Shadow Of A Dream And An Imperative Duty:

The Shadow of a Dream and an Imperative Duty William Dean Howells, 2003 These two nouvelles mark Howells plunge into psychological realism Their themes a triangle of tragic agonies with psychological insights intriguingly proto Freudian and a drama of miscegenation are anything but the smiling lightweight topics to which Howells has been supposed to have been confined The maturity both of their art and of their moral insight lends them an impact much deeper and more permanent than that of the shriller more merely commercial shocking fiction of our day Edwin H Cady s introduction places the books in the context of the development of Howells life work art thought and sensibility He helps the reader make immediate contact with the artistic methods and intentions of the author

The Shadow of a Dream, and An Imperative Duty William Dean Howells, Ronald Gottesman, David J. Nordloh, 1970 **The shadow of a dream and An imperative duty, introd** William Dean Howells, An Imperative Duty W.D. Howells, 2010-03-22 An Imperative Duty tells the story of Rhoda Aldgate a young woman on the verge of marriage who has been raised by her aunt to assume that she is white but who is in fact the descendant of an African American grandmother The novel traces the struggles of Rhoda her family and her suitor to come to terms with the implications of Rhoda s heritage Howells employs this stock situation to explore the newly urgent questions of identity morality and social policy raised by miscegenation in the post Reconstruction United States The novel imagines interracial marriage sympathetically at a time when racist sentiment was on the rise and does this in one of Howells s most aesthetically economical performances in the short novel form Appendices to this Broadview Edition include material on the tragic mulatta in literature interracial marriage the science of race in the nineteenth century and Howells s literary realism The Shadow of a Dream William Dean Howells (Schriftsteller, USA), 1962 **The Shadow of a**

Dream William Dean Howells, 1890 **Evolution and Eugenics in American Literature and Culture, 1880-1940** Lois A. Cuddy, Claire M. Roche, 2003 Charles Darwin s theory of descent suggested that man is trapped by biological determinism and environment which requires the fittest specimens to struggle and adapt without benefit of God in order to survive This volume focusses on how American literature appropriated and aesthetically transformed this and related theories The Shadow of a Dream, and An Imperative Duty William Dean Howells, 1970 Civil Wars Susan Goodman, 2003-06-02 In a work that recovers the broader meaning of manners for past generations Susan Goodman demonstrates that American writers have consistently tied the subject of national identity to the norms and behaviors of everyday life that in fact the novel of manners is a dominant form of American fiction *The Athenaeum* , 1907 **Athenaeum and Literary Chronicle** , 1907

D. Kaplan,2020-04-23 In his best selling travel memoir *The Innocents Abroad* Mark Twain punningly refers to the black man who introduces him to Venetian Renaissance painting as a contraband guide a term coined to describe fugitive slaves who assisted Union armies during the Civil War By means of this and similar case studies Paul H D Kaplan documents the ways in which American cultural encounters with Europe and its venerable artistic traditions influenced nineteenth century concepts of race in the United States Americans of the Civil War era were struck by the presence of people of color in European art and society and American artists and authors both black and white adapted and transformed European visual material to respond to the particular struggles over the identity of African Americans Taking up the work of both well and lesser known artists and writers such as the travel writings of Mark Twain and William Dean Howells the paintings of German American Emanuel Leutze the epistolary exchange between John Ruskin and Charles Eliot Norton newspaper essays written by Frederick Douglass and William J Wilson and the sculpture of freed slave Eugene Warburg Kaplan lays bare how racial attitudes expressed in mid nineteenth century American art were deeply inflected by European traditions By highlighting the contributions people of black African descent made to the fine arts in the United

States during this period along with the ways in which they were represented *Contraband Guides* provides a fresh perspective on the theme of race in Civil War era American art It will appeal to art historians to specialists in African American studies and American studies and to general readers interested in American art and African American history

Chesnutt and Realism Ryan Simmons, 2006-08-08 An important examination of Charles Chesnutt as a practitioner of realism With the release of previously unpublished novels and a recent proliferation of critical studies on his life and work Charles W Chesnutt 1858 1932 has emerged as a major American writer of his time the age of Howells Twain and Wharton In *Chesnutt and Realism* Ryan Simmons breaks new ground by theorizing how understandings of literary realism have shaped and can continue to shape the reception of Chesnutt s work Although Chesnutt is typically acknowledged as the most prominent African American
