Chance Murphy and the Battle of Morganville Josh P. McClary, 2007 Chance Murphy a 13 year old living in Morganville Indiana during the mid 1980s is full of contradictions He wants to be a man but he has the needs of a child he loves his mentally handicapped sister but he also resents her and wishes she weren't such an easy target for the other kids he is witty but he embarrasses easily especially when it comes to dealing with his emerging sexual feelings Though Chance has a big heart he has a dark side that surfaces in dreams of nuclear obliteration and manifests into paranoia and an enemies list at the top of which is his archenemy Otto Manheim the neighborhood kid While the tension between the two creates many comical moments the conflict escalates and finally reaches a boiling point at the bloody battle of Morganville **The People's Poet** John W. Thurman, 2022-02-03 This book is about poetry concerning people my opinions fiction and short stories It is designed to make the reader think while they are being entertained The different sections of this book were written over many years Like all works it has been a laborious task but at the same time one that I enjoyed writing Many different personalities are contained within this book and I hope that each reader finds enjoyment whenever they read the different sections *Love for One Another* Abe Sargent, 2019-03-22 Who are you What are the key parts of who you are that you carry with you How do you identify yourself Family Friends Where you live Where you work And what are those key identities For Abe Sargent those key identities are being a Christian enjoying nerd activities being a man growing up in West Virginia and living with a genetic progressively worsening neurological condition called Huntington's disease These key identities infuse who we are Join Abe's journey as he chronicles key times in his life from childhood to adolescence He discusses the lessons learned and how he has embraced the challenges of dealing with affliction as well the poverty of southern West Virginia and more He discusses the challenges of being a gamer and nerd as a Christian And he uses his

knowledge of growing up as a Christian to infuse his conversations and explorations of life as a child young adult and mature adult today Abe s favorite Bible verse is John 13 1435 A new commandment I give you Love one another As I have loved you so also you must love one another By this all men will know that you are My disciples if you love one another Abe uses examples of his own life to gently challenge himself and us Are we living that Is there true love for one another *The Boy in the Book* Nathan Penlington,2014-05-22 When Nathan discovered a job lot of the first 106 adventures for sale on eBay there was never any question that he would place a bid When the books arrived he lost himself in the old adventures Yet as he flicked through the pages there was another story being written In the margins of each book were the scribblings of the little boy who had once owned them a little boy by the name of Terence John Prendergast Terence wrote jokes and hints for adventurers following the same stories as him More troubling among the notes were intimations of a tormented childhood of the boys and teachers who bullied him of the things he hated about himself and had to improve of his thoughts of suicide and his desperate need to find friends be liked and find somebody anybody to confide in THE BOY IN THE BOOK is Nathan s poignant recreation of the discovery of the fragments of Terence Prendergast s diary his quest to find the lost boy and the friendship that resulted from their first meeting In doing so Nathan is forced to examine his own childhood and as his relationship with Terence deepens he begins to believe that the two men are not so different and to reflect on the darkness that can exist in childhood
