*The Shade of Swords* M.J Akbar, 2002-05-03 From Muhammed to the Ottoman empires and the modern struggle for Palestine Akbar's story explains how Jihad thrives on complex and shifting notions of persecution victory and sacrifice and the Muslim control over this phenomenon *The Shade of Swords* M. J. Akbar, 2002 M J Akbar an Indian journalist and author traces the origins of Jihad in the struggle against oppression that was part of the earliest consciousness of Muslims Travelling across centuries and continents from the triumphant rise of Islam under the Prophet Muhammad to the depression of defeat in the first Crusade through the renewal of Saladin to the rise and fall of the Ottoman and Mughal empires and the raw passions of Afghanistan and the Indian subcontinent Akbar's gripping story explains how Jihad thrives on complex and shifting notions of persecution victory and sacrifice **The Qur'an in Christian-Muslim Dialogue** Corrie

Block, 2013-10-08 Offering an analysis of Christian Muslim dialogue across four centuries this book highlights those voices of ecumenical tone which have more often used the Qur'an for drawing the two faiths together rather than pushing them apart and amplifies the voice of the Qur'an itself Finding that there is tremendous ecumenical ground between Christianity and Islam in the voices of their own scholars this book ranges from a period of declining ecumenism during the first three centuries of Islam to a period of resurging ecumenism during the most recent century until now Among the ecumenical voices in the Christian Muslim dialogue this book points out that the Qur'an itself is possibly the strongest of those voices These findings are cause for and evidence of hope for the Christian Muslim relationship that although agreement may never be reached dialogue has led at times to very real mutual understanding and appreciation of the religious other Providing a tool for those pursuing understanding and mutual appreciation between the Islamic and Christian faiths this book will be of interest to scholars and students of Islam the Qur'an and the history of Christian Muslim relations **Islamism and**

**Intelligence in South Asia** Prem Mahadevan, 2018-05-10 State sponsorship of terrorism is a complex and important topic in today's international affairs and especially pertinent in the regional politics of the Middle East and South Asia where Pakistan has long been a flashpoint of Islamist politics and terrorism In *Islamism and Intelligence in South Asia* Prem Mahadevan demonstrates how over several decades radical Islamists sometimes with the tacit support of parts of the military establishment have weakened democratic governance in Pakistan and acquired progressively larger influence over policy making Mahadevan traces this history back to the anti colonial Deobandi movement which was born out of the post partition political atmosphere and a rediscovery of the thinking of Ibn Taymiyyah and partially ennobled the idea of jihad in South Asia as a righteous war against foreign oppression Using Pakistani media and academic sources for the bulk of its raw data and reinforcing this with scholarly analysis from Western commentators the book tracks Pakistan's trajectory towards a soft Islamic revolution Envisioned by the country's intelligence community as a solution to chronic governance failures these narratives called for a re-orientation away from South Asia and towards the Middle East In the process Pakistan has become

a sanctuary for Arab jihadist groups such as Al Qaeda who had no previous ethnic or linguistic connection with South Asia Most alarmingly official discourse on terrorism has been partly silenced by the military intelligence complex The result is a slow drift towards extremism and possible legitimization of internationally proscribed terrorist organizations in Pakistan s electoral politics

Allah and Elohim Michael J. Oldham,2013-04 Have you ever wondered why following 9 11 world leaders including President George W Bush were so quick to say that the three major world religions Christianity Islam and Judaism all worship the same God Christians were especially vocal in espousing a tolerant worldview toward Muslims stating that Allah and Jehovah God were the same deity ostensibly to avert violence directed against Muslims Having studied the major world religions Michael J Oldham simply could not accept the premise that Christians could believe that the God of the Bible could be the same God as the Qur an s Allah This fascinating read takes an in depth look at each religion s descriptions of God providing clear support with verses from the Bible and the Qur an Dr Michael J Oldham provides readers with a comprehensive study of Allah and Elohim what they claim to be what their followers believe and the message of each Allah and Elohim is thoroughly researched and its conclusions are drawn from the works of many Christian and Muslim scholars While founded on much research this book is easily read and no matter your religion you will find the book s conclusions compelling This book outlines the truths about Islam and Christianity and clarifies the major attributes of each God and why they do not correspond Ground yourself in a thorough understanding of Allah and Elohim so you can competently appreciate the tenets of each **Dead for Good** Hugh D. Barlow,2015-12-03 An easily accessible account of the development of martyrdom Barlow presents a masterful account of how religion death and sacrifice developed into the cult of martyrdom of today Mia Bloom University of Georgia and author of Dying to Kill The Allure of Suicide Terror Thoroughly researched yet full of novel like gripping narratives this book succeeds in giving the reader a glimpse of what might happen in the mind of candidates to martyrdom while never losing sight of the overall context that brings this phenomenon into being and fuels it Gilbert Achcar author of The Clash of Barbarisms Hugh Barlow is a gifted writer In this book he uses his skills as a renowned sociologist to bring the reader a refreshing and engaging analysis This is a must read for anyone who is interested in understanding martyrdom operations from a broad historical and cultural perspective Ami Pedahzur University of Texas at Austin Dead for Good vividly describes how history gave rise to the suicide bombers of today The passionate submission of ancient Jewish and Christian martyrs was largely supplanted by militant self sacrifice as Islam spread and holy war erupted in the Crusades In the Indian Punjab the Khalsa Sikhs made warrior martyrdom an instinct and policy in their defense of community and of justice In a last ditch effort to defeat the Allies in World War II the Japanese transformed warrior martyrs into martyr warriors trained to sacrifice themselves in attacks on enemy carriers The current suicide bomber is the latest phase Whether motivated by nationalism religious ideology or a combination of both the new predatory martyr dies for the cause while killing indiscriminately Exploring martyrdom across cultures and throughout history this book gives us new

insights into today's suicide bombers and answers the common question Why do they do it *The Grand Finale* Anton Wessels, 2020-07-13 We often hear that we are living in apocalyptic times Wars like those in the Middle East are just more signs that the end is near That however is a misunderstanding of the message of the Bible and the Qur'an The basic meaning of apocalypse is disclosure revelation bringing to light what is happening now and what has happened throughout all of history The apocalypse is not about making predictions about the future but about determining who bears responsibility for injustice in the world In that sense all times including ours are apocalyptic though in a different way than what is usually thought Since the devastating Greek conquest of the world by Alexander the Great there have been apocalyptic insights and revelatory readings of the whole Hebrew Bible The same is true of the New Testament with Rome as the world power then The same apocalyptic message is confirmed by the Qur'an when the Byzantines and the Persians fought for mastery of the world The apocalyptic message is that God will put an end to the unjust dominion of violence money and lies God's kingdom will certainly arrive but not through violence after all there is no violence in God Diognetus *Invaders and Infidels (Book 1)* Sandeep Balakrishna, 2020-11-28 The Islamic conquest of India is probably the bloodiest story in history It is a discouraging tale for its evident moral is that civilisation is a precious good whose delicate complex of order and freedom culture and peace can at any moment be overthrown by barbarians invading from without or multiplying within Will Durant American historian *Invaders and Infidels From Sindh to Delhi The 500 Year Journey of Islamic Invasions* is a work of gripping history which tells the story of the origins and trajectory of Islamic invasions into India It begins with the first Muslim conquest and ends with Babur's invasion of Hindustan spanning the period of the Delhi Sultanate which was in power for almost 320 years This epochal story encompasses a vast sweep of events which changed the history of India forever and introduced it to an alien faith and a religious despotism such as the country had never experienced before It comprises major and minor sagas of great heroism untold savagery stout resistance brutal intrigues and epic tragedies Embedded in this narrative are two major themes largely overlooked in the inherited Indian historical and cultural memory For more than three hundred years alien Muslim invasions into India were largely fleeting transitory and unstable However the lasting legacy of these Muslim invasions is the permanent destruction and disappearance of Classical India *Invaders and Infidels* will fascinate anyone interested in the story of pre-Medieval India a gateway era in the history of this ancient culture and civilisation
