany, 1880-1914 Edward Ross Dickinson,2014-02-17 This is a study of debate over sexuality and sexual morality that roiled politics in Germany between 1880 and 1914 All parties involved understood it to be a debate over the most fundamental question of modern political life how to secure both national power and individual freedom in the context of rapid social and cultural change

Studies in the Psychology of Sex v6 Havelock Ellis,2015-11-07 A man s sexual nature like all else that

is most essential in him is rooted in a soil that was formed very long before his birth In this as in every other respect he draws the elements of his life from his ancestors however new the recombination may be and however greatly it may be modified by subsequent conditions A man s destiny stands not in the future but in the past That rightly considered is the most vital of all vital facts Every child thus has a right to choose his own ancestors Naturally he can only do this vicariously through his parents It is the most serious and sacred duty of the future father to choose one half of the ancestral and hereditary character of his future child it is the most serious and sacred duty of the future mother to make a similar choice 1 In choosing each other they have between them chosen the whole ancestry of their child They have determined the stars that will rule his fate In the past that fateful determination has usually been made helplessly ignorantly almost unconsciously It has either been guided by an instinct which on the whole has worked out fairly well or controlled by economic interests of the results of which so much cannot be said or left to the risks of lower than bestial chances which can produce nothing but evil In the future we cannot but have faith for all the hope of humanity must rest on that faith that a new guiding impulse reinforcing natural instinct and becoming in time an inseparable accompaniment of it will lead civilized man on his racial course Just as in the past the race has on the whole been moulded by a natural and in part sexual selection that was unconscious of itself and ignorant of the ends it made towards so in the future the race will be moulded by deliberate selection the creative energy of Nature becoming self conscious in the civilized brain of man This is not a faith which has its source in a vague hope The problems of the individual life are linked on to the fate of the racial life and again and again we shall find as we ponder the individual questions we are here concerned with that at all points they ultimately converge towards this same racial end Since we have here therefore to follow out the sexual relationships of the individual as they bear on society it will be convenient at this point to put aside the questions of ancestry and to accept the individual as with hereditary constitution already determined he lies in his mother s womb

Family-Oriented Primary Care Susan H.

McDaniel,Thomas L. Campbell,Jeri Hepworth,Alan Lorenz,2005-12-06 The first edition helped bring the family approach to health care into the medical mainstream This new edition like the first provides health care professionals with a practical guide to working with and treating both the individual patient and the family Tackling challenging and emerging issues such as AIDS and the family race and gender child abuse and domestic violence in addition to pregnancy child behavior and chronic illness this volume is sure to be an indispensable guide for primary care providers

The Book of Minor Perverts

Benjamin Kahan,2019-02-05 Shortlisted for the Modernist Studies Association Book Prize Statue fondlers wanderlustlers sex magicians and nymphomaniacs the story of these forgotten sexualities what Michel Foucault deemed minor pervers has never before been told In The Book of Minor Perverts Benjamin Kahan sets out to chart the proliferation of sexual classification that arose with the advent of nineteenth century sexology The book narrates the shift from Foucault s thousand aberrant sexualities to one homosexuality The focus here is less on the effects of queer identity and more on the lines of

causation behind a surprising array of minor perverts who refuse to fit neatly into our familiar sexual frameworks The result stands at the intersection of history queer studies and the medical humanities to offer us a new way of feeling our way into the past

Love Is Blind William Boyd,2018-10-09 When he is hired as the personal piano tuner for a brilliant pianist Brodie Moncur suddenly finds himself swept up into a life of luxury that he could never have imagined But while accompanying his new employer on tours from Paris to St Petersburg Brodie falls madly in love with the Russian soprano Lika Blum beautiful worldly seductive and forbidden Though seemingly doomed from the start Brodie s passion for Lika only grows as their lives become increasingly more intertwined more secretive and finally more dangerous A tale of dizzying passion and brutal revenge of artistic endeavor and the illusions it can create of the possibilities that life offers and the cruel speed with which they can be snatched away Love Is Blind is a dazzling work of historical fiction that unfolds across fin de si cle Europe

Ambiguous Pleasures Rachel Spronk,2012-05-01 Among both male and female young urban professionals in Nairobi sexuality is a key to achieving a modern identity These young men and women see themselves as the avant garde of a new Africa while they also express the recurring worry of how to combine an African identity with the new lifestyles with which they are experimenting By focusing on public debates and their preoccupations with issues of African heritage gerontocratic power relations and conventional morality on the one hand and personal sexual relationships intimacy and self perceptions on the other this study works out the complexities of sexuality and culture in the context of modernity in an African society It moves beyond an investigation of a health or development perspective of sexuality and instead examines desire pleasure and eroticism revealing new insights into the methodology and theory of the study of sexuality within the social sciences Sexuality serves as a prism for analysing how social developments generate new notions of self in postcolonial Kenya and is a crucial component towards understanding the way people recognize and deal with modern changes in their personal lives

Sexuality and the Sacred James B. Nelson,Sandra P. Longfellow,1994-01-01 This volume is rooted in two convictions first sexuality is far more comprehensive and more fundamental to our existence than simply genital sex and second sexuality is intended by God to be neither incidental nor detrimental to our spirituality but a fully integrated and basic dimension of that spirituality The authors address what our sexual experience reveals about God the ways we understand the gospel and the ways we read scripture and tradition and attempt to live faithfully

Science John Michels (Journalist),1925

Sex, Drugs and Creativity Dustin Kahoud,Danielle Knafo,2018-06-19 In Sex Drugs and Creativity The Search for Magic in a Disenchanted World Kahoud and Knafo take a close look at omnipotent fantasies in three domains sex drugs and creativity They demonstrate how these fantasies emerge and how artists draw on them both to create and destroy

sometimes simultaneously and how understanding this can help psychoanalysts work more effectively with these individuals Using the personal statements of influential artists and entertainers in addition to clinical material the authors examine the omnipotence of self destruction as it contends with that of creative artists The authors argue that creative artists use omnipotent fantasies to imagine the world differently this enables them to produce their art but also leaves these artists vulnerable to addiction Chapters devoted to Stephen King and Anne Sexton demonstrate the ways these authors used drugs and alcohol to fuel imagination and inspire creative output while simultaneously doing harm to themselves A detailed case study also demonstrates successful clinical work with a creative substance user Sex Drugs and Creativity will appeal to anyone interested in the links between creativity and substance use and will be of great use to psychoanalysts and mental health practitioners working with these challenging clients *The Varieties of Religious Experience* William James,1920

Sexual Life Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sexual Life has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sexual Life has opened up a world of possibilities. Downloading Sexual Life provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sexual Life has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sexual Life. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sexual Life. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sexual Life, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sexual Life has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
