Prisoners Duty Great Escapes In U S History:

A Prisoner's Duty Robert C. Doyle, 1997 Concentrating on the American character held hostage Doyle combed official and private archives as well as unpublished diaries letters and memoirs to find exciting stories of individuals famous and unknown who risked their lives and those of others to escape The escapes range from the American Revolution the Mexican War the Civil War wars of the twentieth century and the smaller conflicts He also includes accounts of the Underground Railway settlers and traders escaping Indians and journalists and government officials eluding terrorist captors all over the globe Jacket Remembered Prisoners of a Forgotten War Lewis H. Carlson, 2025-06-25 Remembered Prisoners of a

Forgotten War presents a devastating oral history of Korean War POWs The Korean War POW remains the most maligned victim of all American wars For nearly half a century the media general public and even scholars have described hundreds of these prisoners as brainwashed victims who uncharacteristically caved in to their Communist captors or even worse as turncoats who betrayed their fellow soldiers In either case these boys apparently lacked the right stuff required of our brave sons Here at long last is a chance to hear the true story of these courageous men in their own words a story that until now has gone largely untold Dr Carlson debunks many of the popular myths of Korean War POWs in this devastating oral history that s as compelling and moving as it is informative From the Tiger Death March to the paranoia here at home Korean POWs suffered injustices on a scale few can comprehend More than 40 percent of the 7 140 Americans taken prisoner died in captivity and as haunting tales of the survivors unfold it becomes clear that the goal of these men was simply to survive under the most terrible conditions Each survivor s story is a unique and personal experience from missionary teacher Larry Zeller s imprisonment in the death cells of P yongyang and his first encounter with the infamous killer known as The Tiger to Rubin Townsend s daring escape from a death march by jumping off a bridge in a blinding snowstorm From capture to forced marches isolation permanent camps and torture Remembered Prisoners of a Forgotten War is one of the most fascinating and disturbing books on the Korean War in years and a brutally honest account of the Korean POW experience in the survivors own words **Prisoners of War** Arnold Krammer, 2007-11-30 America s current War on Terror is causing a

readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy The fate of war prisoners through history has been cruel and haphazard The lives of captives hung by a thread Execution enslavement torture or being held for ransom were equally likely International agreements

developed haltingly through the 19th and 20th centuries to culminate in the Geneva Accords of 1929 America's current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules Since biblical times war captives have been considered property and counted as booty to be enslaved or killed Americans were interested in generals and weapons and battles but not the fate of prisoners of war The Second World War when 90 000 Americans fell into enemy hands began to change that Concern for our POWs in Germany and Japan and close contact with enemy camps in America began to change our attitudes However it was the Vietnam War media driven and polarizing that caused the American public to truly reevaluate the plight of its sons and brothers heroic and clearly loyal as they fell into the hands of an inscrutable and apparently unyielding distant enemy More recently during the first Gulf War of 1991 and the current War on Terrorism the issue of prisoners of war has moved to center stage involving the clash of ideologies politics and expediency Since 9 11 the rights and safety of prisoners of war caught up in the War on Terror have been debated in Congress and adjudicated on by former Attorney General Alberto Gonzales whose conclusions were protested by numerous organizations The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy **History of Andersonville Prison** Ovid L.

Futch,2011-03-06 In February 1864 five hundred Union prisoners of war arrived at the Confederate stockade at Anderson Station Georgia Andersonville as it was later known would become legendary for its brutality and mistreatment with the highest mortality rate over 30 percent of any Civil War prison Fourteen months later 32 000 men were imprisoned there Most of the prisoners suffered greatly because of poor organization meager supplies the Federal government's refusal to exchange prisoners and the cruelty of men supporting a government engaged in a losing battle for survival Who was responsible for allowing so much squalor mismanagement and waste at Andersonville Looking for an answer Ovid Futch cuts through charges and countercharges that have made the camp a subject of bitter controversy He examines diaries and firsthand accounts of prisoners guards and officers and both Confederate and Federal government records including the transcript of the trial of Capt Henry Wirz the alleged fiend of Andersonville First published in 1968 this groundbreaking volume has never gone out of print [The Enemy in Our Hands](#) Robert C. Doyle,2010-05-14 Revelations of abuse at Baghdad's Abu Ghraib prison and the U S detention camp at Guant namo Bay had repercussions extending beyond the worldwide media scandal that ensued The controversy surrounding photos and descriptions of inhumane treatment of enemy prisoners of war or EPWs from the war on terror marked a watershed moment in the study of modern warfare and the

treatment of prisoners of war Amid allegations of human rights violations and war crimes one question stands out among the rest Was the treatment of America s most recent prisoners of war an isolated event or part of a troubling and complex issue that is deeply rooted in our nation s military history Military expert Robert C Doyle s *The Enemy in Our Hands America s Treatment of Prisoners of War from the Revolution to the War on Terror* draws from diverse sources to answer this question Historical as well as timely in its content this work examines America s major wars and past conflicts among them the American Revolution the Civil War World Wars I and II and Vietnam to provide understanding of the United States treatment of military and civilian prisoners *The Enemy in Our Hands* offers a new perspective of U S military history on the subject of EPWs and suggests that the tactics employed to manage prisoners of war are unique and disparate from one conflict to the next In addition to other vital information Doyle provides a cultural analysis and exploration of U S adherence to international standards of conduct including the 1929 Geneva Convention in each war Although wars are not won or lost on the basis of how EPWs are treated the treatment of prisoners is one of the measures by which history s conquerors are judged

The Encyclopedia of War, 5 Volume Set Gordon Martel, 2012-01-17 This ground breaking 5 volume reference is a comprehensive print and electronic resource covering the history of warfare from ancient times to the present day across the entire globe Arranged in A Z format the Encyclopedia provides an overview of the most important events people and terms associated with warfare from the Punic Wars to the Mongol conquest of China and the War on Terror from the Ottoman Sultan Suleiman the Magnificent to the Soviet Military Commander Georgi Konstantinovich Zhukov and from the crossbow to chemical warfare Individual entries range from 1 000 to 6 000 words with the longer essay style contributions giving a detailed analysis of key developments and ideas Drawing on an experienced and internationally diverse editorial board the Encyclopedia is the first to offer readers at all levels an extensive reference work based on the best and most recent scholarly research The online platform further provides interactive cross referencing links and powerful searching and browsing capabilities within the work and across Wiley Blackwell s comprehensive online reference collection Learn more at www.encyclopediaofwar.com Selected by Choice as a 2013 Outstanding Academic Title Recipient of a 2012 PROSE Award honorable mention

A Prisoner's Duty Robert C. Men of God, Men of War Robert C. Doyle, 2024-03-15 **Men of God Men of War** tells the stories of chaplains who have served in America's wars. In his exploration of military chaplaincy, author Robert Doyle poses questions about their brand of service to the United States. He examines the complexities of the chaplains' vocation, the types of services they performed, the roles they assumed in combat and as prisoners of war, and how they interacted with the military personnel they served and supported. Doyle explores the high price many paid for their commitment to their unique type of service. Doyle illuminates the histories of chaplains who did their duty selflessly to God, to their country, to the soldiers, sailors, Marines, and airmen with whom they found themselves in very dire circumstances over the past three hundred years. Chaplains throughout American history have served bravely and selflessly at home and in the field, both under fire and behind the wire. Chaplains served as sources of motivation, inspiration, and peace for military personnel in times of hardship, especially in captivity. Doyle illustrates that while they are now treated as non-combatants, chaplains' vital role as leaders cannot be underestimated or understated. **Men of God Men of War** examines how chaplains performed under fire in hostile environments, beginning with the Revolutionary War through the war on terror in Iraq and Afghanistan. The chaplains of the Revolution were patriots, first soldiers, second, and men of God, third. From the Civil War to modern times, these men gave hope to the hopeless, absolution to those soldiers who stood before their Maker before battles, and faith in themselves and their comrades so necessary for men in combat. Doyle's research shows that military chaplains have always remained necessary to men at war, even in a modern secular military.

The United States Holocaust Memorial Museum Encyclopedia of Camps and Ghettos, 1933-1945, Volume IV Geoffrey P. Megargee, 2022-04-26 **The United States Holocaust Memorial Museum Encyclopedia of Camps and Ghettos 1933-1945 Volume IV** aims to provide as much basic information as possible about individual camps and other detention facilities. Why were they established? Who ran them? What kinds of prisoners did they hold? What kinds of work did the prisoners do, and for whom? What were the conditions like? The entries detail the sources from which the authors drew their material so future scholars can expand upon the work. Finally, and perhaps most important, this is a work of memorialization; it preserves the histories of places where people suffered and died. Volume IV examines an under-researched segment of the larger Nazi incarceration system: camps and other detention facilities under the direct control of the German military, the Wehrmacht. These include prisoner-of-war (POW) camps, including camps for enlisted men, camps for officers, camps for naval personnel and airmen, and transit camps; civilian internment and labor camps; work camps for Tunisian Jews; brothels in which women were forced to have sex with soldiers; and prisons and penal camps for Wehrmacht personnel. Most of these sites have not been described in detail in the existing historical literature, and a substantial number of them have never been documented at all. The volume also includes an introduction to the German prisoner-of-war camp system and its evolution, introductions to each of the various types of camps.

operated by the Wehrmacht and entries devoted to each individual camp representing the most comprehensive documentation to date of the Wehrmacht camp system Within the entries the volume draws upon German military documents eyewitness and survivor testimony and postwar investigations to describe the experiences of prisoners of war and civilian prisoners held captive by the Wehrmacht Of particular note is the detailed documentation of the Wehrmacht's crimes against Soviet prisoners of war which have largely been neglected in the English language literature up to this point despite the fact that more than three million Soviet prisoners died in German captivity The volume also provides substantial coverage of the diverse range of conditions encountered by other Allied prisoners of war illustrating both the substantial privations faced by all prisoners of war and the stark contrast between the Germans treatment of Soviet prisoners and those of other nationalities The volume also details the significant involvement of the Wehrmacht in crimes against the civilian populations of occupied Europe and North Africa As a result this volume not only brings to light many detention sites whose existence has been little known but also advances the decades old process of dismantling the myth of the clean Wehrmacht according to which the German military had nothing to do with the Holocaust and the Nazi regime's other crimes

American Military History Daniel K. Blewett, 2008-12-30 In this companion volume to his 1995 bibliography of the same title Daniel Blewett continues his foray into the vast literature of military studies As did its predecessor it covers land air and naval forces primarily but not exclusively from a U S perspective with the welcome emergence of small wars from publishing obscurity In addition to identifying relevant organizations and associations Blewett has gathered together the very best in chronologies bibliographies biographical dictionaries indexes journals abstracts glossaries and encyclopedias each accompanied by a brief descriptive annotation This work remains a pertinent addition to the general reference collections of public and academic libraries as well as special libraries government documents collections military and intelligence agency libraries and historical societies and museums

[The Encyclopedia of North American Colonial Conflicts to 1775](#) Spencer C. Tucker, James R. Arnold, Roberta Wiener, 2008-08-13 The only multivolume encyclopedia covering all aspects of North American colonial warfare with special attention paid to the social political cultural and economic affairs that were affected by the conflicts [Encyclopedia of North American Colonial Conflicts to 1775](#) A Political Social and Military History is the first multivolume resource on the full range of combat and confrontation in the New World prior to the American Revolution not just rivalries between European empires but Indian conflicts slave rebellions and popular uprisings as well Organized A Z the encyclopedia covers all major wars and conflicts in North America from the late 15th to mid 18th centuries with discussions of key battles diplomatic efforts military technologies and strategies and tactics [Encyclopedia of North American Colonial Conflicts to 1775](#) explores the context for conflict with essays on competing colonial powers every major Native American tribe all important political and military leaders and a range of social and cultural issues The insights and information contained here will help anyone understand the genesis of North American culture the plight of Native Americans after

European contact and the beginnings of the United States of America *British Supporters of the American Revolution, 1775-1783* Sheldon Samuel Cohen, 2004 America's Declaration of Independence while endeavouring to justify a break with Great Britain simultaneously proclaimed that the colonists had not been wanting in attention to our British brethren but that they had been deaf to the voice of justice and consanguinity This overstatement has since been modified in comprehensive histories of the American Revolution Gradually a more balanced portrait of British attitudes towards the conflict has emerged In particular studies of pro American Britons have exemplified this fact by concentrating on only a small upper class minority In contrast this work focuses on five unrenowned men of Britain's middling orders These individuals actively endeavoured to aid the American cause Their efforts often unlawful brought them into contact with Benjamin Franklin for whom they befriended rebel seamen confined in British gaols Their stories rendered here open up new areas for study of the American War on this middling segment of Britain's social structure Not Without Honor Kay Sloan, 2008-12-01 Not Without Honor threads together the stories of three American POWs Carano his buddy Bill Blackmon who was also at Stalag 17 b and John C Bitzer who survived the brutal Death March from northern Germany to liberation in April 1945 At times the journal reads like a thriller as he records air battles and escape attempts Yet in their most gripping accounts these POWs ruminate on psychological survival The sense of community they formed was instrumental to their endurance This compelling book allows the reader to journey with these young men as they bore firsthand witness to the best and worst of human nature *Life Behind Barbed Wire* Angelo M. Spinelli, Lewis H. Carlson, 2004 Contains one hundred photographs by Angelo Spinelli secretly taken during his twenty seven month confinement in a German prisoner of war camp including shots of everyday life as well as depicting the cruelties of war Air Force and Space Digest, 1996 **The First Marine Captured in Vietnam** Donald L. Price, 2015-01-24 Colonel Donald Gilbert Cook was the first U S Marine captured in Vietnam the first and only Marine in history to earn the Medal of Honor while in captivity and the first Marine POW to have a U S Navy ship named in his honor the USS Donald Cook DDG 75 On December 31 1964 while serving as an observer with a South Vietnamese Marine Corps battalion on a combat operation against Viet Cong forces he was captured near the village of Binh Gia in South Vietnam Until his death in captivity in December 1967 Cook led ten POWs in a series of primitive jungle camps This first book length biography concentrates especially on Cook's three years in captivity and is the first book exclusively about a Marine POW held in South Vietnam Throughout Cook's adherence to the Corps traditional leadership principles and knowledge of the Code of Conduct are highlighted His biography provides a unique case study of exemplary leadership under extremely difficult conditions Includes 68 photographs *Ghosts and Shadows of Andersonville* Robert Scott Davis, 2006 The name Andersonville has come to be synonymous with American death camp Its horrors have been portrayed in histories art television and movies The trial of its most famous figure Captain Henry Wirz still raises questions about American justice This work unlocks the secret history of America's deadliest prison camp in ways that will spur debate for many years to come

BOOK JACKET **Encyclopedia of the Sixties** Abbe A. Debolt, James S. Baugess, 2011-12-12 Comedian Robin Williams said that if you remember the 60s you weren't there. This encyclopedia documents the people, places, movements, and culture of that memorable decade for those who lived it and those who came after. *Encyclopedia of the Sixties: A Decade of Culture and Counterculture* surveys the 1960s from January 1960 to December 1969. Nearly 500 entries cover everything from the British television cult classic *The Avengers* to the Vietnam War and the civil rights movement. The two-volume work also includes biographies of artists, architects, authors, statesmen, military leaders, and cinematic stars, concentrating on what each individual accomplished during the 1960s, with brief postscripts of their lives beyond the period. There was much more to the Sixties than flower power and LSD, and the entries in this encyclopedia were compiled with an eye to providing a balanced view of the decade. Thus, unlike works that emphasize only the radical and revolutionary aspects of the period to the exclusion of everything else, these volumes include the political and cultural Right, taking a more academic than nostalgic approach and helping to fill a gap in the popular understanding of the era. **Special Bibliography Series**, 1957

Prisoners Duty Great Escapes In U S History Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Prisoners Duty Great Escapes In U S History PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture

of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Prisoners Duty Great Escapes In U S History PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Prisoners Duty Great Escapes In U S History free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Prisoners Duty Great Escapes In U S History Books

1. Where can I buy Prisoners Duty Great Escapes In U S History books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Prisoners Duty Great Escapes In U S History book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
