**Life Beyond 100** C. Norman Shealy, 2006-12-28 Using today's most leading edge therapies and breakthroughs in the science of longevity C Norman Shealy one of the pioneering holistic physicians of our time shows how we can healthfully age to one hundred and beyond The idea of living well beyond one hundred years and enjoying those years in good health used to be the stuff of science fiction No longer C Norman Shealy M D Ph D whom Caroline Myss calls a wizard genius scientist mystic physician offers *Life Beyond 100* Secrets of the Fountain of Youth In this deeply learned and revolutionary book Dr Shealy provides a new concept of longevity one that reveals that we can live far longer than current science suggests Basic healthy living and the use of alternative therapies have long been touted as the way to well being but Dr Shealy takes these tenets a step further From the physiology of stress and its effect on the human mind and body to the importance of DHEA from the proven techniques of photostimulation and biofeedback training to groundbreaking suggestions for alleviating depression from Shealy's electromagnetic framework of life to his recommendations for optimal health *Life Beyond 100* presents a detailed roadmap to achieve healthy aging or youthing The result of years of clinical practice and cutting edge research *Life Beyond 100* also exposes the fallacies behind many of the claims made by the medical establishment and the pharmaceutical industry Shealy argues that rather than increasing people's life expectancy these two groups create the

opposite effect consigning hundreds of thousands of people to an often miserable and premature old age by treating symptoms with an antidote prescription medicine that is often worse than the ailment itself As a counterpoint Life Beyond 100 provides the most ambitious yet medically grounded and commonsensical longevity program available Easy to follow and supported by advanced research Dr Shealy s guide to uncovering the secrets of youthful aging redefines the concept of human longevity and offers a new vision of healthy living to one hundred and beyond

**Ethical Dimensions of Geriatric Care** S.F. Spicker,S.R. Ingman,Ian Lawson,2012-12-06 There is both a timeliness and a transcendent rightness in the fact that scholars clinicians and health professionals are beginning to examine the ethics based components of decision making in health care of the elderly Ethics as the discipline concerned with right or wrong conduct and moral duty pervades hospital rooms nursing home corridors physicians offices and the halls of Congress as decisions are made that concern the allocation of health related services to individuals and groups in need In particular care of older persons recently has received disproportionate attention in discussions of ethics and clinical care Age alone of course should not generate special focus on ill individuals about whom concerns arise based on value conflicts tacitly involved in the delivery of health care Having said that age is not the principal criterion for attention to ethics based concerns in health care it must be acknowledged that old people have a high prevalence of conditions that provoke interest and put them in harm s way if value conflicts are not identified and seriously addressed Issues that concern autonomy the allocation of scarce resources inter generational competition and conflict the withholding of treatment in treatable disease and substitute and proxy decision making for the cognitively impaired all have special relevance for older persons

**Quantum Integrative Medicine** Amit Goswami, Valentina R. Onisor, 2023-03-14 This guide to Integrative Medicine based on quantum science combines studies in consciousness with alternative systems of healing such as Ayurveda and Yoga to produce a new science of health which sees disease as a health disorder Required reading for health professionals and anyone looking for a deeper understanding of wellness Inspired by the Dalai Lama to apply the integrative ideas of quantum science to practical everyday problems in people's lives famed physicist Amit Goswami began working in 1999 in the field of health and healing His first task was to use the new quantum metaphysics to provide a basic science for the systems of alternative medicine and thus

begin a tentative integrative medicine This was accomplished in *The Quantum Doctor* first published in 2004 What was still lacking was a unified theory of health leading to a new science of health which would treat disease as a health disorder Much more expertise in specifics was needed for such a project In 2016 Goswami partnered with Valentina Onisor MD trained in both allopathic and most systems of alternative medicine as well including Ayurveda yoga naturopathy aromatherapy and homeopathy This book is the culmination of their efforts to date It is intended for both laypeople and health professionals

**Humor Works** John Morreall, 1997 Explores the connections between humor and creativity teamwork risk taking and effective communication *Sound Mind, Sound Body* Kenneth R. Pelletier, 1995-06 In this dramatic new approach to understanding personal health Dr Pelletier shows how lifelong good health is far more dependent on a positive purposeful life orientation than on aerobic workouts and rigid low fat diets He challenges the medical community's long accepted focus on the disease model and proposes a positive new health paradigm *Sound Mind Sound Body* examines the lives of people who are rarely ill who manage aging successfully or who cope extremely well with both acute and chronic illness and describes how they do it Among Dr Pelletier's fascinating findings People who overcome serious illness or physical trauma in childhood are often actually strengthened not debilitated by the experience People who enjoy a sense of belonging and a real connection with others generally pass through periods of intense stress and remain untouched by illness Altruistic work is closely related to the ability to overcome life threatening crises and disease There is a healthy way of being ill which can help a person manage such chronic problems as arthritis and heart disease In addition *Sound Mind Sound Body* offers practical effective techniques to help anyone achieve physical mental and emotional equilibrium and enjoy a lifetime of optimal health
