**Self-Healing: The only introduction you'll ever need (Principles of)** David Lawson,2013-04-11 In these high pressure times we are in need of ways to relax and gain a sense of happiness and peace There are many skills and techniques that we can master to bring healing and well being to our minds bodies and emotions **Principles of the Enneagram** Karen Webb,2012-11-15 The new and updated edition of this classic book presents an authoritative introduction to the Enneagram a curiously accurate system of knowledge about human personality based on an ancient diagram of a nine pointed star It covers all the key aspects of the system from historical roots to how it can be applied **Principles of Qabalah** Amber Jayanti,1998-10 The Qabalah is a secret mystical tradition which is believed to hold the spiritual truths behind all religious traditions Passed down through the ages by Jewish Christian Muslim and Hermetic scholars it has been called the yoga of the west This introductory guide includes the history of the Qabalah its connections to magic astrology mythology and the Tarot and how it can help you lead a healthier more balanced life **Principles of Taoism** Paul Wildish,2000 The Tao or the Way has been one of the principle influences on Chinese civilization and culture over the last 5 000 years **Books in Print** ,1991 *Subject Guide to Children's Books in Print 1997* Bowker Editorial Staff,R R Bowker Publishing,1996-09 *The Scriptures of Won Buddhism* Bongkil Chung,2003-01-31 Won Buddhism one of the major religions of modern Korea was established in 1916 by Pak Chung bin 1891 1943 later known as Sot aesan In 1943 Sot aesan published a collection of Buddhist writings the Correct Canon of Buddhism Pulgyo chongjon which included the doctrine of his new order Four years later the second patriarch Chongsan 1900 1962 had the order compile a new canon which was published in 1962 This work translated here as The Scriptures of Won Buddhism Wonbulgyo kyojon consists of the Canon a redaction of the first part of the Pulgyo chongjon and the analects and chronicle of the founder known as the Scripture of Sot aesan The present translation incorporates critical tenets from the 1943 Canon that were altered in the redaction process and offers persuasive arguments for their re inclusion **Library Journal** ,1996 **History as past ethics; an introduction to the history of morals** P. V. N. Myers,2025-03-02 In History as Past Ethics An Introduction to the History of Morals P V N Myers embarks on a profound exploration of the evolution of moral philosophy through the ages The book employs a critical analytical lens offering readers a meticulously structured narrative that weaves historical developments with ethical theories and practices Myers utilizes a blend of historical documents philosophical discourse and case studies to elucidate how moral convictions have been shaped by cultural political and social dynamics His literary style is both scholarly and accessible making complex ideas digestible for a diverse audience while positioning the work within a rich tapestry of moral philosophy and historiography P V N Myers is an esteemed scholar with a deep seated interest in ethical theory and its applications to historical contexts His academic background in philosophy and history informs his narrative allowing him to bridge the gap between theoretical constructs and real world implications Myers s commitment to understanding morals in

their historical contexts reflects his desire to illuminate ethical dilemmas faced throughout human civilization encouraging contemporary readers to reflect on their own moral frameworks This book is essential for anyone interested in the intersection of history and ethics including students educators and general readers Myers offers valuable insights that challenge preconceived notions prompting an enriched understanding of how past ethical discussions resonate in today's moral landscape History as Past Ethics invites readers to engage in a transformative intellectual journey promoting a deeper understanding of the ethical dimensions of history

**Rewriting the Rules** ,2012-11-12 We live in a time of great uncertainty about relationships We search for The One but find ourselves staying single because nobody measures up The reality of our relationships is not what we expected and it becomes hard to balance it with all the other things that we want out of life At the same time that marriage shows itself to be the one recession proof industry the rates of separation and break up soar ever higher Rewriting the Rules is a friendly guide through the complicated and often contradictory rules of love the advice that is given about attraction and sex monogamy and conflict gender and commitment It asks questions such as which to choose from all the rules on offer Do we stick to the old rules we learnt growing up or do we try something new and risk being out on our own This book considers how the rules are being rewritten in various ways for example the new monogamy alternative commitment ceremonies different ways of understanding gender and new ideas for managing conflict and break up where economics and child care make complete separation a problem In this way Rewriting the Rules gives the power to the reader to find the approach which fits their situation

**Forthcoming Books** Rose Army,2002-02 **Light** ,1883 *A New Buddhist Movement II* Sangharakshita,2022-08-18 This illuminating collection of previously unpublished talks traces the development of Sangharakshita's presentation of the Dharma in the West from 1965 to 2011 Drawing on a wide range of sources from the P li canon and The Tibetan Book of the Dead to Beowulf and William Wordsworth there are many intriguing perspectives

[The Essence of Chan](#) Guo Gu,2012-11-14 Legend has it that more than a thousand years ago an Indian Buddhist monk named Bodhidharma arrived in China His approach to teaching was unlike that of any of the Buddhist practitioners who had come to China before him Bodhidharma confounded and infuriated the emperor with cryptic dialogues before traveling the country and eventually settling into a cave behind Mount Song where he meditated for nine years waiting to transmit his teachings to the right person He would later be credited as the founder of Chan Buddhism Bodhidharma had such an impact on Chinese Buddhism because of the directness of his teaching We are intrinsically free from vexations and afflictions he taught and our true nature is already perfect and undefiled Two Entries and Four Practices

is one of the few texts that Bodhidharma composed This short scripture contains the marrow or essence of all his teachings Chan teacher Guo Gu offers a translation of this significant text as well as an elaboration on the teachings on life and practice that it presents which reflect the essence of Chan itself     **The Index ...** Francis Ellington Abbot, William James Potter, Benjamin Franklin Underwood, 1871     **The Hidden Ground of Love** Thomas Merton, 1985 Evelyn Waugh at the start of Thomas Merton's monastic career advised him to write serious letters and also urged him to make an art of it This advice flowered in the sixties especially after his monastic superiors ordered him to cease publishing anything on war and peace Monk concerned with peace Bad image Merton seethed in a letter and launched his series of privately circulated mimeographed Cold War Letters one third of which are published for the first time in this book The Hidden Ground of Love is a rich collection of Merton's letters in a period of his greatest concern about religion's seeming powerlessness against global violence and nuclear war Though the book concentrates primarily on the last decade of his 27 years as a Trappist it opens with a few early letters to Catherine Doherty before he became a monk His extraordinary growth as a mystic and religious thinker deeply concerned about the materialistic world's drift toward the abyss is revealed in these pages     *Experiential Psychotherapy with Couples* Rob Fisher, 2002 Couple psychotherapy can be significantly deepened and expedited by using present time experience in the assessment process and by incorporating experiential interventions says Fisher Presumably a practitioner himself he explains to fellow therapists how to do it detailing the application of a b     **The Good Karma Diet Deluxe** Victoria Moran, 2015-05-19 This Deluxe eBook edition of The Good Karma Diet includes 25 minutes of exclusive video of author Victoria Moran giving readers wise instruction on how to make healthy and ethical food and lifestyle choices Moran also sits down with inspiring vegans Sarah Gross Joshua Katcher and Leanne Mai ly Hilgart to discuss how they have implemented the good karma lifestyle Many popular diets call for avoiding some foods or eating others exclusively But as The Good Karma Diet reveals the secret to looking and feeling great is actually quite simple Treat our planet and all its inhabitants well In this revolutionary book bestselling author Victoria Moran reveals that by doing what's best for all creatures and the planet you align your eating with your ethics a powerful health and wellness tool if there ever was one The Good Karma Diet shows readers how favoring foods that are karmically good for you will help you Sustain energy Extend youthfulness Take off those stubborn extra pounds Reflect an enlightened outlook This book also includes the inspiring stories of men and women across the country who have made this simple mealtime shift and reaped good karma in every aspect of their lives Follow this wise diet and lifestyle program and you will find yourself waking up in a good mood more often and having a luminous look that bespeaks health and clean living     **Consciousness** Susan Blackmore, 2013-11-26 Is there a theory that explains the essence of consciousness Or is consciousness itself just an illusion The last great mystery of science consciousness is a topic that was banned from serious research for most of the last century but is now an area of increasing popular interest as well as a rapidly expanding area of study for students of psychology philosophy and

neuroscience This ground breaking textbook by best selling author Susan Blackmore was the first of its kind to bring together all the major theories of consciousness studies from those based on neuroscience to those based on quantum theory or Eastern philosophy The book examines topics such as how subjective experiences arise from objective brain processes the basic neuroscience of consciousness altered states of consciousness out of body and near death experiences and the effects of drugs dreams and meditation It also explores the nature of self the possibility of artificial consciousness in robots and the question of whether animals are conscious The new edition has been fully revised to include the latest developments in neuroscience brain scanning techniques and artificial consciousness and robotics The new website includes self assessment exercises advanced further reading flashcards and MCQs For all those intrigued by what it means to be to exist this book could radically transform your understanding of your own consciousness
