the alarming situation and decide to unravel the mystery together Days drag on with no sign of Leah or Ben Their phones go unanswered and no one else has seen them With Kate s sass and Logan s sweet charm they retrace their steps from the party night questioning people at the bars Their investigation takes a dark turn when they discover someone was killed in an alley next to the bar that night Fearing the worst for their friends they breathe a sigh of relief when they learn the victim isn t one of them But as they dig deeper they start receiving threatening calls from a stranger warning them to stop asking questions Instead of backing down their resolve intensifies and they grow closer under the weight of their shared fear Realizing they are being followed and with police showing little interest in helping they go underground The tension escalates as memories of that night resurface Leah and Ben sneaking off for a romantic moment in the alley where they witnessed the murder The stakes are raised when Kate and Logan uncover that the crime is linked to a ruthless syndicate involved in human trafficking Leah and Ben have been kidnapped to silence them before a major delivery of women across the border As they continue their desperate search danger looms ever closer with the syndicate hot on their trail The intensity of their hiding becomes palpable every whispered conversation charged with urgency and attraction The dynamic between Kate and Logan shifts from camaraderie to something deeper igniting undeniable chemistry fueled by adrenaline and fear **Where Shadows**
