National Bus Company: 1972-1986 Michael Hitchen, 2025-02-15 Previously unpublished images celebrating this fascinating period in the history of the National Bus Company NBC National Bus Company Dual Purpose Vehicles Michael Hitchen, 2019-05-15 Previously unpublished photographs documenting this fascinating and overlooked part of NBC vehicle history National Bus Company Service Vehicles 1972-1986: Another Look Michael Hitchen, 2023-06-15 A follow up to the popular first volume looking at service vehicles in the golden age of the National Bus Company **Making Connections** Margaret Walsh, 2020-07-24 An examination of the varied paths of the American inter city bus industry from its origins in the second decade of the 20th century to deregulation in 1982 This sector of transport has been much neglected by historians and this book seeks to uncover a range of useful and pertinent information to those who are interested in understanding entrepreneurial endeavours patterns of mobility and consumer attitudes It analyzes the development of the national industry probes the growth of particular companies and investigates specific aspects of business behaviour The work is presented as a series of focused essays which offer insights into such topics as regulation marketing gender patterns and intermodal competition It draws on diverse archival materials government surveys and findings trade publications interviews and photographs A wide ranging bibliographical essay offers a guide to available sources **Fareham Revisited** Michael Stephenson, 2015-07-30 Fareham Revisited started out as a poem which Michael Stephenson was inspired to write when he was reflecting on how much his home town had changed since the 1950s and 1960s The poem and its sentiments struck a chord with so many people that he decided to write a book about Fareham that would evoke more of these memories The book was privately published in 2004 This new revised and expanded edition will delight anyone who remembers the town in its heyday and will also intrigue newcomers Part memoir and part history Fareham Revisited perfectly captures the allure of the shops and caf s along the Golden Mile the alleyways or drokes the old cottages the market with its livestock the coal barges at the Quay and the well known characters including dairy boss Tom Parker who drove around Fareham in a four horse power carriage though his milkmen still used the horse and cart For bus and railway enthusiasts this too is the perfect book as the author casts an expert eye on the bus companies that plied their trade in Fareham with their distinctive livery and remembers the last days of steam trains of which he had a privileged view as the house in which his family lived was next to the railway line **The Charabanc** Alf Townsend, 2013-03-15 The illustrated history of this popular vehicle which took workers on daytrips in the fifties before the advent of annual leave A nostalgic subject with national interest *National Bus Company Service Vehicles 1972-1986* Michael Hitchen, 2018-04-15 A revealing pictorial history of the service vehicles used
