Moyer, 2015-11-18 Amid political innovation and social transformation Revolutionary America was also fertile ground for religious upheaval as self proclaimed visionaries and prophets established new religious sects throughout the emerging nation Among the most influential and controversial of these figures was Jemima Wilkinson Born in 1752 and raised in a Quaker household in Cumberland Rhode Island Wilkinson began her ministry dramatically in 1776 when in the midst of an illness she announced her own death and reincarnation as the Public Universal Friend a heaven sent prophet who was neither female nor male In *The Public Universal Friend* Paul B Moyer tells the story of Wilkinson and her remarkable church the Society of Universal Friends Wilkinson's message was a simple one humankind stood on the brink of the Apocalypse but salvation was available to all who accepted God's grace and the authority of his prophet the Public Universal Friend Wilkinson preached widely in southern New England and Pennsylvania attracted hundreds of devoted followers formed them into a religious sect and by the late 1780s had led her converts to the backcountry of the newly formed United States where they established a religious community near present day Penn Yan New York Even this remote spot did not provide a safe haven for Wilkinson and her followers as they awaited the Millennium Disputes from within and without dogged the sect and many disciples drifted away or turned against the Friend After Wilkinson's second and final death in 1819 the Society rapidly fell into decline and by the mid nineteenth century ceased to exist The prophet's ministry spanned the American Revolution and shaped the nation's
