Elwell, 2001-05 This thoroughly updated edition of a standard reference tool covers systematic historical and philosophical theology as well as theological ethics *Money Matters (to God)* J. Bradley Van Vleet Jr., 2021-03-16 I know what you're thinking Another book on money And you're right this is another book on money but it's probably not quite from the angle that you're thinking *Money Matters to God* is a book about seeing finances through the eyes of God instead of the eyes of society Through this book we will walk through the scripture to see what the Bible actually has to say about money and how we should use it You may be surprised to see what's there Money is an important topic to God You can clearly see that through the Old and New Testaments Jesus talked more about money than He did about heaven or hell Money is important to God simply because it's important to us Sometimes too important My prayer is that through this book you will be able to shed the burden of financial stress through priority and perspective *Arise and Ascend* Mari Tello, 2009-03 IT'S TIME TO ARISE ASCEND With loads of distractions in today's world it's quite simple for people to slip into a trap of false perception without realizing it An untruth of where they may fit in and their purpose in life can quickly disrupt their mindset to settle for less than the wonderful plan God has for them Unfortunately while the high paced society of technology and information are expediently rising God's abundant freedom restoration and purpose that is always available to mankind is at an alarming low within their lives Evidence of this can be seen through the condition of people Numerous individuals are depressed lonely and dissatisfied with their present lifestyle far too many of them are women In reference to women why has there been a drastic decline of happiness fulfillment love and joy within their lives In this book I will be exposing deception plots that have held back women from advancing in their God given purpose and will be sharing why now is the time for women to awaken to who they are in Christ and explain how to undergo the transformation of change in order to lay hold of God's freedom
