On My Post Reggie Legend, 2024-11-29 This book series centers around my personal stories and reflections captured in no particular order Though I initially avoided platforms such as Facebook and Twitter preferring smaller websites and blogs that either I my friends or other colorful collaborators created my connection with social media was inevitable Upon publishing my first book *Steel Waters DUPLICATE AUTHENTICITY VOLUME I* as a collection of poems I immediately knew I d need a larger platform to show the world my content What began as a business quickly became personal as I released little quips along with long rants about the inner workings of my family faith and functioning as a black man in America What I ve amassed over the years has been gathered together as recollections of a rebel who initially balked at the idea of social media altogether but has since utilized it to challenge social norms shift paradigms and advance the Kingdom of God through the power of written words Some of the topics broached in this book include the following fatherhood from a Christian black man s perspective as son who s transitioned to being a father introspective reflections coined as *Mourning Mirror Talks* how faith influences my every day walk and life politics and the foolishness thereof music and culture specifically from a Hip Hop perspective I don t just do this for myself though My voice in many instances is your voice My concerns are your concerns So allow my strength words and an ever present heavenly Father God to be your strength

Ends of Assimilation John Alba Cutler, 2015 *Ends of Assimilation* examines how Chicano literature imagines the conditions and costs of cultural change arguing that its thematic preoccupation with assimilation illuminates the function of literature John Alba Cutler shows how mid century sociologists advanced a model of assimilation that ignored the interlinking of race gender and sexuality and characterized American culture as homogeneous stable and exceptional He demonstrates how Chicano literary works from the postwar period to the present understand culture as dynamic and self consciously promote literature as a medium for influencing the direction of cultural change With original analyses of works by canonical and noncanonical writers from Am rico Paredes Sandra Cisneros and Jimmy Santiago Baca to Estela Portillo Trambley Alfredo V a and Patricia Santana *Ends of Assimilation* demands that we reevaluate assimilation literature and the very language we use to talk about culture
