The Act of Love Cache' Ivone' Jhai e', 2023-03-28 Something is happening something very peculiar visions just won't let up Sapphire has been having these visions for far too long what is it about Why is it happening The mystery lingers on At only nine years old these mysteries are still happening Now that she is all grown up one discovery will lead her to the next discovery Sapphire feels like the light of the world has invoked her most inner spirits With a beyond ordinary gift that she inhabits her light team is constantly guiding her and also helping her to understand her purpose which pretty soon will lead her to her destiny Discovering something sweet and fragile a gift given from the unknown But despite of her beautiful nature she must go through the motions that are just ahead of her to fully understand the world around her With such a kind gentle soul and heart she will stop at nothing to help those along her journey and it's not always sweet It is ever so challenging She is aware that life is all about experiences but nothing is ever tickled sweet She will soon learn about a mission that has been written in the stars Sometimes things can be so simple dangerous weird and uncomfortable But it's a courageous thing to have the strength and power to fear nothing making the effort to see the intention through With the support of her friends things are about to become very strange for her snatching her out of her comfort zone It is up to Sapphire to show just how strong powerful and determined she is but even with that is a challenge within itself She will have to put all of her logical knowledge wisdom and faith to the test To see this intent through Although this may be dangerous a gamble and maybe even a struggle But in the end it will all turn out to be sweet But you'll just have to see to find out Drama lies drugs a violent history lust
