Prints First Kiss The Implied Reader In The Fourth Gospel:

The Print's First Kiss Jeffrey Lloyd Staley,1988 **The Prologue of the Fourth Gospel** Peter Phillips,2006-04-01 This study explores the background to the interpretation of the Prologue of the Fourth Gospel and the various layers of meaning

The Symbolic Narratives of the Fourth Gospel Dorothy Lee,1994-03-01 The book examines six long narratives of the Fourth Gospel arguing that they are best understood as symbolic narrative They display a unique cohesion of symbol and narrative the narrative unfolds the symbol and the symbol draws out the narrative This process occurs as the character struggles to understand the symbolic meaning The structure develops in five Stages the establishing of a sign image or feast Stage 1 misunderstood in materialistic terms Stage 2 the struggle to understand the symbolic meaning Stage 3 the acceptance or rejection of that meaning Stage 4 a confession of faith or statement of rejection Stage 5 The symbolic narratives reveal how material reality becomes symbolic of the divine Just as the flesh of Jesus is the symbol of divine glory so material reality now has the potential for symbolizing God Flesh has no independent existence its value lies in its symbolic role This parallels the cohesion between form and meaning Just as the flesh is given value in symbolizing the divine so narrative form is of value in disclosing theological meaning The implied reader is drawn into the drama of the symbolic narratives to make the authentic response of faith **The Oxford Handbook of Johannine Studies** Judith M.

Lieu,Martinus C. de Boer,2018-07-19 The contribution of the Johannine literature to the development of Christian theology and particularly to Christology is uncontested although careful distinction between the implications of its language especially that of sonship in a first century Jewish context and in the subsequent theological controversies of the early Church has been particularly important if not always easily sustained Recent study has shaken off the weight of subsequent Christian appropriation of Johannine language which has sometimes made readers immune to the ambiguities and challenging tensions in its thought The Oxford Handbook of Johannine Studies begins with chapters concentrating on discussions of the background and context of the Johannine literature leading to the different ways of reading the text and thence to the primary theological themes within them before concluding with some discussion of the reception of the Johannine literature in the early church Inevitably given their different genres and levels of complexity some chapters pay most if not all attention to the Gospel whereas others are more able to give a more substantial place to the letters All the contributors have themselves made significant contributions to their topic They have sought to give a balanced introduction to the relevant scholarship and debate but they have also been able to present the issues from their own perspective The Handbook will help those less familiar with the Johannine literature to get a sense of the major areas of debate and why the field continues to be one of vibrant and exciting study and that those who are already part of the conversation will find new insights to enliven their own on going engagement with these writings **John the Baptist in Life and Death** Gary Yamasaki,1998-11-01 In a narrative about Jesus a character like John the Baptist would not be expected to play a role much beyond that of providing a

baptism for Jesus Yet the Matthaean narrator finds several other uses for John in the development of the narrative not only while he is still alive but also after he is dead In examining John s role Yamasaki deploys an audience oriented critical methodology an approach that chronicles the narrator s efforts to influence first time readers experience of the narrative as they proceed sequentially through the text He traces John s characterization as forerunner from a glowing introduction in ch 3 albeit with a slight flaw in his ideological point of view on Jesus through a progressive exacerbation of this flaw to a rehabilitation of John in ch 11 As a result of this rehabilitation the narrator is able to continue to use John in his role as forerunner in the second half of the narrative even after John s death has removed him from the story line

Linguistic Analysis of the Greek New Testament Stanley E. Porter,2015-03-17 In this volume a leading expert brings readers up to date on the latest advances in New Testament Greek linguistics Stanley Porter brings together a number of different studies of the Greek of the New Testament under three headings texts and tools for analysis approaching analysis and doing analysis He deals with a variety of New Testament texts including the Synoptic Gospels John and Paul This volume distills a senior scholar s expansive writings on various subjects making it an essential book for scholars of New Testament Greek and a valuable supplemental textbook for New Testament Greek exegesis courses

Women, the Family, and Policy Esther Ngan-ling Chow,Catherine White Berheide,1994-06-07 The authors highlight how structural circumstances in countries with various degrees of industrialization are associated with specific policies The analyses of women s experiences reveal the variety of ways in which private patriarchy in families combines with public patriarchy in economies and states to create a system of domination which subordinates women The authors detail how gender is constructed under specific political economic and cultural circumstances and seek to understand how state policies with differing sensitivities to women s issues have produced mixed outcomes for women and their families in the process of economic development

Jesus' Farewell to the Disciples Tolmie,2021-08-30 Jesus Farewell to the Disciples continues and intensifies the quest for uncovering the full potential of narrative criticism of the Fourth Gospel by means of a narratological analysis of John 13 1 17 26 After a discussion of theoretical issues the author selects a particular narratological model This is discussed in detail and then utilised for a systematic analysis of John 13 1 17 26 The results of the analysis are integrated in order to indicate the way in which a particular perspective on discipleship is presented in these chapters This book is important for scholars who are interested in the application of narrative criticism to biblical texts as well as in the Johannine perspective on discipleship

Retelling Scripture Ruth Sheridan,2012-01-05 Using narrative rhetorical methodologies including characterisation theory this book offers a close reading of the Old Testament citations found in John 1 19 12 15 as they are addressed to the Jews in the narrative shedding new light upon the issue of Johannine anti Judaism

The Oxford Handbook of English Literature and Theology Andrew Hass,David Jasper,Elisabeth Jay,2007-03-15 A defining volume of essays in which leading international scholars apply an interdisciplinary approach to the long and evolving relationship between English Literature

and Theology **The New Testament** Donald A. Hagner, 2012-11-15 This capstone work from widely respected senior evangelical scholar Donald Hagner offers a substantial introduction to the New Testament Hagner deals with the New Testament both historically and theologically employing the framework of salvation history He treats the New Testament as a coherent body of texts and stresses the unity of the New Testament without neglecting its variety Although the volume covers typical questions of introduction such as author date background and sources it focuses primarily on understanding the theological content and meaning of the texts putting students in a position to understand the origins of Christianity and its canonical writings Throughout Hagner delivers balanced conclusions in conversation with classic and current scholarship The book includes summary tables diagrams maps and extensive bibliographies **Biblical Interpretation in Early Christian Gospels** Thomas R. Hatina, 2020-03-19 This volume is the fourth in a set of volumes which together explore current approaches to the study of scripture in the Gospels Thomas R Hatina s latest edited collection begins with an introduction surveying methodological approaches used in the study of how scriptural allusions quotations and references function in John with subsequent essays grouped into four categories that represent the breadth of current interpretive interests The contributors begin with historical critical approaches before moving to rhetorical and linguistic approaches literary approaches and finally social memory approaches Each study contains not only recent research on the function of scripture in John but also an explanation of the approach taken making the collection an ideal resource for both scholars and students who are interested in the complexities of interpretation in John s context as well as our own Prayer in the Gospels Mathias Nygaard, 2012-07-19 In *Prayer in the Gospels* Mathias Nygaard offers a text centred reading of the prayer materials of the Gospels His approach provides for exegesis and theology in a single discussion *Reading with a Passion* Jeffrey Staley, 2002-06-01 In this strikingly personal account of recent literary approaches to the Bible Jeffrey Staley shows how people s life experiences relate to what they read in the Scriptures He illustrates his argument from theories of autobiography where recent literary and feminist critiques provide him with tools for reflecting upon his childhood on a Navajo reservation and his family s five generations of contact with the Navajo people in northern Arizona and New Mexico Using Tony Hillerman s popular detective novels as a lens to refract his own childhood memories Staley investigates how his cross cultural childhood and family history have contributed to his understanding of the Fourth Gospel By combining such diverse materials as popular fiction medieval passion plays cultural anthropology rhetorical studies and autobiographical reflection Staley takes his readers on a fascinating spiritual and intellectual journey through the Gospel of John **An Introduction to the New Testament** Raymond E. Brown, 2015-08-01 From the experience of a lifetime of scholarship preaching teaching and writing Raymond E Brown covers the entire scope of the New Testament with ease and clarity He walks readers book by book through the basic content and issues of the New Testament While a wealth of information is contained in these pages the work s most impressive features are the basic summaries of each book a historical overview of

the ancient Greco Roman world discussions of key theological issues and the rich supplementary materials such as illustrative tables maps bibliographies and appendixes Using this basic data Brown answers questions raised by today s readers relates the New Testament to our modern world and responds to controversial issues such as those raised by the Jesus Seminar Every generation needs a comprehensive reliable Introduction to the New Testament that opens the biblical text to the novice Raymond E Brown s *An Introduction to the New Testament* is the most trustworthy and authoritative guidebook for a generation seeking to understand the Christian Bible Universally acknowledged as the dean of New Testament scholarship Father Brown is a master of his discipline at the pinnacle of his career Who else could cover the entire scope of the New Testament with such ease and clarity This gifted communicator conveys the heartfelt concern of a beloved teacher for his students as he walks the reader through the basic content and issues of the New Testament Those opening to the New Testament for the first time and those seeking deeper insights could not ask for more in a primer to the Christian Bible

A Gospel for a New People Graham Stanton,1993-01-01 This book thoroughly examines Matthew s gospel It discusses appropriate methods for interpretation and considers in detail the gospel s origin purpose and social setting Graham Stanton claims that Matthew wrote the Gospel following a period of prolonged bitter disputes with fellow Jews With considerable literary catechetical and pastoral skill the evangelist composed a gospel for a new people both Jews and Gentiles in a cluster of Christian communities Dividing his book into three sections Stanton discusses redaction critical literary critical and social scientific approaches to the interpretation of Matthew he confirms that Matthew s Gospel was shaped by the parting of the ways with Judaism and he includes two essays on the Sermon on the Mount and one on Matthew s use of the Old Testament

Gospel According to St John Andrew Lincoln,2005-11-25 The magnificent series of biblical commentaries known as Black s New Testament Commentaries BNTC under the General Editorship of Professor Morna Hooker has had a gap for far too long it has lacked an up to date commentary on the Fourth Gospel Professor Andrew Lincoln now fills this gap with his excellent new commentary The key questions for scholars are gone into thoroughly questions of historicity the use of historical traditions and sources relationship to the Synoptics authorship setting first readers and Professor Lincoln makes his own position on these issues abundantly clear The Fourth Gospel raises a number of problems generally known as The Johannine Question According to tradition the Gospel was written by St John the Apostle The authenticity of the tradition is examined in the introduction but the textual issues are examined within the commentary itself For example one problem is that Chapters 15 and 16 seem in early versions to have preceded chapter 14 Chapter 21 must have been a later addition The purpose of the Gospel as stated in Chapter 20 v 31 is to strengthen the reader s faith in Jesus as the Christ and the Son of God But even the celebrated prologue has given rise to much speculation whereas most commentators believe it is the key to the Gospel as a whole These issues are meat and drink to scholars but in Professor Lincoln s expert hands they are extremely interesting and highly pertinent to our contemporary understanding of the Gospel
