National Drug Control Strategy United States. Office of National Drug Control Policy, 2002 **National Drug Control Strategy** United States. Office of National Drug Control Policy, 1999 **National Drug Control Strategy** United States. Office of National Drug Control Policy, 2001 *NCJRS Catalog*, 2001 **Encyclopedia of Criminology** J. Mitchell Miller, Richard A. Wright, 2013-12-17 This three volume work offers a comprehensive review of the pivotal concepts measures theories and practices that comprise criminology and criminal justice No longer just a subtopic of sociology criminology has become an independent academic field of study that incorporates scholarship from numerous disciplines including psychology political science behavioral science law economics public health family studies social work and many others The three volume Encyclopedia of Criminology presents the latest research as well as the traditional topics which reflect the field's multidisciplinary nature in a single authoritative reference work More than 525 alphabetically arranged entries by the leading authorities in the discipline comprise this definitive international resource The pivotal concepts measures theories and practices of the field are addressed with an emphasis on comparative criminology and criminal justice While the primary focus of the work is on American criminology and contemporary criminal justice in the United States extensive global coverage of other nations justice systems is included and the increasing international nature of crime is explored thoroughly Providing the most up to date scholarship in addition to the traditional theories on criminology the Encyclopedia of Criminology is the essential one stop reference for students and scholars alike to explore the broad expanse of this multidisciplinary field *Monthly Catalog of United States Government Publications*, 2004 **Insurgency, Authoritarianism, and Drug Trafficking in Mexico's Democratization** Jose L. Velasco, 2017-09-25 Mexico's democratic transition has created a competitive electoral system and a formally plural state Besides a peculiar wave of insurgency started in 1994 has challenged the alleged moderating effect of democratic transition This book argues that socioeconomic inequality is the main factor behind this combination of democratic and undemocratic trends **The Rebordering of North America** Peter Andreas, Thomas J. Biersteker, 2014-05-12 The U S Mexico and U S Canada borders are the two busiest land crossings in the world Canada and the United States are each other's largest trading partners and Mexico is America's second largest trading partner with trade between the two nations more than tripling since the start of NAFTA The many immediate ripple effects of the terrorist attacks on the World Trade Center and the Pentagon included a dramatic tightening of North American border controls and a hardening of the policy discourse about cross border flows This is the first book that explores the implications of September 11th and the new war on terrorism for border controls cross border relations and economic integration in North America The volume makes a unique contribution to important scholarly and policy discussions over the meaning and management of borders in an increasingly borderless regional and global economy and adds fuel to broader debates over the changing nature of borders and territorial politics in a radically transformed security

environment **The United States and Peru** Cynthia McClintock, Fabian Vallas, 2018-10-24 The early 1990s marked a critical turning point in the relationship between the United States and Peru Prior to the election of Albert Fujimori in 1990 the relationship between governments had been contentious Fujimori however sought to work together with the United States regarding issues such as security threats free market reform and narcotics control Yet even with this new spirit of cooperation the two governments still clashed over international standards of democracy and human rights at a time when most Latin American countries were much more democratic This work traces the relationship between the two countries from 1990 2000 examining political and military issues including drug trafficking guerrillas human rights violations and the US role in the 1995 war between Peru and Ecuador *Legalizing Marijuana* Paul Ruschmann, 2009 Marijuana and prohibition Marijuana is too dangerous to be legal The dangers of marijuana are exaggerated Enforcement of marijuana laws is uneven ineffective and wasteful Marijuana laws must be strictly enforced Relaxing marijuana laws would be good for society Relaxing marijuana laws would lead to too many problems The future of marijuana policy in the United States
