It'S Story Time in Magzland Margaret Simango, 2015-04-23 Magzland stories will take you places you have never been The stories are very short to make it possible for readers to read and enjoy them Many people are very busy these days so the style used in this book will make it easier for them The language used is simple to cater for those who speak English as their second language In addition these stories are mainly for children who love stories and most of the time their attention span is limited so these short stories will be cherished by these children The idea behind these stories is to help children to be creative There will be blank pages left for the children to write their own endings to the story or to create their own stories using the same characters if they are old enough to do so If they are still young they can draw pictures of the characters in the story Finally these stories will revive your interest in traditional
