Sexuality Your Sons And Daughters With Intellectual Disabilities

S. Jean Emans, Marc R. Laufer

Sexuality Your Sons And Daughters With Intellectual Disabilities:

Sexuality Karin Melberg Schwier, David Hingsburger, 2000-01-01 This warm and sympathetic book is designed to help parents build their children's self-esteem whether their children are prepubescent or already adults and educate them about sexuality and safety. It explains what to teach, when to teach, and how to teach. It addresses issues such as self-acceptance, values, privacy, appropriate behaviour, abuse, physical and emotional development in the teen years, relationships, marriage, and parenting. The authors introduce guides for individuals with disabilities and their parents whose experiences serve as examples throughout the book. These guides, as well as the authors' anecdotes and conversational tone, make information that is often presented awkwardly or not at all easily accessible to parents. The information and the stories that show how much is possible for young people regardless of their disabilities will help parents to accept their children's sexual development and to interact with their children in ways that will allow them to develop into confident, aware adults. The Handbook of Intellectual Disability and Clinical Psychology Practice Alan Carr, Christine Linehan, Gary O'Reilly, Patricia Noonan Walsh, John McEvoy, 2016-04-12 The Handbook of Intellectual Disability and Clinical Psychology Practice will equip clinical psychologists in training with the skills necessary to complete a clinical placement in the field of intellectual disability. Building on the success of the previous edition, this handbook has been extensively revised. Throughout the text, references and website addresses have been updated to reflect important developments since the publication of the first edition. Recent research findings on the epidemiology, aetiology, course, outcome, assessment, and treatment of all psychological problems considered in the book have been incorporated into the text. Account has been taken of changes in the diagnosis and classification of intellectual disability and psychological problems reflected in the AAIDD 11 and the DSM 5. New chapters on the assessment of adaptive behaviour and support needs, person-centred active support, and the assessment of dementia in people with intellectual disability have been added. The book is divided into eight sections. Section 1 covers general conceptual frameworks for practice, diagnosis, classification, epidemiology, and lifespan development. Section 2 focuses on assessment of intelligence, adaptive behaviour, support needs, quality of life, and the processes of interviewing and report writing. Section 3 covers intervention frameworks, specifically active support, applied behavioural analysis, and cognitive behaviour therapy. Section 4 deals with supporting families of children with intellectual disability, genetic syndromes, and autism spectrum disorders. Section 5 covers issues associated with intellectual disability, first evident or prevalent in middle childhood. Section 6 deals with adolescent concerns, including life skills training, relationships, and sexuality. Section 7 focuses on residential, vocational, and family-related challenges of adulthood and aging. Section 8 deals with professional issues and risk assessment. Chapters cover theoretical and empirical issues on the one hand and practice issues on the other. They close with summaries and suggestions for further reading for practitioners and families containing a member with an intellectual disability. Where appropriate, in many chapters, practice exercises to aid skills development have

been included The second edition of the Handbook of Intellectual Disability and Clinical Psychology Practice is one of a set of three volumes which cover the lion s share of the curriculum for clinical psychologists in training in the UK and Ireland The other two volumes are the Handbook of Child and Adolescent Clinical Psychology Third Edition by Alan Carr and the Handbook of Adult Clinical Psychology Practice Second Edition edited by Alan Carr Muireann McNulty Sexuality Education Elizabeth Schroeder,Judy Kuriansky,2009-04-30 An exemplary team of professionals provides a comprehensive look at sex education the heated debate over federal controls current research and practice programs politics legislation and cultural and religious issues related to sex and sexuality education In the groundbreaking Sexuality Education Past Present and Future the history practices and politics of sexuality education are explained Respected educators counselors and therapists marshal both research and educated opinion to offer insights into exactly what is meant by sex education what the various approaches are what age appropriate lessons are supported by most professionals and the impact of government policies Noting that the need for sexuality education has expanded to adults from new parents to senior citizens this unique work also takes readers into classrooms and makes them privy to conversations representing everyone from elementary school students to nursing home residents These comments reveal the range of unanswered questions about sex questions that are important for psychological as well as physical health In addition the contributors explore ongoing issues in sexuality education such as how to present culturally competent lessons that include consideration of race ethnicity gender religion and sexual orientation The experts also examine sexuality education in other countries the challenges those countries face and their victories over unplanned pregnancy and STDs in the global effort to preserve sexual health **Core Curriculum for Specializing in Intellectual and Developmental Disability** Wendy M. Nehring,2005 The first interdisciplinary text on health issues concerning persons of all ages with intellectual and developmental disabilities designed for the classroom

Emans, Laufer, Goldstein's Pediatric and Adolescent Gynecology S. Jean Emans,Marc R. Laufer,2019-10-14 Offering multidisciplinary guidance to all health care practitioners who provide clinical care for children and adolescents the 7th Edition of Emans Laufer Goldstein s Pediatric Adolescent Gynecology has been extensively revised to keep you up to date in this complex field You ll find comprehensive coverage of the full spectrum of medical and surgical approaches to common and uncommon problems everything from infants with vulvar rashes to the child with early or late onset of puberty to adolescents and young adults with ovarian cysts or STDs More than 40 experts in the field led by editors from Boston Children s Hospital and Harvard Medical School have contributed to ensure this classic text remains relevant and useful in daily practice *Sex, Youth, and Sex Education* David Campos,2002-04-23 An authoritative reference that discusses the history of sex education and its ramifications in the United States Community and school officials parents and educators often stay to the wee hours of the night at PTA meetings arguing about sex education and sexual behavior among young people While some groups preach abstinence and attempt to sign as many youngsters as possible to their rosters it remains a

fact that 50 percent of U S teenagers beginning at age 15 are sexually active Sex Youth and Sex Education is a wonderfully crafted resource that gives not only a statistical overview of sexual activity in schools but also examines sex education the scourge of sexual violence in schools and sexuality among selected groups of youngsters What emerges is a groundbreaking work for educators and students of sociology psychology and education This work brings to light the fascinating not to mention ubiquitous world of sexuality among today s youth and its impact on parents school personnel policymakers and society

Sexuality and Fertility Issues in Ill Health and Disability Rachel Balen, Marilyn Crawshaw, 2006-03-17 This groundbreaking text explores sexuality and fertility issues for young people living with ill health or disability This subject is often considered taboo although for some of those coping with sexual or fertility impairment it can be as difficult as coping with the disability or health condition itself Bringing together personal professional and academic perspectives from a variety of disciplines and located within a life course development framework this book takes a holistic view of young people moving towards adulthood and examines the impact of illness or disability on their sexual and fertile identities The broad range of chapters includes the experiences of minority ethnic groups managing relationships fertility preservation and treatment and the transition to parenthood Professionals working with adolescents and young adults will find this book a rich source of insights information and guidance

Working with Children with Sexual Behavior Problems Eliana Gil, Jennifer A. Shaw, 2013-09-30 Based on extensive clinical experience this book provides authoritative guidance and practical tools in a challenging area for child mental health professionals The authors explain the many possible causes of problem sexual behaviors and demonstrate assessment and treatment procedures that have been shown to work with 4 to 11 year olds and their families Four chapter length case examples illustrate how to integrate elements of cognitive behavioral therapy play and expressive therapies and family based approaches Helpful reproducible worksheets and forms can be downloaded and printed in a convenient 8 1 2 x 11 size

Teaching Children about Sex: Using the Temple as Your Guide Cherri Brooks, 2023-02-02 It s time for the talk Teach your children the truth about sexual intimacy in a world of shifting values and ideas With expert advice and age appropriate wording you learn how to use the temple as a beautiful analogy to discuss with your kids the sacred subject of sex Timely and clear this book is a must read for parents teachers and leaders

These Are Our Bodies, Foundation Book Leslie Choplin, Jenny Beaumont, 2016-08-01 Easily accessible theologically progressive mainline Christian Education resource on human sexuality Our inherent value and worth comes from God s love for us but our modern world is filled with sexual expression that too often leads us away from the life of Christ As Christians seeking to live a life worthy of our calling and desiring to pass along these values to our children and youth this book explores how we as parents and adults can explore issues of sexuality in the context of our faith A sexuality education resource from a mainline progressive denominational prospective aids the adult reader teacher parent in learning and using skills that enable them to embrace and affirm the wholeness of sexuality and to talk openly and honestly about the connection of sexuality and

faith This book grounded from a theological perspective focuses on foundational issues for addressing how we and why we are called to have these conversations in a faithful community to support families The importance of looking at one's sexuality throughout the lifespan through the lenses of decision making faith and daily life respect growth and change behavior responsibility values prayer and intentionality is explored offering a grounding as well as stand alone resource for individuals and churches to build upon

Talk Sex Today Saleema Noon, Meg Hickling, 2016-08-05 Not sure what or how much information to share with children and teens regarding sex and sexual health Do you fear what they might ask Or how to respond to their questions Or whether you even know the answers yourself Saleema Noon knows all about these fears and concerns An expert in sexual health education and stepparent to two teenage daughters herself she understands the challenges adults face when addressing sensitive topics with their kids In Talk Sex Today Noon delivers an intelligent and sensible blend of current inclusive and practical information for children and teens and the adults who love them Noon builds on the foundational work of iconic sexual health educator Meg Hickling and her bestselling Speaking of Sex books to offer adults a break through guide on teaching body science Together with a combined 40 years of experience Noon and Hickling broach a host of topics including gender identity and stereotypes sexual diversity sexual consent bullying and harassment fostering healthy body image internet safety managing media influence pornography sexual decision making teaching sexual health to children and teens with special needs Not afraid of controversy and firm in her belief that knowledge is power Noon's broadly inclusive approach shines with the affirmation that every person regardless of race religion age ability gender identity gender expression and sexual attraction deserves respect and the information that will keep them safe This is the ultimate guide to teaching children about sexual health and is ideal for educators and parents alike

The Fulton Special Education Digest Ann Worthington, 2013-11-19 This fully updated second edition is an essential reference book that contains a wealth of resources and practical information relating to the education and care of children with special educational needs Within its pages you will find an accessible jargon free overview of current SEN policies and how they affect parents teachers and children contact details of over 1 000 selected organizations charities and services that exist to help the child with special educational needs an extensive glossary of terms and medical conditions associated with special education pointers to useful resources on the Internet the names and addresses of Local Education Authorities all of which can provide information on inclusive schooling the names and addresses of over 1 800 special schools in the UK and advice on how to make links with other professionals to ensure all children with special educational needs are getting the attention to which they are entitled Any teacher teaching assistant parent or carer of a child or children with special educational needs will find this book a useful companion

Justice for Young Offenders Mary Vandergoot, 2006-03-01 Canada has a long history of using the criminal justice system to address social problems of youth in society Yet according to clinical psychologist Mary Vandergoot this approach has ignored that many so called juvenile delinquents may have developmental

disabilities mental health disorders fetal alcohol spectrum disorder or have been victims of violence or neglect Set against the backdrop of the Canadian Youth Criminal Justice Act this is an interdisciplinary approach with clinical examples and sample evaluations examining options for dealing with troubled youth social and emotional issues and the role of the various actors in youth justice including the psychologist Autism Spectrum Disorders Chantal Sicile-Kira, 2004-08-31 Based on nearly two decades of Chantal Sicile Kira's personal and professional experiences with individuals and families affected by this growing epidemic Autism Spectrum Disorders explains all aspects of the condition including The causes of autism spectrum disorders How to properly diagnose ASDs Treatments based on behavioral psychological and biomedical interventions Coping strategies for families Educational needs and programs Living and working conditions for adults with ASD Community interaction Teaching strategies and resources for educators and other professionals *Caring for Children With Neurodevelopmental Disabilities and Their Families* Claudia Maria Vargas, Patricia Ann Prelock, 2004-09-10 Children with neurodevelopmental disabilities such as mental retardation or autism present multiple challenges to their families health care providers and teachers Professionals consulted by desperate parents often see the problems from their own angle only and diagnosis and intervention efforts wind up fragmented and ineffective This book presents a model multidisciplinary approach to care family centered and collaborative that has proven effective in practice A pillar of the approach is recognition of the importance of performing culturally competent assessment and adjusting service delivery so that is responsive to cultural differences Detailed case stories illuminate the ways in which the approach can help children with different backgrounds and different disabilities Most chapters include study questions lists of resources and glossaries to facilitate easy comprehension by professionals with different backgrounds in special education communication sciences and disorders clinical and counseling psychology neuropsychology and psychiatry social work pediatrics and program administrators as well as students trainees and educated parents *Caring for Children With Neurodevelopmental Disabilities and Their Families* constitutes a crucial new resource for all those professionally and personally concerned with these children Practice Issues in Sexuality and Learning Disabilities Ann Craft, 2004-08-02 Practice Issues in Sexuality and Learning Disabilities explores the sexual behaviour of people with learning difficulties and addresses issues of concern such as sexual abuse HIV and AIDS service provision for those from ethnic minorities the development of policy guidelines and the implementation of such guidelines in this intensely personal area Ann Craft draws upon professional expertise from a broad range of backgrounds including social work psychology and medicine She offers practical ideas and suggestions for service responses which acknowledge and respect the right of people with learning disabilities to express their sexuality in ways that are valued by other members of their society Practice Issues in Sexuality and Learning Disabilities will be of interest to all whose work or relationship brings them into contact with people with learning disabilities professionals carers parents advocates It will be invaluable to social workers practitioners in social work and health trainees training officers and

voluntary organizations **Adolescents on the Autism Spectrum** Chantal Sicile-Kira, 2006-02-28 From the award winning author of Autism Spectrum Disorders comes Adolescents on the Autism Spectrum a complete guide to the cognitive emotional social and physical needs of preteens and teenagers with autistic disorders ranging from the relatively mild Asperger's Syndrome to more severe ability impairment Using clear examples practical advice and supportive insights this book covers Health risks such as seizures and depression Treatments therapies and teaching strategies Teaching skills to cope with puberty self care and social skills Teenage emotions sexuality appropriate relationships and dating Middle school high school and developing an Individual Educational Program Preparing for life after high school The Complete Guide to Creating a Special Needs Life Plan Hal Wright, 2013-07-28 This comprehensive guide explains how to create a life plan for an individual with special needs to ensure they have the best possible future The author offers knowledgeable advice and practical information on creating circles of support employment and residential options government programs financial and legal considerations and much more **Sex + Faith** Kate Ott, 2013-01-01 Talking with your child about sex can be scary Sex Faith helps parents incorporate their faith values with sexual information so they can answer questions discuss sexuality at each stage of childhood and show support of sexual differences Section one explains how faith relates to sexuality and the essential role parents play in forming healthy faithful sexually educated children The second section designates a chapter for four age groupings of children from infancy through high school Each chapter explains the biological and developmental issues of the age answers questions children tend to have provides relevant Biblical and faith stories helpful to discuss with children of that age and lists five to ten key educational issues for parents to keep in mind Shaded text boxes are interspersed throughout the book with real life practical questions that parents and children ask Expertly written by Kate Ott Sex Faith is an easy to use reference guide for parents of kids of all ages Intimate and Personal Care with People with Learning Disabilities Steven Carnaby, Paul Cambridge, 2006 This book examines aspects of care such as training ethnicity sexuality and competence in practice Topics include the nature of touch how physical contact is intended and experienced carers duty of care and risk management The book also explores management considerations of best value care standards performance monitoring and inspection

Unveiling the Energy of Verbal Art: An Psychological Sojourn through **Sexuality Your Sons And Daughters With Intellectual Disabilities**

In a global inundated with displays and the cacophony of fast conversation, the profound energy and psychological resonance of verbal art frequently fade in to obscurity, eclipsed by the constant barrage of sound and distractions. However, nestled within the lyrical pages of **Sexuality Your Sons And Daughters With Intellectual Disabilities**, a captivating perform of fictional beauty that impulses with natural feelings, lies an memorable journey waiting to be embarked upon. Composed by a virtuoso wordsmith, this enchanting opus guides viewers on a mental odyssey, delicately exposing the latent possible and profound influence stuck within the complicated internet of language. Within the heart-wrenching expanse of this evocative analysis, we can embark upon an introspective exploration of the book is key subjects, dissect its interesting publishing model, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
