Prisoner Of Love:

Terrorism Joseba Zulaika, 2009-12-15 In counterterrorism circles the standard response to questions about the possibility of future attacks is the terse one liner Not if but when This mantra supposedly conveys a realistic approach to the problem but as Joseba Zulaika argues in Terrorism it functions as a self fulfilling prophecy By distorting reality to fit their own worldview the architects of the War on Terror prompt the behavior they seek to prevent a twisted logic that has already played out horrifically in Iraq In short Zulaika contends counterterrorism has become pivotal in promoting terrorism Exploring the blind spots of counterterrorist doctrine Zulaika takes readers on a remarkable intellectual journey He contrasts the psychological insight of Truman Capote s In Cold Blood with The 9 11 Commission Report plumbs the mindset of terrorists in works by Orianna Fallaci and Jean Genet maps the continuities between the cold war and the fight against terrorism and analyzes the case of a Basque terrorist who tried to return to civilian life Zulaika s argument is powerful inventive and rich with insights and ideas that provide a new and sophisticated perspective on the War on Terror *Radical French Thought and the Return of the "Jewish Question"* Eric Marty, 2015-05-22 Five seminal essays on contemporary antisemitism and its connections to radical thought For English speaking readers this book serves as an introduction to an important French intellectual whose work especially on the issues of antisemitism and anti Zionism runs counter to the hostility shown toward Jews by some representatives of contemporary critical theory It presents for the first time in English five essays by Eric Marty previously published in France with a new preface by the author addressed to his American readers The focus of these essays is the debate in France and elsewhere in Europe concerning the Jew The first essay on Jean Genet one of postwar France s most important literary figures investigates the nature of Genet s virulent antisemitism and hatred of Israel and its significance for an understanding of contemporary phenomena The curious reappearance of St Paul in theological and political discourse is discussed in another essay which describes and analyses the interest that secular writers of the far left have shown in Paul s universalism placed over and against Jewish or Israeli particularism The remaining essays are more polemical in nature and confront the anti Israeli attacks by Alain Badiou and Gilles Deleuze Both important and timely it will be a notable contribution to the ongoing public and intellectual discussion of contemporary antisemitism and the animus of intellectuals toward the state of Israel Elhanan Yakira author of Post Zionism Post Holocaust Represents a significant contribution to our understanding of both the phenomenon of the new antisemitism and a certain strain of French critical theory over the last several decades Maurice Samuels Yale University **The Author of Love** Joc Anderson, 2011-07-08 Throughout history God has been depicted variously as a judgmental tyrant a grand conciliator and even as a rather low key comic portrayed by the cigar smoking George Burns in the movie Oh God The question thats begging to be answered is Who is God This devotion evolved out of one persons desire to portray God in a truer light In the Book of Job God reprimanded Jobs friends for failing to speak truthfully about Him They misrepresented His character Job on

the other hand understood His Maker and was therefore the single voice of truth in an otherwise corrupt world Can you honestly say that you know your Creator Can you speak truthfully about Him This devotional will help you get to know the real God who is neither the judgmental tyrant nor the light weight movie character He is if nothing else a God of love and compassion At the conclusion of your devotionals I have formulated a Love Quotient L Q test to measure the depth of your love The questions are designed to be thought provoking and insightful You may also find them a bit daunting and uncomfortable Answer each question according to your beliefs There are no wrong or right answers It is my hope you'll find this little exercise revealing and instructive of how you love The answers and Key is also included Your heart is what you're all about May you understand God's love for you
