

# 12 PRINCIPLES FOR THRIVING FAMILIES

## DEVELOP YOUR PRINCIPLES

Transmit time by sharing your vision (mission, vision, values) to create unity.

## INVEST IN A FULL INHERITANCE

Provide a real inheritance that consists of the Five Capitals: Intellectual, Character, Relational, Financial, Spiritual.

## HAVE A WRITTEN PLAN

Achieving your goals starts with writing them down and referring back to them often.

## DELIVER BLESSINGS

Tell your story by sharing the struggles that made you who you are and allowed you to share your dreams with the next generation.

## STEWARD NOT OWNER

Gratitude is a known antidote for entitlement. Wealth does not equal identity or security and we should have the understanding that money is a tool not a solution.

## DISINHERIT THE IRS

Define your desired financial generosity and give gratitude by understanding the Kingdom vs. world estate plan.

## EMPOWER, DON'T CONTROL

Listen and love equally while treating uniquely. Healthy conflict can be good when you maintain neutrality.

## DON'T QUIT

Life is about the journey not the destination. Plan for how you want to "be-ory" vs. retire.

## SIMPLICITY WINS (K.I.S.S.)

Complexity is the enemy of execution. Simplicity is the key to clarity and efficiency. Find ways to stay in your lane and "keep it simple forward".

## EVIDENCE NOT OPINION

News exists to sell ads and generally leads to a cycle of anxiety. Objective data applied to your investments can help you to think long term.

## LIFE IS A TEAM SPORT

Surround yourself with wise counsel and mentors. God is the team captain. Listen, support, and enjoy those around you.

## HAVE FUN TOGETHER

Celebrate life, success, and failure with those around you.
