

MATERNAL CHILD HEALTH (MCH) SERVICES PROGRAM **ABOUT US**

PURPOSE

To support a leadership role for LPHAs at the local level to: build community-based systems and expand the resources those systems can use to respond to priority maternal child health issues; provide and assure mothers and children (in particular those with low income or with limited availability of health services) access to quality MCH services; reduce health disparities for women, infants, and children, including those with special health care needs; promote the health of mothers and infants by assuring prenatal, delivery, and postpartum care for low income, at-risk pregnant women; and promote the health of children by providing preventive and primary care services for low income children. The Contractor's efforts to fulfill the purpose of the MCH Services contract will include activities and services that address the needs of children and youth with special health care needs (CYSHCN).

ELIGIBILITY

Any LPHA is eligible to participate in the Maternal Child Health (MCH) Services Contract after completion and approval of a proposal hereinafter referred to as the FFY2022-2026 contract work plan and completion and approval of an annual contract budget. The FFY2022-2026 contract work plan shall be for the five-year period of October 1, 2021 through September 30, 2026.

FUNDING

Funding for this contract is provided by federal grant dollars from the Maternal and Child Health Services Title V Block Grant issued to the State of Missouri from the United States (U.S.) Health Resources and Services Administration (HRSA) and the U.S. Department of Health and Human Services (HHS). Funding for this contract shall be used to expand or enhance activities that improve the health of the maternal and child health population, and to address local maternal and child health issues.
