

ANGEL IN THE SHADOWS

A night scene on a park path. Several street lamps with warm, yellow light are spaced along the path. On the left, two people in modern clothing (jackets, pants) are walking away from the camera. On the right, a person in a long, flowing white dress with a large, billowing skirt stands near a lamp post, looking down. The background is dark with silhouettes of trees.

Speaking with Angels Iris Paxino,2023-05-15 If you wish to learn you may learn I go now and will come again And yet I am always with you This was the conclusion to a surprising message that psychologist Iris Paxino received from a bright angelic entity who appeared to her unannounced radiating a comforting warmth filled light The angel s words left her awestruck and deeply moved Paxino had long had the gift of knowing angels but it was immediately apparent to her that this special encounter marked a new beginning She was in no doubt that she did indeed want to learn and thus began a lively intense dialogue that offered an abundance of insights into the work of angels She discovered that in addition to our guardian angel each of us has a circle of twelve angels who accompany us throughout life and beyond death that we have double and shadow angels and that families communities and social groups have their own angels as do specific landscapes In a series of intimate and enlightening conversations Paxino relates knowledge about these and other types of spiritual beings Angels suffer in sympathy with the earth and stand by us in the dark times of human existence Despite everything they do not condemn but love us with such devotion that we can scarcely comprehend it *Shadow Mission* NJ Damschroder,2016-03-07 Two months ago all was perfect for Roxie Sebastian She felt complete for the first time in her life after fusing with her lost angel soul Also She d kind of saved the world preventing a rogue angel from tearing open a rift that could have destroyed humanity and much more So why does everything suck so much It s not enough that her angel assigned

mission prevents her from going to college and forces her to lie to her parents The cool powers that come along with being half angel She sucks at them The awesome boyfriend who helped her save her soul He s totally jealous and clingy just because he saw Roxie get kissed by the only other angel hybrid her age And now she finds out that angels aren t the whole story There are shadows too and a centuries old battle between angels and shadows that has somehow put Roxie right in the middle Forget fake homework and the easy memorable summer before college she s not having the stakes are suddenly life or death and the main casualty could be the one person she can t live without
