Looking On Images Femininity:

Looking on Rosemary Betterton, 1987 **Feminine Look** Jennifer Friedlander, 2009-01-08 Feminist and psychoanalytic analysis of spectatorship **Queering Femininity** Hannah McCann, 2017-12-04 Queering Femininity focuses on femininity as a style of gender presentation and asks how and whether it can be refigured as a creative and queer style of the body Drawing on a range of feminist texts and interviews with self identifying queer femmes from the LGBTQ community Hannah McCann argues that the tendency to evaluate femininity as only either oppressive or empowering limits our understanding of its possibilities She considers the dynamic aspects of feminine embodiment that cannot simply be understood in terms of gender normativity and negotiates a path between understanding both the attachments people hold to particular gender identities and styles and recognising the punitive realities of dominant gender norms and expectations Topics covered range from second wave feminist critiques of beauty culture to the importance of hair in queer femme presentation This book offers students and researchers of Gender Queer and Sexuality Studies a fresh new take on the often troubled relationship between feminism and femininity a critical but generous reading that highlights the potential for an affirmative orientation that is not confined by the demands of identity politics **Rhetoric of Femininity** Donnalyn Pompper, 2016-12-20 Rhetoric of Femininity Female Body Image Media and Gender Role Stress Conflict offers critical and social identity intersectionalities approach to interpretations of femininity among three generations of women for a rhetorical examination of how femininity is made to mean by media and popular culture Amplified are voices of women across multiple age ethnic and sexual orientation groups who shared in focus groups and interviews their perceptions of femininity and feminine ideals Femininity is explored using theories from communication and mass media psychology sociology and feminist and gender studies Donnalyn Pompper explores femininities as shaped by cultural rituals and industries at home and at work in organizations on sporting fields and arenas and in politics **Sexing the Look in Popular Visual Culture** Kathy Justice Gentile, 2020-05-15 With dramatic advances in media technology the practice of sexing or erotically enhancing images has become an increasingly widespread phenomenon The eroticized look as both noun and verb the thing or image that draws our look and the look that we bestow on images that elicit our visual physiological and emotional attention is the focus of the essays in this volume Every day whether we are out in the world or in the workplace or in the privacy of our homes we enter visual fields that heighten and distort reality distortions that often emphasize sexuality and erotic promise The contributors for this collection look at the sexualization of visual culture from a range of disciplinary perspectives including literature film studies history philosophy art history and media studies with gender and sexuality studies providing the encompassing critical framework that binds these essays into a coherent analytical project The essays in this collection offer new theoretical conceptions of perception and representation as well as rigorous reconsiderations of the polarized feminist debates over pornographic images Essays on literature and film range from an interrogation of Baudrillard s theory of seduction that posits femininity as

a strategy of illusion and subversion to Bridget Jones's challenge to the prevailing disciplinary regime that prescribes rigid standards for feminine beauty to a reevaluation of the subversive potential of sexy female robots Other contributors consider the history of nudist images in US periodicals the proliferation of eroticized images of girls in new digital technologies gentlemanly masculinity in men's fashion in late Victorian England and a rape prevention campaign's unintentional reinforcement of persistent heterosexist misconceptions about rape

The Image of the Feminine in the Poetry of W.B. Yeats and Angelos Sikelianos Anastasia Psoni, 2018-12-19 Modernism as a powerful movement saw the literary and artistic traditions as well as pure science starting to evolve radically creating a crisis even chaos in culture and society Within this chaos myth offered an ordered picture of that world employing symbolic and poetic images Both W B Yeats and Angelos Sikelianos embraced myth and symbols because they liberate imagination and raise human consciousness bringing together humans and the cosmos Being opposed to the rigidity of scientific materialism that inhibits spiritual development the two poets were waiting for a new age and a new religion expecting that they themselves would inspire their community and usher in the change In their longing for a new age archaeology was a magnetic field for Yeats and Sikelianos as it was for many writers and thinkers After Sir Arthur Evans's discovery of the Minoan Civilization where women appeared so peacefully prominent the dream of re-creating a gynocentric mythology was no longer a fantasy In Yeats's and Sikelianos's gynocentric mythology the feminine figure appears in various forms and like in a drama it plays different roles Significantly a gynocentric mythology permeates the work of the two poets and this mythology is of pivotal importance in their poetry their poetics and even in their life as the intensity of their creative desire brought to them female personalities to inspire and guide them Indeed in Yeats's and Sikelianos's gynocentric mythology the image of the feminine holds a place within a historical context taking the reader into a larger social political and religious space

Beyond the Feminine Ope Lori, 2025-06-26 How can contemporary artists and image makers challenge representations of race and gender in visual culture and produce alternate visions Exploring a range of lens based British art that engages with questions of race and gender this book critiques power structures that embed racial dichotomies to arrive at a nuanced understanding of the position of race in contemporary visual culture It examines how white and light skinned Black women are privileged over Black and dark skinned women in music videos advertising and even in classic paintings Focusing on skin colour as implicit in constructions of femininity the works discussed deconstruct the links between race and gender to expose hidden power relations Presenting intimate interviews with four British artists NT Marcia Michael Sadie Lee and Ajamu X along with the author's own artistic practice this book provides a much needed toolkit for image makers and critics alike Using the analogy of the set up this boundary breaking book encourages us to not only question what we see but to see differently beyond the conventions of the male gaze Reversing normative categories and social hierarchies *Beyond the Feminine* puts forth a new gaze an up set to the system

Seeking Janet Claussen, Julia Ann Keller, 2003 *Seeking* Doing Theology with Girls is an introduction to theological

methods and reflection with an emphasis on actively engaging girls in making connections between their experience and the wisdom of the Scriptures and Tradition The overriding theme of this manual is that the life experience of women brings richness and balance to the academic discipline of theology Topics covered include images of God gospel feminism women theologians morality sexual integrity ecofeminism and personal and global justice grounded in a theology of life

The Aftermath of Feminism Angela McRobbie, 2008-11-20 In this trenchant inquiry into the state of feminism Angela McRobbie breaks open the politics of sexual equality and affirmative feminism and sets down a new theory of gender power Challenging the most basic assumptions of the end of feminism this book argues that invidious forms of gender re stabilisation are being re established Consumer and popular culture encroach on the terrain of so called female freedom appearing supportive of female success yet tying women into new post feminist neurotic dependencies With a scathing critique of women s empowerment McRobbie has developed a distinctive feminist analysis that she uses to examine socio cultural phenomena embedded in contemporary women s lives from fashion photography and the television make over genre to eating disorders body anxiety and illegible rage A turning point in feminist theory *The Aftermath of Feminism* will set a new agenda for gender studies and cultural studies

The Monstrous-Feminine Barbara Creed, 2015-09-04 In almost all critical writings on the horror film woman is conceptualised only as victim In *The Monstrous Feminine* Barbara Creed challenges this patriarchal view by arguing that the prototype of all definitions of the monstrous is the female reproductive body With close reference to a number of classic horror films including the *Alien* trilogy T

Blackness at the Intersection Kehinde Andrews, Kimberlé Crenshaw, Annabel Wilson, 2024-02-08 A ground breaking collection applying Crenshaw s concept of intersectionality to the black diasporic experience in Britain In the 1980s Professor Kimberl Crenshaw first coined the term intersectionality Since then the concept has spread across national and disciplinary boundaries and has had a transformative impact on the way in which we understand identity and the experience of discrimination But outside the US the application of intersectional theory has largely been disconnected from any analysis of Blackness despite intersectionality s origins in critical race theory CRT Curated by Crenshaw Andrews and Wilson as well as several of the leading scholars of CRT this collection bridges that gap and is the first to apply both these concepts to contexts outside the US Focusing on Blackness in Britain the contributors examine how scholars and activists are employing intersectionality to foreground Black British experiences Its essays encompass key issues such as gender and Black womanhood issues of representation within contemporary British culture and the position of Black Britons within institutions such as the family education and health The book also looks to the role intersectionality can play in shaping future political activism and in forging links beyond Blackness to other social movements

The Social Life of Gender Raka Ray, Jennifer Carlson, Abigail Andrews, SAGE Publications, Inc., 2017-12-07 The Social Life of Gender provides a comprehensive approach to gender as an organizing principle of institutions history and unequal interpersonal relations This new title will develop students capacity to use gender analysis to question social life more broadly presenting a critical sociology based on the unique insights gleaned from the study of gender Through bold concise and intellectually generative writing the authors explore culture geopolitics and the economy providing students with a succinct accessible and critical grasp of core debates in the sociology of gender

Masquerade and Femininity Urszula Chowaniec, Ursula Phillips, Marja Rytönen, 2009-03-26 Masquerade and Femininity Essays on Russian and Polish Women Writers introduces the reader to the diversity of women s writing in Poland and Russia in the 19th and 20th centuries in the light of the notion of masquerade The present articles scrutinize particular works by women writers Nadezhda Dmitrievna Khvoshchinskaia Irina Odoevtseva Vera Pavlova Narcyza michowska Maria Komornicka Irena Krzywicka and others and the strategies of masquerading female experience Taken together the articles draw attention to the feeling of an inexpressible gap between the living body and its everyday life experience of pain and suffering or happiness and pleasure and the culturally constructed powerfully imposed code of expression that readily makes use of various masks guises and acts of pretending applied especially cleverly in literary works The concept of masquerade illuminates the complexity of what we call femininity by combining two sides of the divide the real feelings and the constructed expressions This volume uses both feminist and non feminist approaches to women s writing and sheds new light on the themes of femininity woman s identity experience masks body gender relations nature culture and authorship Masquerade and Femininity brings together East European literary studies and gender studies offering a comparative perspective on literature literary theory and cultural phenomena in Poland and Russia and featuring a range of both eastern European and western scholars In its pages the reader is invited to move beyond Russian literature and language into a dialogic approach between Slavic literatures This book will also contribute to filling the comparative gap which is still relatively unexplored not only with regard to the application of western scholarship to East European studies but also with regard to the dialogue between Russian and Polish scholarship

Star Gazing Jackie Stacey, 2013-11-05 In a historical investigation of the pleasures of cinema Star Gazing puts female spectators back into theories of spectatorship Combining film theory with a rich body of ethnographic research Jackie Stacey investigates how female spectators understood

Hollywood stars in the 1940 s and 1950 s Her study challenges the universalism of psychoanalytic theories of female spectatorship which have dominated the feminist agenda within film studies for over two decades Drawing on letters and questionnaires from over three hundred keen cinema goers Stacey investigates the significance of certain Hollywood stars in women s memories of wartime and postwar Britain Three key processes of spectatorship escapism identification and consumption are explored in detail in terms of their multiple and changing meanings for female spectators at this time Star Gazing demonstrates the importance of cultural and national location for the meanings of female spectatorship giving a new direction to questions of popular culture and female desire

Fictions of the Feminine in the Nineteenth-Century

Spanish Press Lou Charnon-Deutsch,2010-11-01 How was the female body perceived in the popular culture of late nineteenth century Spain Using a wide array of images from popular magazines of the day Lou Charnon Deutsch finds that women were typically presented in ways that were reassuring to the emerging bourgeois culture Charnon Deutsch organizes the 190 images reproduced in this book into six broad categories or fictions of the feminine she reads women s bodies as a romantic symbol of beauty or evil as a privileged link with the natural order as a font of male inspiration as a mouthpiece of bourgeois mores as a focalized point of male fear and desire and as an eroticized expression of Spanish exoticism and political ambitions These imaginary visions of femininity Charnon Deutsch argues were a response to and also helped to create gendered stereotypes by suggesting ideal feminine behavior and poses Further they comprised a reassuring between male cultural medium that provided graphic validation of women s docile body for a culture enthralled with femininity Integrating the fields of literature and cultural studies Charnon Deutsch s approach to this subject is unique Many of the images collected here are available for the first time and they represent only a fraction of the two thousand images Charnon Deutsch collected during her research This book will appeal to students of Spanish cultural studies and gender studies as well as to art historians

Women, Feminism and Media

Sue Thornham,2007-05-30 Over the past few decades feminist media scholarship has flourished to become a major influence on the fields of media film and cultural studies At the same time the cultural shift towards post feminism has raised questions about the continuing validity of feminism as a defining term for this work This book explores the changing and often ambivalent relationship between the three terms women feminism and media in the light of these recent debates At the same time it places them within the broader discussions within feminist theory about subjectivity identity culture and narrative of which they have formed a crucial part The book is organised around four key topic areas Fixing into Images offers a rethinking of one of the first preoccupations of feminist media analysis the relationship between women and images Narrating Femininity explores the narratives of femininity produced in media texts in the light of theories of narrative and identity Real Women examines both the continuing absence of women s voices from the genres of news and documentary and their over presence within popular reality media forms Finally Technologies of Difference examines the relationship between feminism women and new media technologies

Throughout the book explores key issues within feminist media studies both through specific examples and via critical engagement with the work of major theoretical writers Features A completely up to date study of the key areas of issue and debate in feminist media studies Includes case studies and discussion of the work of key writers in the field Contains readings of specific texts ranging from news and advertising to reality TV and postfeminist TV drama
