Derrick Hill,2006-11-20 This particular book will be controversy to some to others be a break through to others be a reference but for me was a gift from God to be apart of As I gave my self unto God to be use to edify the body of Christ as well as receive the fullness of God s spirit in my writing as I wrote this particular material This will cover a lot of information that is very pertinent to the growing of the individual spiritual awakening in ones life With the gathering of the information will reveal a revelation that will impregnate you to birth the revelation in the physical that will produce fruit to call upon others to come in from the storm God placed an ultimate call upon each of the members of the body of Christ and we have to be willing to open ourselves to the revelation to reach the calling We will look at here several areas that will enlighten as well as break shackles that has hinder us from growing in the spirit I want you to know that man s interpretation distort God s revelation and that is an attack method that has been killing us for thousands of years We will together contemplate the mysterious of the word of God and unlock the doors to revelation to be able to add power to our walk in Christ Jesus We will be breaking passed down religion from our mothers and grandmothers and fathers and grandfathers and take a close examination of the word of God This will reveal unto us our hidden agenda as well as the deep penetration of the enemy in our lives We will look at Character Defects as well as Blessings and What is the Body of Christ and Method of Attack from the enemy as well as defensive measures for us We will take a deep look within the true essence of the word of God and seek out the principle that will set us free from the devices used by the enemy We will also look at Sin and Lust which in those sections will reveal some hidden keys that will unlock some false embedded information that our foundation was build on and that is slowly destroying the righteous part of the foundation So I know that this particular book will be a blessing to you as well as it was to me so I look forward to interacting with you on another elevation in the body of Christ Jesus As we grow together we gain strength so together we are a strong front of an unbreakable force to be a mighty army of God Remember we seek revelation not interpretation of God s word God bless and enjoy An Introduction to the Principles of Religious Education Earle Edward Emme,Paul Raymond Stevick,1926 Copy in Mahi M reikura on loan from the whanau of Maharaia Winiata Some text underlined and annotated in pencil *Apology and Polemic in the New Testament* Andrew D. Heffern,1922 Foundations of Education for Free India Prem Kirpal,Reba Shome,1990 *A Strong Foundation for Christian Living* Dr. Joe Cephus Bingham Sr.,2016-06-07 Jesus tells a story about two homes in Matthew 7 24 27 The narrative helps everybody to understand the difference between Holiness and sinfulness In these Scriptures THE LORD shares a word picture to show the dissimilarity amid unrighteous and righteous The unjust ill advised built upon shifting sand with no thought of digging a foundation He did not consider his future An unshakable truth is seasons changes therefore when the gale winds blew his home failed On the other hand the man of wisdom dug deep until he hit solid stone hence his base and construction stood under all kinds of inclement weather Believers who study pray and go to worship services are building their life on the unyielding pillars of The Gospel However sitting in the wrong Church and receiving inaccurate

teaching is just as indiscreet as faulty architect on sinking landscape The strong winds of adversity are sure to come and the structure will collapse Matthew 7 27 Two builders the foolish and wise two results devastation and strength Make the Gospel a lifestyle **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986**
