Asian Competitors: Marketing For Competitiveness In The Age Of Digital Consumers Philip

Kotler, Hermanwan Kartajaya, Den Huan Hooi, 2019-03-15 Today's dynamic and uncertain environment has contributed to the changing nature of markets In order for companies to keep up they will need to embark on new wave marketing to ride the wave of opportunities provided by the changes in the environment such as the digital revolution This is critical all over the world but none more so than in Asia Asia is not only the world's biggest market but also the fastest growing It is therefore essential for marketers to understand the dynamics of Asian companies and what they have to offer to the wider world This book analyzes competitive companies from 18 Asian countries that have successfully practiced new wave marketing and in so doing provide invaluable lessons that others may find useful Comprehensive case studies are used not only to describe how

some of Asia's best companies compete but also to analyze the concepts of new wave marketing their actions are based on This book is unique in its depth and breadth of cases from companies in the ASEAN region to North east Asia including Mongolia and SAARC The authors of this book Professor Philip Kotler arguably the Father of Modern Marketing Hermawan Kartajaya from Indonesia and Hooi Den Huan from Singapore are all experts in their field and have previously produced other bestsellers This book with its focus on real life examples of competitive Asian companies in the age of digitalization complements the principles and theoretical frameworks of new wave marketing that are detailed in its sister book Together these books provide a comprehensive picture of the changing Asian marketing landscape *Advances in Islamic Finance, Marketing, and Management* Dilip Mutum, Mohammad Mohsin Butt, Mamunur Rashid, 2016-12-22 Of interest to both academics and practitioners who assist in making Shariah centric strategies this work is particularly important as Asia holds a major percentage of Islamic assets in South Asia Southeast Asia and the Middle East with new opportunities opening in Central Asia *Digital Natives as a Disruptive Force in Asian Businesses and Societies* Dastane, Omarkar, Aman, Aini, Bin Mohd Satar, Nurhizam Safie, 2023-07-03 A new generation of Asian entrepreneurs is bringing their creativity innovation and digital expertise to market assisting the region in becoming a disruptive force on the global stage Live commerce which combines fast purchases with entertainment is revolutionizing China's retail industry and new applications are making users lives easier and more intertwined A relatively young and increasingly well educated population driven by Millennials and Gen Zs is driving such high levels of internet and mobile usage In the following decade these digital natives born between 1997 to 2012 will account for one third of Asia's consumption Despite its relevance there is a scarcity of research on digital natives and transformation in Asia or reflections of the same in a global context *Digital Natives as a Disruptive Force in Asian Businesses and Societies* fosters multidisciplinary collaboration in order to uncover fresh theoretical and empirical views on digital natives digital technology and digital revolutions in Asian enterprises and society Covering key topics such as the digital divide internet marketing and social commerce this major reference work is ideal for government officials business owners managers policymakers scholars researchers academicians practitioners instructors and students *Creating Livable Asian Cities* Bambang Susantono, Robert Guild, 2021-04-01 This book explores how Asia's fast growing cities can fulfil their potential as engines of economic prosperity and provide a livable environment for all citizens But for this to happen major challenges that reduce urban communities quality of life and economic opportunities must be addressed These include poor planning a lack of affordable housing inequalities pollution climate vulnerabilities and urban infrastructure deficits The book's 19 articles unwrap these challenges and present solutions focused on smart and inclusive planning sustainable transport and energy innovative financing and resilience and rejuvenation *Ethical and Social Marketing in Asia* Bang Nguyen, Chris Rowley, 2015-02-16 There is a growing interest in firms adoption of ethical and social marketing approaches among academics and practitioners alike Ethical Marketing is the application of ethics into the marketing process and Social

Marketing is a concept that seeks to influence a target audience for the greater social good Ethical and Social Marketing in Asia examines this so far unexplored area investigating why differing cultures and consumption behaviours require different emphasis in different markets The diversity of the Asian countries provides a perplexing environment to the development and management of ethical and social marketing The belief that bottom line profits is enough for a company is often not favourably viewed by Asian countries emphasising collective social and long term benefits for the people and country Due to these interesting characteristics and complexities the study of ethical and social marketing in Asia is a timely topic The first chapters introduce Ethical Marketing in Asia followed by case studies of how the approach is used across 14 diverse economies geographically based on clusters North East China Taiwan Japan South Korea South East Singapore Malaysia Thailand Vietnam Cambodia the Philippines Indonesia and South Asia India Pakistan Bangladesh The second part discusses Social Marketing using the same sequence of regions and economies and the third part explores the unique link to Fairness Management in Asia followed by a conclusion Explores the nature of ethical and social marketing from an Asian perspective Discusses current ethical and social marketing researches and practices in different areas industries commercial and non commercial sectors Serves as an invaluable resource for marketing academics and practitioners requiring more than anecdotal evidence of different ethical and social marketing applications Compares and contrasts unethical situations covering important aspects related to ethics society and fairness Includes an interesting mix of theory research findings and practices

Transcultural Marketing Marye Tharp, 2014-12-17 Because American consumers transmigrate between social identities in expressing their values and affiliations marketers must apply transcultural marketing methods and offer a cultural values proposition to build long term customer relationships This unique book weaves these topics into profiles of 9 influential American subcultures currently shaping their members marketplace choices

Marketing Communications Lynne Eagle, Barbara Czarnecka, Stephan Dahl, Jenny Lloyd, 2014-08-27 With the proliferation of digital and social media there has never been a more dynamic time to engage with marketing communications and never has the integration of marketing communications marcoms principles into a strategic marketing plan been more challenging Even the best product in the world won't sell without the right reach to your potential customers and the right message to engage them This textbook applies a uniquely practical approach to the topic so that whilst a structured overview of planning development implementation and evaluation of marketing communications is in place the detailed cases made available by the Institute for Practitioners in Advertising IPA show how actual challenges faced by professionals in the field were addressed This book will help you to develop the skills you need to turn theory into the right integrated communication plan in order to succeed in an increasingly competitive environment Aided by a veritable wealth of pedagogical features Marketing Communications will be essential reading for both students and professionals in marketing communications and public relations This textbook also benefits from a companion website which includes a comprehensive instructor's guide with PowerPoint slides testbank
