Williams, 2009-03-26 In the late 1980s Holocaust literature emerged as a provocative but poorly defined scholarly field The essays in this volume reflect the increasingly international and pluridisciplinary nature of this scholarship and the widening of the definition of Holocaust literature to include comic books fiction film and poetry as well as the more traditional diaries memoirs and journals Ten contributors from four countries engage issues of authenticity evangelicalism morality representation personal experience and wish fulfillment in Holocaust literature which have been the subject of controversies in the US Europe and the Middle East Of interest to students and instructors of antisemitism national and comparative literatures theater film history literary criticism religion and Holocaust studies this book also contains an extensive bibliography with references in over twenty languages which seeks to inspire further research in an international context

Re Verse David R. Slavitt, 2005-11-04 David R Slavitt will tell you that he does not believe in literary criticism so much as in remarks which are more portable and often more enlightening In this witty and unusual work he remarks upon the life of a poet in the second half of the twentieth century how it was and how it is to be an American writer Combining personal reminiscence with deft literary analysis incisive biographical sketches and sometimes literary gossip these essays give new perspectives on the famous such as Harold Bloom Robert Penn Warren Robert Frost and Stephen Spender and recover the charms of the near forgotten such as Dudley Fitts Winfield Townley Scott Merrill Moore and John Hall Wheelock Slavitt writes with self deprecating humor of his own literary education and uses his impressive experience and erudition to illuminate the whims of poetic influence passion and reputation With a refreshing honesty and considerable poise he gives readers an enlightening view of the vast and ever changing literary universe **The Americana Annual** Alexander Hopkins McDannald, 1966 An encyclopedia of current events
