Shadows Over My Berlin:

Shadows Over My Berlin Heidi Scriba Vance, Janet Barton Speer, 1996 *The Afterlives of Weimar Berlin* Jill Suzanne Smith, 2024 Explores the recent proliferation of literary and filmic representations of Weimar Berlin in German culture probing the connections between historical and contemporary texts their contexts and their creators often German Jews and women More than a century after its founding there can be little doubt that Weimar is back The recent proliferation of references to and portrayals of the Weimar Republic Germany's first democracy born out of the aftermath of the First World War and characterized by economic and political crisis is not surprising given our crisis filled present That said the Weimar era has been a consistent focus of scholarly work in both the German speaking and the Anglo American academic worlds since the 1970s and yet depictions of this period in German literature and visual culture were few and far between until the beginning of the 21st century This book traces this renewed fascination with Weimar specifically its capital Berlin in contemporary German language culture providing both wide angle and close up views While discussions of the time period in mainstream media and historiography tend to focus on Weimar as a warning against the dangers of economic and political instability the novels and visual works produced by contemporary German writers and filmmakers in the last 15 years revive and reshape the cultural legacy of Weimar Berlin *The Afterlives of Weimar Berlin* explores the creative interplay between contemporary and historical texts their contexts and their creators tracing a cultural legacy that has the work of German Jews and women as its foundation **Sisters of Providence** Allen Paul Speer, Janet Barton Speer, 2000 The lives and writings of these two sisters Jennie and Ann Speer provide us a window on a world that for a long time was rarely seen and only recently has been exposed The life of neither sister is an altogether happy one The writings of both Jennie in particular are full of a kind of yearning of sadness of possibilities not realized One feels both a vast sympathy and strong admiration for these sisters who dwelled in obscurity and wanted to be heard Now with the publication of their writings unread for nearly a century and a half past they are no longer silenced *Branding Berlin* Katrina Sark, 2023-07-21 This book is a cultural history of post Wall urban social political and cultural transformations in Berlin *Branding Berlin* From Division to the Cultural Capital of Europe presents a cultural analysis of Berlin's cultural production including literature film memoirs and non fiction works art media urban branding campaigns and cultural diversity initiatives put forth by the Berlin Senate and allows readers to understand the various changes that transformed the formerly divided city of voids into a hip cultural capital The book examines Berlin's branding urban economic development and its search for a post Wall identity by focusing on manifestations of nostalgic longing in documentary films and other cultural products Building on the sociological research of urban branding and linking it with an interpretive analysis of cultural products generated in Berlin during that time the author examines the intersections and tensions between the nostalgic views of the past and the branded images of Berlin's present and future This insightful and innovative work will interest scholars and students of cultural and media studies

branding and advertising urban communication film studies visual culture tourism and cultural memory The Value of Names and Other Plays Jeffrey Sweet,2008-05-14 In this collection of plays the playwright confronts both personal politics and the impact of historical change The title work first mounted in 1982 is a comedy drama about the aftermath of the blacklist whose continued relevance makes it a frequently produced play today The family drama *Porch* suggests larger social changes through the interaction of a small town shopkeeper and his defiant daughter The lauded *American Enterprise* set in the Chicago of the robber barons is a song filled true story about a millionaire whose stubborn idealism leads to disaster *Stay till morning* is a rueful comedy about sex and accommodation in the Florida Keys The three plays that grew out of his fascination with the effects of World War II *Berlin 45* Court martial at Fort Devens and *The action against Sol Schumann* dramatize the ways in which that conflict transformed private fates Each script is accompanied by an introduction from the playwright as well as performance notes Child Survivors in the Shadows Lilo L. Cohn-Sharon,2013 The first part of the book was published as *A Shadow over My Life* Jerusalem Gefen 1994 Pt 2 of the book p 59 115 contains poems by the author

A Modern Minister Valentine Durrant,1878 The Blue Angel - The Life and Films of Marlene Dietrich David Stuart Ryan,2013-10-03 The story of Marlene Dietrich s life is the story of the 20th century Author David Stuart Ryan who wrote the bestselling biography *John Lennon s Secret* explores the amazing and circuitous route that took her to Hollywood and riches But to understand the essential Marlene it is necessary to go right back in time to the era of La Belle Epoque when a very feudal and settled order still existed in Europe The *Blue Angel* transports you to a glittering world that is all about to disappear in the maelstrom of world war What emerges from the conflict is a feverish gaiety that seeks to put behind it all the suffering that has taken place You are entering the Jazz Age and a Berlin that having suffered hyperinflation decides anything goes The *Berliner Luft* the Berlin air is what the locals call it This madcap atmosphere was to be recreated by a young journalist Billy Wilder when he made the journey to Hollywood Indeed the plot for his greatest film *Some Like It Hot* drew on his experiences in Berlin and Billy Wilder was one of the respondents to the author when he came to write Marlene s story Marlene s big break came when she played a vampish nightclub singer of dubious morals not a million miles away from her own background trying to survive in a world turned upside down The *Blue Angel* took her to America and a carefully constructed film star image which embodies all the dazzling wealth and influence of Hollywood at its most powerful and hypnotic Yet the more you get into the life of Marlene Dietrich the greater the mystery becomes Who was she really Only now can the expert analysis of David Stuart Ryan reveal the true Marlene Dietrich the person behind the image the human being behind the facade Was she indeed the blue angel **Faith in Politics** Roy Herron,2023-09-29 Roy Herron graduated with highest honors from the University of Tennessee at Martin then studied New Testament and Ethics in Scotland before earning Divinity and Law degrees from Vanderbilt University But he came home to West Tennessee and served the Volunteer State in both the Tennessee House and Senate For four decades Herron served as a legislator attorney teacher and

Methodist minister In that work he published op ed essays and articles in Tennessee s leading newspapers and publications from The Japan Times to The Wall Street Journal on various topics including constitutional liberties economic justice health care politics and more This informative volume collects the most powerful of these writings adding helpful updates and contemporary insights With an engaging conversational style Herron addresses voter ID laws drunk driving statutes women s rights and many recurring contemporary issues Whether describing the challenges facing his elderly mother as she attempted to exercise her right to vote or the struggles of working women and men facing illnesses without health insurance Herron demonstrates an earnestness and thoughtfulness all too rare in politics These nearly fifty essays and articles provide evidence that Herron s Democratic Party and Christianity are not mutually exclusive Indeed Herron describes how faith brought him to politics and to fighting for justice jobs and constitutional freedoms for all citizens Faith at Work is a veritable guidebook on how faith and spirituality should affect decision making and advocacy in public life ROY HERRON was a Tennessee State Representative from 1987 to 1997 and State Senator from 1997 to 2013 He wrote Things Held Dear Soul Stories for My Sons and God and Politics How Can a Christian Be in Politics He coauthored with Cotton Ivy Tennessee Political Humor Some of These Jokes You Voted For He lawyers and writes in West Tennessee and Nashville Midnight in America Jonathan W. White,2017-02-02 The Civil War brought many forms of upheaval to America not only in waking hours but also in the dark of night Sleeplessness plagued the Union and Confederate armies and dreams of war glided through the minds of Americans in both the North and South Sometimes their nightly visions brought the horrors of the conflict vividly to life But for others nighttime was an escape from the hard realities of life and death in wartime In this innovative new study Jonathan W White explores what dreams meant to Civil War era Americans and what their dreams reveal about their experiences during the war He shows how Americans grappled with their fears desires and struggles while they slept and how their dreams helped them make sense of the confusion despair and loneliness that engulfed them White takes readers into the deepest darkest and most intimate places of the Civil War connecting the emotional experiences of soldiers and civilians to the broader history of the conflict confirming what poets have known for centuries there are some truths that are only revealed in the world of darkness Nature Sir Norman Lockyer,1904 *Counterspy* Richard W. Cutler,2004 During World War II and the beginning of the Cold War Richard W Cutler was an officer with the elite X 2 counterintelligence branch of the Office of Strategic Services OSS and with its successor the Strategic Services Unit SSU Counterspy offers a rare firsthand account of the secret war against Hitler and the postwar competition with the Soviets for German intelligence assets While with X 2 Cutler analyzed the super secret Ultra intercepts and vetted agents about to be sent into Nazi Germany Cutler provides an insightful overview of OSS operations during the war and their contribution to the Allies victory This is also one of the few books to describe the role of the OSS and the SSU in the postwar occupation of Germany Cutleras first job after the German surrender was to vet all of Allen Dullesas wartime sources inside Germany who were aptly nicknamed

the Crown Jewels Just as the OSS was reorganized into the SSU Cutler moved to Berlin where his first task was to collect intelligence from former Nazis Soon he became chief of counterespionage in Berlin Soviet intelligence had already begun recruiting former German intelligence officers to spy on Americans so Cutler's top priority was to uncover Soviet objectives and either neutralize or double their agents Cutler reveals previously unpublished case histories of double agents against Soviet intelligence and details agents' recruitment missions methods of operation successes and failures and fates All of these events are recounted against the fascinating background of postwar Germany He provides a vivid picture of the mood of the German people how they rationalized war guilt and how they coped with the devastation throughout the country With photographs and a foreword by bestselling author Joseph E Persico Roosevelt's Secret War FDR and World War II Espionage Counterspy is a unique account of espionage during the momentous years of World War II and the beginning of the Cold War

Sinology during the Cold War Antonina Łuszczkiewicz, Michael Brose, 2022-05-18 This volume provides the first study of the history of sinology aka China studies as charted across several communist states during the Cold War The People's Republic of China was created in the first years of the Cold War with its early history and foreign policy intimately bound up in that larger geopolitical fight All the seismic changes in China's geopolitical landscape from its emergence and close relationship with the Soviet Union to the Sino Soviet split and the eventual rapprochement with the United States resulted in

a great deal of interest by journalists politicians and scholars Yet although scholars across the Soviet Bloc produced an impressive body of work on a range of sinological studies with rare exceptions most of those scholars and their work remains unknown outside their own intellectual circles This book redresses this dearth of knowledge of sinological scholarship providing invaluable and unique glimpses of Soviet Bloc sinologists and their work during the Cold War including cutting edge research on lesser studied communist states such as Poland Hungary Mongolia and others International in scope this book is ideal for scholars and researchers of modern history Chinese studies sinology and the Cold War **Arts & Decoration** ,1922 **The Living Age** ,1918 *The Remembered and Forgotten Jewish World* Daniel J.

Walkowitz,2018-09-05 Part travelogue part social history and part family saga this book investigates the politics of heritage tourism and collective memory Acclaimed historian Daniel J Walkowitz visits key Jewish heritage sites from Berlin to Belgrade to Warsaw to New York to discover which stories of the Jewish experience get told and which get silenced *The Publishers Weekly* ,1996 [A German Officer in Occupied Paris](#) Ernst Jünger,2019-01-22 Ernst J nger was one of twentieth century Germany s most important and most controversial writers Decorated for bravery in World War I and the author of the acclaimed western front memoir *Storm of Steel* he frankly depicted war s horrors even as he extolled its glories As a Wehrmacht captain during World War II J nger faithfully kept a journal in occupied Paris and continued to write on the eastern front and in Germany until its defeat writings that are of major historical and literary significance J nger s Paris journals document his Francophile excitement romantic affairs and fascination with botany and entomology alongside mystical and religious ruminations and trenchant observations on the occupation and the politics of collaboration While working as a mail censor he led the privileged life of an officer encountering artists such as C line Cocteau Braque and Picasso His notes from the Caucasus depict the chaos after Stalingrad and atrocities on the eastern front Upon returning to Paris J nger observed the French resistance and was close to the German military conspirators who plotted to assassinate Hitler in 1944 After fleeing France he reunited with his family as Germany s capitulation approached Both participant and commentator close to the horrors of history but often distancing himself from them J nger turned his life and experiences into a work of art These wartime journals appear here in English for the first time giving fresh insights into the quandaries of the twentieth century from the keen pen of a paradoxical observer
