My Two Grandmothers:

My Two Grandmothers Diane Carmel Léger, 2016-04-05 A Canadian girl celebrates her bicultural family through stories of her two grandmothers in this charming children's book One speaks French and the other Speaks English They celebrate holidays differently and even their dogs are different Acadian M m re and Scottish Nannie seem to have nothing in common but their grandchildren but in this endearing picture book from bestselling author Diane Carmel Léger and noted illustrator Jean Luc Trudel difference is celebrated A co publication with New Brunswick's award winning Bouton d'or Acadie and simultaneously published in French Nannie and M m re is a whimsically illustrated heartwarming tale of the special relationship between grandparents and grandchildren and a celebration of cultural heritage

My Two Grandmas Laura Gale Shearer, 2007-11 Why are people so different This question led to a heartfelt conversation with my daughter After spending a weekend with both of her grandmothers she was processing her thoughts about their differences and how much she loved them both I quickly wrote them down and pondered how to capture her precious thoughts Thoughts which led to the writing of this book Grandmothers biological or adopted are such incredible blessings and the quality time they spend with their grandchildren is priceless This book examines the special qualities in my daughter's grandmothers their differences as well as their common love for her It includes a comparing contrasting model that the reader can use in their own life as well as a discussion guide for grandmothers and mothers alike Being different is a good thing and children need to realize that diversity whether at home or in the world around them is a part of life and to cherish the good in it Love is a gift and so are grandmothers My Two Grandmothers is a book to be enjoyed by children of all ages It also is a wonderful mentor text for teachers to use in their reading instruction

Ikponwosa I K Ero and Comfort Adesuwa Ero Wilma Rubens Patricia Lopez de Vloothduis Neung jae Park Mary Cavill Mansoor Ladha Chantal Hitayezu and many others With photographs by Shabnam Sukhdev My Two Grannies Floella Benjamin,2008 While her parents are away Alvina s two grandmothers come to take care of her but when her English grandmother s views begin to clash with those of Granny Vero who is from Trinidad Alvina must find a way to help them get along with one another **Bangkok** Leela Punyaratabandhu,2017-05-09 From one of the most respected authorities on Thai cooking comes this beautiful and deeply personal ode to Bangkok the top ranked travel destination in the world WINNER OF THE ART OF EATING PRIZE Every year more than 16 million visitors flock to Thailand s capital city and leave transfixed by the vibrant culture and unforgettable food they encounter along the way Thai cuisine is more popular today than ever yet there is no book that chronicles the real food that Thai people eat every day until now In Bangkok award winning author Leela Punyaratabandhu offers 120 recipes that capture the true spirit of the city from heirloom family dishes to restaurant classics to everyday street eats to modern cosmopolitan fare Beautiful food and location photography will make this a must have keepsake for any reader who has fallen under Bangkok s spell **I Know Me** Marian Olivia Heath Griffin,2020-10-30 It seems like yesterday that things that were happening in my life over seventy years ago demands that I trust in the loving purpose of a Sovereign God I have learned to trust that He is in control especially when life seems out of control I am prospering and am always hopeful because as a blessed African American woman I accept my responsibility to give back to the people in this country as much as it has given to me I will always acknowledge my roots as they are more important than ever I am an empty vessel but am versed with a spiritual being to complete a mission for God And I have an angel or angels who have guided me all my days They are sent from my Sovereign Creator Early Days Miss Read,2010-11-25 The enchanting childhood memoirs of bestselling author Miss Read Miss Read s early days were spent with two remarkable grandmothers one in Lewisham and one in Walton on the Naze EARLY DAYS is full of childhood memories of an extended family of uncles aunts and cousins and their houses full of mystery and adventure where Miss Read spent so much time living in the shadow of the First World War At the age of seven Miss Read moved to the small village of Chelsfield Kent into a magical new world and so began her love of the English countryside which was to have such a strong influence on her career as a writer Her evocative descriptions of the village school the joys of exploring the woods and lanes rich in wildlife and of childhood events from toffee making to the treat of a lift on the corn chandler s cart vividly convey this time as one of the happiest of her life Believing Again Daniel Taylor,2025-02-24 The numbers are alarming at least to people of faith Many especially the young are leaving the church and abandoning faith in God Social scientists have for decades been documenting with numbers what church leaders and families have experienced directly What is much less noted and evaluated is the substantial number of those who leave faith and the church and eventually come back to both Why people leave is an important question but so is why people return a question much less often addressed Once people have made a clear and

conscious break with their religious convictions and practice what leads many to return This book explores this important question primarily through listening to the stories these people tell It relies on stories not numbers allowing people to tell their own stories in their own words both why they left and why they returned One discovers from listening to their stories that there are recurring patterns People leave faith for common reasons and they also return for common reasons In fact many return for the flip side of why they left The shared factor in all returns is God s relentless love for each of them

to Harvard to study law as her father had and Francisco enlisted in the Army Air Corp serving as a tail gunner on a B 17 bomber His plane was seriously damaged in aerial combat over German occupied France where he bailed out Unconscious and wounded he was rescued by a beautiful young woman in the French Resistance only to learn he had lost his memory thus beginning two and a half years of war romance and adventure *Taken Care Of* Edith Sitwell, 2011-09-28 Dame Edith Sitwell died while this autobiography was in the course of printing One of the last acts of her life was to approve the specimen page from the printer She did not live to correct her proofs and what if any changes she might have made is a matter for conjecture The book as she wrote it must now stand as the last prose work to come from a great writer of the last century and a wise witty and compassionate woman I trust she wrote that I have hurt nobody Dame Edith was much more than one of the leading English poets of her lifetime Long long before the age of television introduced the synthetic professional personality she was a personality without the inverted commas and thus became a familiar figure to a public far wider than the readership of her poetry criticism and essays With her remarkable brothers she stood for certain important and lasting qualities in the artistic life of the nation for the war against philistinism for a progressive outlook that in its day seemed and was rebellious and yet for a spirit of continuity and tradition in art that has become apparent to the layman only in the perspective of time This sense of tradition and respect for the past was by no means incompatible with a degree of eccentricity which gives *Taken Care Of* its remarkable and unique flavour
