Simple Home Style:

Sweetwater's Simple Home Lisa Burnett, Karla Eisenach, Susan Kendrick, 2021-07-30 Sweetwater's simple style shines through from a laundry hamper to a covered office chair and quilts for the nursery or the master bedroom. Quilts More: A house becomes a home with handmade touches added to every room. With inspiring designs from the mother-daughter trio behind Sweetwater, it's easy to add expressive touches everywhere from the dining room to the bedroom to the laundry room. Keep it simple and surround yourself with things you absolutely love. 35 beginner-friendly projects including quilts, pillows, table linens, and accessories many can be made in a day or less. Fresh modern ideas for making things pretty and practical. Bring Sweetwater's popular signature style to all your sewing and craft projects. Learn simple creative techniques for decorating with appliqué, stenciling, stamping, and embroidery. A lovely, lovely book. Actually, even though the projects are all fairly straightforward, it's one of the nicest quilting books I've looked at in a long while, and the photos are fabulous. My favorites were the scalloped placemats, the lampshade, the work chair slipcover, tray liner, and some of the bags. All of these are straightforward enough for any beginner, but even for someone who's been sewing as long as I have, they would make great additions to brighten up the home. Run, Quilt, Knit, Write! If you like simple projects with a modern approach, a few or a lot of projects in this book will appeal to you. All of these projects are beginner-friendly, which is nice for beginners but also nice for those among us who are looking for a fast project. Need a quick gift?
