The Cute and the Cool Gary Cross, 2004-04-01 The twentieth century was by any reckoning the age of the child in America Today we pay homage at the altar of childhood heaping endless goods on the young reveling in memories of a more innocent time and finding solace in the softly backlit memories of our earliest years We are the proclamation goes just big kids at heart And accordingly we delight in prolonging and inflating the childhood experiences of our offspring In images of the naughty but nice Buster Brown and the coquettish but sweet Shirley Temple Americans at mid century offered up a fantastic world of treats toys and stories creating a new image of the child as cute Holidays such as Christmas and Halloween became blockbuster affairs vehicles to fuel the bedazzled and wondrous innocence of the adorable child All this Gary Cross illustrates reflected the preoccupations of a more gentle and affluent culture but it also served to liberate adults from their rational and often tedious worlds of work and responsibility But trouble soon entered paradise The cute turned into cool as children following their parental example embraced the gift of fantasy and unrestrained desire to rebel against the saccharine excesses of wondrous innocence in deliberate pursuit of the anti cute Movies comic books and video games beckoned to children with the allures of an often violent sexualized and increasingly harsh worldview Unwitting and resistant accomplices to this commercial transformation of childhood adults sought over and over again in repeated and predictable cycles to rein in these threats in a largely futile jeremiad to preserve the old order Thus the cute child deliberately manufactured and cultivated has ironically fostered a profoundly troubled ambivalence toward youth and child rearing today Expertly weaving his way through the cultural artifacts commercial currents and parenting anxieties of the previous century Gary Cross offers a vibrant and entirely fresh portrait of the forces that have defined American childhood

Hollywood Madonna Bernard F. Dick, 2025-05-15 Loretta Young 1913 2000 was an Academy Award winning actress known for devout Catholicism and her performances in The Farmer's Daughter The Bishop's Wife and Come to the Stable and for her long running and tremendously popular television series But that was not the whole story Hollywood Madonna explores the full saga of Loretta

Young's professional and personal life. She made her film debut at age four, became a star at fifteen, and many awards and accolades later made her final television movie at age seventy-six. This biography withholds none of the details of her affair with Clark Gable and the daughter that powerful love produced. Bernard F. Dick places Young's affair in the proper context of the time and the choices available to women in 1935, especially a noted Catholic like Young whose career would have been in ruins if the public knew of her tryst. With the birth of a daughter who would have been branded a love child, Loretta Young reached the crossroads of disclosure and deception, choosing the latter path. That choice resulted in an illustrious career for her and a tortured childhood for her daughter.
