Nat Hentoff Reader:

The Nat Hentoff Reader Nat Hentoff, 2001-10-17 From the Bill of Rights freedom of speech and civil rights to jazz blues and country music Nat Hentoff has written about American life for decades in the Atlantic Monthly the New Yorker the Village Voice the Wall Street Journal and JazzTimes among countless other publications The New York Times has hailed Hentoff's work as an invigorating and entertaining reminder of why freedom of expression matters The Washington Post Book World has called Hentoff an old fashioned music lover who likes as Charlie Parker once put it to listen to the stories that good music tells Nat Hentoff is a legend And now for the first time here are his most important writings of the past twenty years the quintessential Hentoff on everything from Cardinal John O'Connor to Merle Haggard racism and political correctness in the classroom to Lester Young Dizzy Gillespie to the censorship of Huckleberry Finn Controversial You bet Whatever the topic The Nat Hentoff Reader shows a man of passion and insight of streetwise wit and polished eloquence a true American original

The Herridge Style Robert Herridge, 2025-01-14 Writer director and producer Robert Herridge left an enduring mark on the small screen from his stewardship of Camera Three in the early 1950s through the exciting days of live television The minimalist Herridge style that placed performers in front of a camera on a nearly empty soundstage as well as his unique brand of robust morbidity produced some of the most powerful performances to grace early TV Herridge pioneered dozens of innovative productions for the CBS and NBC networks in the 1950s and 60s ranging from provocative adaptations of works by Shirley Jackson and Tennessee Williams to premier dance collaborations with George Balanchine and Agnes de Mille He also created important jazz programs featuring the likes of Billie Holiday Thelonious Monk and Miles Davis But for more than sixty years his groundbreaking work has been almost completely overlooked by critics and historians In the first book devoted to Herridge's life and career editor John Sorensen weaves together Herridge's unpublished memoir with meticulous research into shows that have become cultural milestones The Herridge Style The Life and Work of a Television Revolutionary introduces Robert Herridge's experiments on screen and his extraordinary personal story to a new audience that has much to discover and enjoy in the oeuvre of an artist hailed as Television's Forgotten Auteur

The Day They Came to Arrest the Book Nat Hentoff, 2010-09-22 Who would have believed that The Adventure of Huckleberry Finn could cause the worst crisis in the history of George Mason High School Certainly not Barney Roth editor of the school paper But when a small but vocal group of students and parents decide that the book is racist sexist and immoral and should be removed from reading lists and the school library Barney takes matters into his own hands When the Huck Finn issue comes up for a hearing Barney decides to print his story about previous censorship efforts at school He's sure that investigative reporting and publicity can help the cause But is he too late to turn the tide of censorship

The Thelonious Monk Reader Rob van der Bliek, 2001-02-22 Of all the major jazz artists Thelonious Monk was one of the most original musical thinkers nonconformist idiosyncratic imaginative eccentric in a word unique In The Thelonious Monk Reader Rob van der

Bliek has brought together some of the most revealing pieces ever written on Monk providing a full portrait of the musician and his impact on the jazz world Here is a wealth of information that was previously scattered and difficult to locate including a wide range of articles profiles reviews interviews liner notes and music analyses Ranging in date from 1947 to 1999 these 39 pieces feature the work of some of our best jazz critics including Leonard Feather Ira Gitler Nat Hentoff Andre Hodeir Gunther Schuller Martin Williams and many others The book spans Monk s childhood and early recordings with Blue Note and Prestige his Riverside period and the critical recognition that followed the release of Brilliant Corners and his fame and fortune during his Columbia years Readers will find colorful descriptions of Monk s eccentric lifestyle as well as thoughtful commentary on his unorthodox piano technique which was marked by off center accents and idiosyncratic voicings broken rhythms alternately dense and stripped down chords and creative use of silence Rob van der Bliek also provides a general introduction and brief introductions to each piece as well as critical annotations that place the work in context Controversial often contradictory and always engaging these readings offer a complete view of the man his music and his time The only such book on Monk s life and work this volume will be must reading for jazz fans and scholars musicians music lovers and readers with an interest in African American culture No Job? No Prob! Nicholas Nigro,2008 In No Job No Prob business writer Nicholas Nigro shows readers how to convert unemployment lemons into refreshing lemonade Offering advice that is at once motivational when unemployment comes calling start walking and don t look back practical 20 ways to make yourself leave the house at least once a day and fun 20 things you can do with your retired briefcase No Job No Prob is the most well rounded and optimistic unemployment guide available It also includes useful quizzes that will help you take stock of what you have decide what you want and figure o *Gender in American Literature and Culture* Jean M. Lutes,Jennifer Travis,2021-04-15 *Gender in American Literature and Culture* introduces readers to key developments in gender studies and American literary criticism It offers nuanced readings of literary conventions and genres from early American writings to the present and moves beyond inflexible categories of masculinity and femininity that have reinforced misleading assumptions about public and private spaces domesticity individualism and community The book also demonstrates how rigid inscriptions of gender have perpetuated a legacy of violence and exclusion in the United States Responding to a sense of 21st century cultural and political crisis it illuminates the literary histories and cultural imaginaries that have set the stage for urgent contemporary debates Musical Migration and Imperial New York Brigid Cohen,2022-05-05 Through archival work and storytelling *Musical Migration and Imperial New York* revises many inherited narratives about experimental music and art in postwar New York From the urban street level of music clubs and arts institutions to the world making routes of global migration and exchange this book redraws the map of experimental art to reveal the imperial dynamics and citizenship struggles that continue to shape music in the United States Beginning with the material conditions of power that structured the cityscape of New York in the early Cold War years Brigid Cohen looks at a

wide range of artistic practices concert music electronic music jazz performance art and actors Edgard Var se Charles Mingus Yoko Ono and Fluxus founder George Maciunas as they experimented with new modes of creativity Cohen links them with other migrant creators vital to the city s postwar culture boom creators whose stories have seldom been told Halim El Dabh Michiko Toyama Vladimir Ussachevsky She also gives sustained and serious treatment to the work of Yoko Ono something long overdue in music scholarship Musical Migration and Imperial New York is indispensable reading offering a new understanding of global avant gardes and American experimental music as well as the contrasting feelings of belonging and exclusion on which they were built

Black World/Negro Digest ,1965-06 Founded in 1943 Negro Digest later Black World was the publication that launched Johnson Publishing During the most turbulent years of the civil rights movement Negro Digest Black World served as a critical vehicle for political thought for supporters of the movement

Lester Leaps In Douglas H. Daniels,2003-02-17 He was jazz s first hipster He performed in sunglasses and coined and popularized phrases like that s cool and you dig He always wore a suit and his trademark porkpie hat He influenced everyone from B B King to Stan Getz to Allen Ginsberg creating a lyrical style of playing that forever changed the sound of the tenor saxophone In this groundbreaking biography of Lester Young 1909 1959 historian Douglas Daniels brings to life the man and his world and corrects a number of misconceptions Even though others have identified Young as a Kansas City musician Daniels traces his roots to the blues of Louisiana and his early years traveling with his father s band and the legendary Oklahoma City Blue Devils Later we see the jazz culture of New York in the early 1940s when Young was launched to national and international fame with the Count Basie Orchestra and began to accompany his close friend Billie Holiday After a year spent in an Army prison on a conviction for marijuana use Young made changes in his music but never lost his sensitivity or soul The first ever to gain access to Young s family and many musicians who performed with him Daniels reconstructs the world in which Young lived and played the racism that he and other black musicians faced the feeling of home and family that they created together on the road and what his music meant to black audiences Young emerges as a kind friend a loving parent and a gentle and sensitive man who had in the words of Reginald Scott the saddest eyes I ever saw

Reading America Matthew Guillen,2007 Is there a unique visual infrastructure that keeps and defines a culture Professor Guillen discusses a culture built entirely on the visual modality and most significantly on that province of the visual we negotiate through the written word Although this work analyzes features critical to the American legal tradition from its origins in Anglo Saxon jurisprudence to recent Supreme Court decisions substantially exploring Judge Scalia s originalist movement and Posner s law and economics theories the presiding agency remains the power of the written language to provide scaffolding to American culture Writing it is argued contours our worldview our laws morality science social problems and affects film media broadcasting comics and literary criticism The effects of our national formation and the literature that sprung up to discuss the new nation and define its people have directly led to the evolution of our idiosyncratic legal and philosophical

perspectives The title of this work purposely carries a double meaning since it proposes to deal with a reading of American culture through its legal and cultural legacy as well as concluding with questions revolving around a well informed American readership essential for the preservation of the culture as well as the continued existence of a national collective conscience

Reading Jazz Robert Gottlieb, 2014-02-19 Comprehensive and intelligently organized Jazz aficionados should be grateful to have so much good writing on the subject in one place The New York Times Book Review Alluring Capture s much of the breadth of the music as well as the passionate debates it has stirred more vividly than any other jazz anthology to date Chicago Tribune No musical idiom has inspired more fine writing than jazz and nowhere has that writing been presented with greater comprehensiveness and taste than in this glorious collection In Reading Jazz editor Robert Gottlieb combs through eighty years of autobiography reportage and criticism by the music s greatest players commentators and fans to create what is at once a monumental tapestry of jazz history and testimony to the elegance vigor and variety of jazz writing Here are Jelly Roll Morton recalling the whorehouse piano players of New Orleans in 1902 Whitney Balliett profiling clarinetist Pee Wee Russell poet Philip Larkin with an eloquently dyspeptic jeremiad against bop Here too are the voices of Billie Holiday and Charles Mingus Albert Murray and Leonard Bernstein Stanley Crouch and LeRoi Jones reminiscing analyzing celebrating and settling scores For anyone who loves the music or the music of great prose Reading Jazz is indispensable The ideal gift for jazzniks and boppers everywhere It gathers the best and most varied jazz writing of more than a century Sunday Times London The Festering Season Kevin Tinsley, 2002 Mystery and supernatural suspense abound in this polemical tale of an urban vodou priestess Ambitious political pointedly critical and very New York centric this is an engaging fast paced action drama QPublishers Weekly **The Reading Life** Peter Bollen, 2022-12-11 Collected columns Reviews Interesting exclusive interviews with noted authors **Excelsior, You Fathead!** Eugene B. Bergmann, 2006-01-01 Jean Shepherd 1921 1999 master humorist is best known for his creation A Christmas Story the popular movie about the child who wants a BB gun for Christmas and nearly shoots his eye out What else did Shepherd do He is considered by many to be the Mark Twain and James Thurber of his day For many thousands of fans for decades Shep talked on the radio late at night keeping them up way past their bedtimes He entertained without a script improvising like a jazz musician on any and every subject you can imagine He invented and remains the master of talk radio Shepherd perpetrated one of the great literary hoaxes of all time promoting a nonexistent book and author and then brought the book into existence He wrote 23 short stories for Playboy four times winning their humor of the year award and also interviewed The Beatles for the magazine He authored several popular books of humor and satire created several television series and acted in several plays He is the model for the character played by Jason Robards in the play and movie A Thousand Clowns as well as the inspiration for the Shel Silverstein song made famous by Johnny Cash A Boy Named Sue Readers will learn the significance of innumerable Shepherd words and phrases such as Excelsior you fathead and observe his constant

confrontations with the America he loved They will get to know and understand this multitalented genius by peeking behind the wall he built for himself a wall to hide a different and less agreeable persona Through interviews with his friends co workers and creative associates such as musician David Amram cartoonist and playwright Jules Feiffer publisher and broadcaster Paul Krassner and author Norman Mailer the book explains a complex and unique genius of our time Shepherd pretty much invented talk radio What I got of him was a wonder at the world one man could create I am as awed now by his achievement as I was then Richard Corliss Time magazine online *Border Dance* Jimi Calhoun,2023-10-11 Every culture on earth has at one time or another danced From tribal times forward people have danced to socialize express themselves creatively and promote societal unity The borders that separate us came much later in human development It is time to return to our roots and dance dance dance That is because dance has the unique ability to unite a person s mind body and soul In his capacity as a touring bassist Jimi Calhoun witnessed thousands upon thousands of people lose themselves in dance Suddenly ethnic racial and religious differences disappear Borders on the other hand divide religious communities races and nations Human conflict is perpetuated by these boundaries What is written within these pages will show you ways to dance across divisions by means of a choreography of altruism This is a book that invites you to dance to the rhythms of grace that result in true harmony and unity **Morality USA** Ellen G. Friedman,1998 In today s world moral uncertainty is found everywhere MORALITY USA calls for recognition of the multiplicity of moral structures that now exist and argues that we need to rethink our concepts of morality Controversial comprehensive engaging and timely MORALITY USA is sure to spark debate and contemplation across political and social spectrums 23 photos **The Miles Davis Reader** Frank Alkyer,2023-11-30 If you ever needed proof that a magazine can have a love affair with a musician you re holding it in your hands For DownBeat the preeminent publication of the jazz world Miles Dewey Davis was one of its most cherished subjects Since it began covering the jazz scene in 1939 no other artist has been more diligently chronicled in its pages than Davis The beauty of this collection is seeing the development of an artist over time The reviews of his music go from quietly introducing a new talent to revering perhaps the greatest jazz artist of his generation The feature articles begin with a very young very polite Davis lamenting I ve worked so little I could probably tell you where I was playing any night in the last three years As he develops the interviews show Davis gaining confidence and stature showing swagger and becoming the over the top say it like it is showman that made every interview an event The Miles Davis Reader compiles more than 200 news stories feature articles and reviews by some of the greatest writers in jazz into one volume It delivers a patchwork of his words and music in the moment as they happened With several lengthy features added along with a dozen new photographs this new edition is a beautiful series of snapshots a year by year ride through the many phases of Davis as an artist and as a man **Advocacy Journalists** Edd Applegate,2009-05-11 This book focuses on the lives of journalists and editors who contributed to advocacy journalism Each entry contains biographical information about the journalists their professional careers major works and in

some cases commentary on those works **Reading and Writing for Civic Literacy** Donald Lazere, 2017-07-05 Lazere's book is heaven sent and will provide a crucial link in the chain of understanding how conflicts are structured and most importantly how they can be rationally addressed a healthy antidote to the scepticism that has become so pervasive in academic life Alan Hausman Hunter College This innovative book addresses the need for college students to develop critical reading writing and thinking skills for self defence in the contentious arena of American civic rhetoric In a groundbreaking reconception of composition theory it presents a comprehensive critical perspective on American public discourse and practical methods for its analysis Exercises following the text sections and readings help students understand the ideological positions and rhetorical patterns that underlie opposing viewpoints in current controversies such as the growing inequality of wealth in America and its impact on the finances of college students as expressed in paired sets of readings from the political left and right Widely debated issues of whether objectivity is possible and whether there is a liberal or conservative bias in news and entertainment media as well as in education itself are foregrounded as topics for rhetorical analysis *JazzTimes* ,1998-05 JazzTimes has been published continuously since 1970 and is the recipient of numerous awards for journalism and graphic design A large cross-section of music aficionados and fans alike view JazzTimes as America's premier jazz magazine In addition to insightful profiles of emerging and iconic stars each issue contains over 100 reviews of the latest CDs Books and DVDs Published ten times annually JazzTimes provides uncompromising coverage of the American jazz scene

The Top Books of the Year Nat Hentoff Reader The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year. Nat Hentoff Reader : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Nat Hentoff Reader : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Nat Hentoff Reader : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
