Encyclopedia of Prisons and Correctional Facilities Mary Bosworth, 2005 Are included Annotation 2004 Book News Inc Portland OR booknews com Prisons, Race, and Masculinity in Twentieth-century U.S. Literature and Film Peter Caster, 2008 In Prisons Race and Masculinity Peter Caster demonstrates the centrality of imprisonment in American culture illustrating how incarceration an institution inseparable from race has shaped and continues to shape U S history and literature in the starkest expression of what W E B DuBois famously termed the problem of the color line A prison official in 1888 declared that it was the freeing of slaves that actually created prisons we had to establish means for their control Hence came the penitentiary Such rampant racism contributed to the criminalization of black masculinity in the cultural imagination shaping not only the identity of prisoners collectively and individually but also America's national character Caster analyzes the representations of imprisonment in books films and performances alternating between history and fiction

to describe how racism influenced imprisonment during the decline of lynching in the 1930s the political radicalism in the late 1960s and the unprecedented prison expansion through the 1980s and 1990s Offering new interpretations of familiar works by William Faulkner Eldridge Cleaver and Norman Mailer Caster also engages recent films such as American History X The Hurricane and The Farm Life Inside Angola Prison alongside prison history chronicled in the transcripts of the American Correctional Association This book offers a compelling account of how imprisonment has functioned as racial containment a matter critical to U S history and literary study Race and Masculinity in Contemporary American Prison Novels Auli Ek,2020-10-28

This book offers an interdisciplinary analysis of how contemporary American prison narratives reflect and produce ideologies of masculinity in the United States and in so doing compellingly engages popular culture in order to demonstrate the profound ways in which implicit understandings of prison life shape all Americans and their reactions to people both incarcerated and not **Inner Lives** Paula Johnson,2004-03-01 An intimate collection of African American women s voices on their lives in prison The rate of women entering prison has increased nearly 400 percent since 1980 with African American women constituting the largest percentage of this population However despite their extremely disproportional representation in correctional institutions little attention has been paid to their experiences within the criminal justice system Inner Lives provides readers the rare opportunity to intimately connect with African American women prisoners By presenting the women s stories in their own voices Paula C Johnson captures the reality of those who are in the system and those who are working to help them Johnson offers a nuanced and compelling portrait of this fastest growing prison population by blending legal history ethnography sociology and criminology These striking and vivid narratives are accompanied by equally compelling arguments by Johnson on how to reform our nation s laws and social policies in order to eradicate existing inequalities Her thorough and insightful analysis of the historical and legal background of contemporary criminal law doctrine sentencing theories and correctional policies sets the stage for understanding the current system

Prose and Cons D. Quentin Miller,2005-10-04 As the United States prison population has exploded over the past 30 years a rich provocative and ever increasing body of literature has emerged written either by prisoners or by those who have come in close contact with them Unlike earlier prison writings contemporary literature moves in directions that are neither uniformly ideological nor uniformly political It has become increasingly personal and the obsessive subject is the way identity is shaped compromised altered or obliterated by incarceration The 14 essays in this work examine the last 30 years of prison literature from a wide variety of perspectives The first four essays examine race and ethnicity the social categories most evident in U S prisons The three essays in the next section explore gender a prominent subject of prison literature highlighted by the absolute separation of male and female inmates Section three provides three essays focused on the part ideology plays in prison writings The four essays in section four consider how aesthetics and language are used seeking to define the qualities of the literature and to determine some of the reasons it exists Readings in Syrian Prison Literature

R. Shareah Taleghani, 2021-06-21 The simple act of inscription both minute and epic can be a powerful tool to bear witness and give voice to those who are oppressed silenced and forgotten In the eras of Hafiz al Asad and his son Bashar Syrian political dissidents have written extensively about their experiences of detention both while in prison and afterwards This body of writing largely untranslated into English is essential to understanding the oppositional political culture among dissidents since the 1970s a culture that laid the foundation for the 2011 Syrian Revolution The emergence of prison literature as a specific genre helped articulate opposition to authoritarian states including the Asad regime However the significance of Syrian prison literature goes beyond a form of witnessing expressing creative opposition and illuminating the larger cultural and historical backstory of the Syrian uprising Prison literature in all its diversity challenges the narrative structures and conventional language of human rights In doing so prison literature has played an essential role in generating the experimental shift in Arabic literature since the 1960s Taleghani s groundbreaking work explores prison writing s critical role in resistance movements in Syria the evolution of Arabic literature and the development of a global human rights

Words Is a Powerful Thing Brian Daldorph, 2021 Brian Daldorph first entered the Douglas County Jail classroom in Lawrence Kansas to teach a writing class on Christmas Eve 2001 His last class at the jail for the foreseeable future was mid March 2020 right before the COVID 19 lockdown the virus is taking a heavy toll in confined communities like nursing homes and prisons Words Is a Powerful Thing is Daldorph s record of teaching at the jail for the two decades between 2001 and 2020 showing how the lives of everyone involved in the class but especially the inmates who came to class week after week benefited from what happened every Thursday afternoon in that jail classroom where for two hours inmates and instructor became a circle of ink and blood writing together reciting their poems telling stories and having a few good laughs Words Is a Powerful Thing brings into the light the works of fifty talented inmate writers whose work deserves attention Their poetry speaks of what really matters to all of us and gives the reader sustained insight into the role that creativity plays in aiding survival and bringing positive change for inmates and in turn for all of us Daldorph s account of his teaching experience not only takes the reader inside the daily life at a county jail but also sets the work done in the writing class within the larger context of inmate education is the US corrections system where education is often one of the few lifelines available to inmates Words Is a Powerful Thing provides a teaching guide for instructors working with incarcerated writers offering an extensive examination of both the challenges and benefits When Brian Daldorph decided the story of his classroom experiences and the great writing produced by the inmates deserved to be told to wider audiences he struggled with how to bring it all together Not long after an inmate wrote a poem titled Words Is a Powerful Thing offering Daldorph a title concept and purpose to show that the poetry of inmates speaks not just to other inmates but to all of us *Working for Justice* Stephen John Hartnett, Eleanor Novek, Jennifer K. Prisons of Creativity John R.

Whitman,2024-11-19 Sparking a discussion of the importance of creativity for the well being of society this book highlights and argues for the potential of those in prison to learn and exercise the skills of writing visual arts and music to protect their intellectual property and to distribute their works to the public and the consequent benefits of their creative contribution to wider society Focused on the premise that a nation s well being and competitive advantage in innovation are advanced by promoting the creative efforts of all its citizens without exclusion including those residing in prisons this book uses the United States as a case study to illuminate the potential among any nation s prison population to contribute to its store of creative works Arguing that creativity should be encouraged for the benefit of all it offers a framework for how incarcerated individuals globally could be permitted to engage in learning and undertaking skills in the expressive arts to produce works for public dissemination Supporting this argument it explores and analyses the Intellectual Property clause of the Constitution of the United States Emphasizing not just the internal but also the external value of creativity in prison Prisons of Creativity widens and elevates the discourse concerning the institution of prison in society and its social goals It will be of great value to anyone with an interest in arts in corrections including educators and practitioners professionals and policy makers within the criminal justice system and students and scholars of criminology criminal justice and related areas

Prison Power Lisa M. Corrigan,2016-11-04 Winner of the 2017 Diamond Anniversary Book Award and the African American Communication and Culture Division s 2017 Outstanding Book Award both from the National Communication Association In the Black liberation movement imprisonment emerged as a key rhetorical theoretical and media resource Imprisoned activists developed tactics and ideology to counter white supremacy Lisa M Corrigan underscores how imprisonment a site for both political and personal transformation shaped movement leaders by influencing their political analysis and organizational strategies Prison became the critical space for the transformation from civil rights to Black Power especially as southern civil rights activists faced setbacks Black Power activists produced autobiographical writings essays and letters about and from prison beginning with the early sit in movement Examining the iconic prison autobiographies of H Rap Brown Mumia Abu Jamal and Assata Shakur Corrigan conducts rhetorical analyses of these extremely popular though understudied accounts of the Black Power movement She introduces the notion of the Black Power vernacular as a term for the prison memoirists rhetorical innovations to explain how the movement adapted to an increasingly hostile environment in both the Johnson and Nixon administrations Through prison writings these activists deployed narrative features supporting certain tenets of Black Power pride in Blackness disavowal of nonviolence identification with the Third World and identity strategies focused on Black masculinity Corrigan fills gaps between Black Power historiography and prison studies by scrutinizing the rhetorical forms and strategies of the Black Power ideology that arose from prison politics These discourses demonstrate how Black Power activism shifted its tactics to regenerate even after the FBI sought to disrupt discredit and destroy the movement *Chromatikon VI* Michel Weber,Ronny Desmet,2011-01-15 Le r seau Chromatiques
