## **Sexuality and Holy Longing: Second Edition**

Lisa Graham McMinn, 2019-03-05 In this newly revised edition of *Sexuality and Holy Longing* author Lisa Graham McMinn beautifully describes how people are created by God for relationship and our sexuality guarantees that we will long for and be drawn toward others. McMinn provides a blueprint for understanding sexuality and our longing to be loved at all stages of life: childhood, teen years, early adulthood, midlife, and old age. In the context of faith and a changing culture, she explores sexual awakenings, in adolescence, choices, opportunities, and challenges of single people, and mysteries of committed covenantal relationships. She addresses tough topics including reproductive issues, sexuality for those who are single, divorced, widowed, or never married, and in this new edition, LGBT issues and same-sex marriage. The author details practical solutions for ways that parents, educators, and churches can nurture others and ourselves in the quest to understand sexuality as a longing that draws us toward God and others and to embrace it as a God-given gift. Thought-provoking study questions at the end of each chapter inspire readers to reflection and action in reclaiming our sexuality through grace.

*Evidence-based Approaches to Sexuality Education* James J. Ponzetti, Jr., 2015-09-16 This is the first book to provide a multidisciplinary and global overview of evidence-based sexuality education (SE) programs and practices. Readers are introduced to the fundamentals of creating effective programs to prepare them to design new or implement existing programs that promote healthy sexual attitudes and relationships. Noted contributors from various disciplines critically evaluate evidence-based programs from around the globe and through the lifespan. Examples and discussion questions encourage application of the material. Guidance for those who wish to design, implement, and evaluate SE programs in various social contexts is provided. Each chapter follows a consistent structure so readers can easily compare programs: Learning Goals, Introduction, Conclusion, Key Points, Discussion Questions, and Additional Resources. The editor taught human sexuality and family life education courses for years. This book reviews the key information that his students needed to become competent professionals. Highlights of the book's coverage include: Interdisciplinary comprehensive summary of evidence-based SE programs in one volume; Prepares readers for professional practice as a Certified Family Life Educator (CFLE) or sex educator by highlighting the fundamentals of developing and implementing SE programs; Exposes readers to evidence-based SE programs from various social contexts including families, schools, communities, and religious institutions; Considers the developmental context of SE across the lifespan along with programs for LGBT individuals and persons with disabilities; Critically reviews SE programs from around the world including the US, Europe, Asia, Africa, Latin America, and other developing countries. The book opens with an historical overview. Part I focuses on general frameworks of sexuality education including UNESCO's International Technical Guidelines. How to develop, deliver, and implement evidence-based SE programs including ethical concerns are explored in Part II. Part III exposes readers to evidence-based programs in various social contexts: families,

schools communities and religious institutions Part IV considers the developmental context of SE from early childhood through adolescence and adulthood along with programs for LGBT individuals and persons with disabilities Part V examines diverse global contexts from the US Latin America Europe Asia Africa and other developing countries The book concludes with future trends and directions Ideal for graduate or advanced undergraduate courses in sex education sexual health human sexuality sex or marriage counseling intimate relationships family life education or home school and community services taught in human development and family studies psychology social work health education nursing education and religion and in seminaries and family clinics the book also serves as a resource for practitioners counselors researchers clergy members and policy makers interested in evidence based SE programs or those seeking to become CFLEs or sexuality educators

**Resources in Education**, 2000 **Sexuality, Society & Pedagogy** Dennis A. Francis, 2013-01-01 Sexuality Society and Pedagogy problematises some of the prevailing assumptions that frame this area of study In doing so it aims to make visible the challenges of teaching sexuality education in South African schools while demonstrating its potential for reshaping our conceptions of the social and cultural representations thereof Although the book is largely situated in experiences and perspectives within the South African context it is hoped that the questions raised reflections analyses and arguments will contribute to thinking about sexuality education in diverse contexts in particular more developing contexts

*Sex Education* Philip Meredith, 2024-11-01 In the book Sex Education first published in 1989 Philip Meredith focuses upon the British situation to investigate the political management of school sex education The author presents new insights into the problems of state provision of an aspect of education which many feel should be the exclusive domain of parents He explores the hidden political dynamics which dictate and influence the moral debate over the theory and practice of sex education and argues for a more rational involvement of government in resolving the problems of practice The book includes comparative details of political management and curriculum design drawn mainly from Sweden Denmark the Federal

Republic of Germany Poland and Belgium which clarifies or provides alternatives to the British handling of the subject Basing his recommendations on these examples of more constructive management of sex education Philip Meredith challenges the government to take a more positive role by delegating policy decision making in this area to a nationally representative independent and authoritative body of experts whose deliberations the government would defend against minority moral interests who wield a disproportionate power
