Mexican Americans Past Present And Future

J Elliott

Mexican Americans Past Present And Future:

Mexican Americans Julian Nava, 1973 Traces the history of Mexicans in the United States and describes their social political and cultural contributions to their new country Includes a brief history of Mexico *Hispanic Americans in the United States* United States. Department of Housing and Urban Development. Library, 1974 *The Mexican American Orquesta* Manuel Peña, 2010-07-22 The Mexican American orquesta is neither a Mexican nor an American music Relying on both the Mexican orquesta and the American dance band for repertorial and stylistic cues it forges a synthesis of the two The ensemble emerges historically as a powerful artistic vehicle for the expression of what Manuel Peña calls the dialectic of conflict Grounded in ethnic and class conflict this dialectic compels the orquesta and its upwardly mobile advocates to waver between acculturation and ethnic resistance The musical result a complex mesh of cultural elements Mexican and American working and middle class traditional and contemporary In this book Manuel Peña traces the evolution of the orquesta in the Southwest from its beginnings in the nineteenth century through its pinnacle in the 1970s and its decline since the 1980s Drawing on fifteen years of field research he embeds the development of the orquesta within a historical materialist matrix to achieve the optimal balance between description and interpretation Rich in ethnographic detail and boldly analytical his book is the first in depth study of this important but neglected field of artistic culture *Mexican Americans with Moxie* Frank P. Barajas, 2021-08 In *Mexican Americans with Moxie* Frank P. Barajas argues that Chicanas and Chicanos of the 1960s and 1970s expressed politics distinct from the Mexican American generation that came of age in the decades prior Barajas focuses on the citrus communities of Fillmore and Santa Paula and the more economically diversified and populated urban municipalities of Oxnard Simi Valley and Ventura illustrating Ventura County's relationship to Los Angeles and El Movimiento's ties to suburbanization freeway construction and the rise of a high tech and defense industry corridor *Mexican Americans with Moxie* devotes particular attention to cross cultural dynamics that transcended space and generation The residents of Ventura County became involved with national issues such as the Vietnam War school desegregation labor and electoral politics The actions of Black students at the community colleges of Moorpark and Ventura and other area universities inspired Mexican American youth of Ventura County to assess their own activism *Mexican Americans with Moxie* situates the Chicana Chicano movement within the nation's struggle to achieve social justice From this history readers will gain a new appreciation for how leadership development spans generations and contributes to the identity formation of communities *Handbook of Latinos and Education* Juan Sánchez Muñoz, Margarita Machado-Casas, Enrique G. Murillo Jr., 2009-12-16 Providing a comprehensive review of rigorous innovative and critical scholarship relevant to educational issues which impact Latinos this Handbook captures the field at this point in time Its unique purpose and function is to profile the scope and terrain of academic inquiry on Latinos and education Presenting the most significant and potentially influential work in the field in terms of its contributions to research to professional practice and to the emergence of related

interdisciplinary studies and theory the volume is organized around five themes history theory and methodology policies and politics language and culture teaching and learning resources and information The Handbook of Latinos and Education is a must have resource for educational researchers graduate students teacher educators and the broad spectrum of individuals groups agencies organizations and institutions sharing a common interest in and commitment to the educational issues that impact Latinos *ETHNIC REALITIES OF MEXICAN AMERICANS* Martin Guevara Urbina,Joel E. Vela,Juan O.

Sanchez,2014-03-01 The goal of this book is to examine the ethnic experience of the Mexican American community in the United States from colonialism to twenty first century globalization The authors unearth evidence that reveals how historically white ideology combined with science law and the American imagination has been strategically used as a mechanism to intimidate manipulate oppress control dominate and silence Mexican Americans ethnic racial minorities and poor whites A theoretical and philosophical overview is presented focusing on the repressive practice against Mexicans that resulted in violence brutality vigilantism executions and mass expulsions The Mexican experience under hooded America is explored including religion the Ku Klux Klan and the Mexican American Civil Rights Movement Local state and federal laws are documented often in conflict with one another including the Homeland Security program that continues to result in detentions and deportations The authors examine the continuing argument of citizenship that has been used to legally exclude Mexican children from the educational system and thereby being characterized as not fit for the classroom nor entitled to an equitable education Segregation and integration in the classroom is discussed featuring examples of court cases As documented throughout the book American law is a constant reminder of the pervasive ideology of the historical racial supremacy socially defined and enforced ethnic inferiority and the rejection of positive social change equality and justice that continues to persist in the United States The book is extensively referenced and is intended for professionals in the fields of sociology history ethnic studies Mexican American Chicano studies law and political science and also those concerned with sociolegal issues Description Here *Social Controversy and Public Address in the 1960s and Early 1970s*

Richard J. Jensen,2017-10-01 The period between the 1960s and 1970s is easily one of the most controversial in American history Examining the liberal movements of the era as well as those that opposed them this volume offers analyses of the rhetoric of leaders including those of the civil rights movement the Chicano movement the gay rights movement second wave feminism and conservative resistance groups It also features an introduction that summarizes much of the significant research done by communication scholars on dissent in the 1960s and 1970s This time period is still a fertile area of study and this book provides insights into the era that are both provocative and illuminating making it an essential read for anyone looking to learn more about this time in America **Mexican Americans and Education** Estela Godinez Ballón,2015-04-16 As the Mexican American student population in U S public schools climbs to over 8 million the establishment of policies that promote equity and respect have never been more crucial In *Mexican Americans and Education* Estela Godinez Ball n

provides an overview of the relationship between Mexican Americans and all levels of U S public schooling Mexican Americans and Education begins with a brief overview of historical educational conditions that have impacted the experiences and opportunities of Mexican American students and moves into an examination of major contemporary institutional barriers to academic success including segregation high stakes testing and curriculum tracking Ball n also explores the status of Mexican American students in higher education and introduces theories and pedagogies that aim to understand and improve school conditions Through her extensive examination of the major issues impacting Mexican American students Ball n provides a broad introduction to an increasingly relevant topic Ball n uses understandable and accessible language to examine institutional and ideological factors that have negatively impacted Mexican Americans public school experiences while also focusing on their strengths and possibilities for future action This unique overview serves as a foundation for both education and Chicana o studies courses as well as in teacher and professional development

Mexican Americans Lois B. Jordan,1973 **The New Immigrants and American Schools** Marcelo M.

Suárez-Orozco,Carola Suárez-Orozco,Desirée Qin-Hilliard,2022-01-26 This six volume set focuses on Latin American Caribbean and Asian immigration which accounts for nearly 80 percent of all new immigration to the United States The volumes contain the essential scholarship of the last decade and present key contributions reflecting the major theoretical empirical and policy debates about the new immigration The material addresses vital issues of race gender and socioeconomic status as they intersect with the contemporary immigration experience Organized by theme each volume stands as an independent contribution to immigration studies with seminal journal articles and book chapters from hard to find sources comprising the most important literature on the subject The individual volumes include a brief preface presenting the major themes that emerge in the materials and a bibliography of further recommended readings In its coverage of the most influential scholarship on the social economic educational and civil rights issues revolving around new immigration this collection provides an invaluable resource for students and researchers in a wide range of fields including contemporary American history public policy education sociology political science demographics immigration law ESL linguistics and more Unwanted Mexican Americans in the Great Depression Abraham Hoffman,1974 Discouraged by widespread unemployment and alarmed by anti Mexican sentiment nearly five hundred thousand Mexican Americans returned to Mexico between 1929 and 1939 Historian Abraham Hoffman captures the despair of these thousands of people of Mexican descent including those with U S citizenship who were actively coerced into leaving the country Prior to 1931 many Mexican Americans left the United States voluntarily prompted by homesickness unemployment and the Mexican government s offer of free small land parcels As the Great Depression deepened repatriation pressures increased Anglo groups lobbied for laws that excluded aliens from jobs and welfare benefits Many businessmen government officials and social workers believed that removing Mexican Americans would open up jobs for U S citizens and alleviate some of the

burden placed on relief agencies The Department of Labor s federal deportation drive launched in 1931 created an atmosphere of fear and tension in Mexican American communities Immigration agents conducted surprise searches for people who had entered the country illegally and Mexicans who had crossed the border before restrictive legislation was passed became prime targets of the deportation campaign Welfare agencies throughout the United States organized repatriation programs The Los Angeles County Welfare Bureau with the most extensive program was responsible for the removal of more than thirteen thousand Mexican Americans A few well publicized deportations had frightened Mexicans who were unsure of their immigration status Many chose repatriation over possible deportation Using much archival material and many previously unpublished government documents Hoffman focuses on the repatriation experience in Los Angeles The city s large Mexican American population provides an excellent case study of the entire movement He also surveys the process of Mexican repatriation throughout the entire United States Mexican Americans; Resources to Build Cultural Understanding Lois B. Jordan,1973 **Hispanic Mental Health Research** Frank Newton,Esteban L. Olmedo,Amado M. Padilla,2024-03-29 This title was originally published in 1982 This title was originally published in 1982 *Critical Readings on Latinos and Education* Enrique G Murillo Jr,2019-01-14 This critical anthology showcases an interdisciplinary forum of scholars sharing a common interest in the analysis discussion critique and dissemination of educational issues impacting Latinos Drawing on the best of the past 20 years of the Journal of Latinos and Education the collection highlights work that has been seminal in addressing complex educational issues affecting and influencing the growing Latina and Latino population Chapters discuss the production and application of wisdom and knowledge to real world problems while engaging and collaborating with the interests of key stakeholders in other sectors outside the traditional academy Organized thematically around issues related to policy research practice and creative and literary works the collection is sure to extend and encourage novel ways of thinking about the ongoing and emerging questions around the unifying thread of Latinos and education Hearings, Reports and Prints of the Senate Committee on Appropriations United States. Congress. Senate. Committee on Appropriations,1969 **Mexican-American Library Project Information List** University of Texas at Austin. Library. Latin American Collection. Mexican American Library Project,1975 **Hearings** United States. Congress Senate,1969 *Journal of the American Bankers Association* American Bankers Association,1916 Bulletin Pan American Union,1915 **Journal of the American Bankers Association** ,1916
