By: Alexander Berkman Alexander Berkman, 2018-04-27 Alexander Berkman, 2010 Prison Memoirs of an Anarchist is Alexander Berkman's account of his experience in prison in Western Penitentiary of Pennsylvania in Pittsburgh from 1892 to 1906 First published in 1912 by Emma Goldman's Mother Earth press it has become a classic in autobiographical literature Story The book begins with the details of how Berkman came to be imprisoned as an anarchist activist he had attempted to assassinate wealthy industrialist Henry Clay Frick manager of the Carnegie steel works in Pennsylvania Frick had been responsible for crushing the Amalgamated Association of Iron and Steel Workers during the Homestead Strike in which nine union workers and seven guards were killed However although Berkman shot

Frick two times Berkman was subdued before the third shot and stabbed him several times in the leg with a poisoned knife Frick survived and Berkman was sentenced to 22 years in prison Berkman had hoped to awaken the consciousness of the oppressed American people an attentat but as the book goes on to detail America lacked the political culture to interpret his actions Even fellow prisoners from the union he was defending failed to see his political intent The bulk of the book is set during Berkman s years in prison Written in first person present tense English a language that was new to Berkman it reads like a diary though it was in fact written after Berkman's release It is a coming of age story that tracks Berkman's difficult loss of his youthful sentimental idealism as he struggles with the physical and psychological conditions of prison life at times bringing him to the verge of suicide As he gets to know the other prisoners he has nothing but disdain and disgust for them as people though he sees them as victims of an unjust system They are not of my world he writes I would aid them he says being duty bound to the victims of social injustice But I cannot be friends with them they touch no chord in my heart Gradually though Berkman's self imposed distance and moral high ground begins to crumble as he comes to see the flawed humanity in everyone including himself The Prison Memoirs is also in part a tribute to his relationship with fellow anarchist Emma Goldman to whom he refers repeatedly throughout the book as the Girl 2 She is the only person to maintain correspondence with Berkman in prison and defends him from criticism on the outside helping him upon his release The book tracks the development of Berkman's ideas on political violence and his ruminations often read like a dialog with Goldman whom he knows intimately One of the notable features of the Prison Memoirs is its treatment of homosexuality in prison Carol Douglas writing of the book in off our backs says that Berkman described how his initial horror at homosexuality in the prison where he was confined gave way to love for another man 3 In his 2008 study Free Comrades Anarchism and Homosexuality in the United States 1895 1917 Terence Kissack describes Prison Memoirs as one of the most important political texts dealing with homosexuality to have been written by an American before the 1950s Alexander Berkman November 21 1870 June 28 1936 was a leading member of the anarchist movement in the early 20th century famous for both his political activism and his writing Berkman was born in Vilna in the Russian Empire present day Vilnius Lithuania and emigrated to the United States in 1888 He lived in New York City where he became involved in the anarchist movement He was the one time lover and lifelong friend of anarchist Emma Goldman In 1892 undertaking an act of propaganda of the deed Berkman made an unsuccessful attempt to assassinate businessman Henry Clay Frick for which he served 14 years in prison

Life of an Anarchist Alexander Berkman,2004-11-02 Alexander Berkman was a twentieth century American revolutionary Like the abolitionist John Brown before him Berkman was hugely idealistic ready to go to the furthest extreme of self sacrifice and violence on behalf of justice and civil rights He decided to assassinate industrialist Henry Clay Frick after reading in the newspaper that Pinkertons hired by Frick had opened fire on the Homestead strikers killing men women and children Berkman s bungled attempt cost him fifteen years in a federal penitentiary Upon his release he became an effective

agitator against conscription and was again imprisoned and eventually deported to Russia where he saw at first hand the early days of Bolshevism Berkman s writings remain a lasting and impassioned record of intense political transformation Featuring a new introduction by Howard Zinn Life of an Anarchist contains Prison Memoirs of an Anarchist Berkman s account of his years in prison The Bolshevik Myth his eyewitness account of the early days of the Russian Revolution and The ABC of Anarchism the classic text on the nature of anarchism in the twentieth century Also included are a selection of letters between Berkman and his lifelong companion Emma Goldman and a generous sampling from Berkman s other publications
