Prisoners Of War In American Conflicts A History:

Useful Captives Daniel Krebs, Lorien Foote, 2021-02-15 *Useful Captives* The Role of POWs in American Military Conflicts is a wide ranging investigation of the integral role prisoners of war POWs have played in the economic cultural political and military aspects of American warfare In *Useful Captives* volume editors Daniel Krebs and Lorien Foote and their contributors explore the wide range of roles that captives play in times of conflict hostages used to negotiate vital points of contention between combatants consumers laborers propaganda tools objects of indoctrination proof of military success symbols political instruments exemplars of manhood ideals loyal and disloyal soldiers and agents of change in society The book s eleven chapters cover conflicts involving Americans ranging from colonial warfare on the Creek Georgia border in the late eighteenth century the American Revolution the Civil War the Great War World War II to twenty first century U S drone warfare This long historical horizon enables the reader to go beyond the prison camp experience of POWs to better understand the many ways they influence the nature and course of military conflict *Useful Captives* shows the vital role that prisoners of war play in American warfare and reveals the cultural contexts of warfare the shaping and altering of military policies the process of state building the impacts upon the economy and environment of the conflict zone their special place in propaganda and political symbolism and the importance of public history in shaping national memory *Prisoners of War in American Conflicts* Harry P. Riconda, 2003 Those interested in the human side of war will find this an interesting and informative read as it discusses details of wars only to the extent necessary to cover prisoners of war Jacket **Prisoners of War in Contemporary Conflict** Michael N. Schmitt, Christopher J. Koschnitzky, 2023 This volume examines the rules governing the designation and treatment of POWs in contemporary conflict Each chapter examines specific topics around POWs that the contributors identify as unsettled operationally problematic or inadequately addressed in existing literature

American Military History Daniel K. Blewett, 2008-12-30 In this companion volume to his 1995 bibliography of the same title Daniel Blewett continues his foray into the vast literature of military studies As did its predecessor it covers land air and naval forces primarily but not exclusively from a U S perspective with the welcome emergence of small wars from publishing obscurity In addition to identifying relevant organizations and associations Blewett has gathered together the very best in chronologies bibliographies biographical dictionaries indexes journals abstracts glossaries and encyclopedias each accompanied by a brief descriptive annotation This work remains a pertinent addition to the general reference collections of public and academic libraries as well as special libraries government documents collections military and intelligence agency libraries and historical societies and museums **American Ex-prisoners of War**, 1988 *Prisoners of War and Local Women in Europe and the United States, 1914-1956* Matthias Reiss, Brian K. Feltman, 2022-04-19 This book brings together historians from Great Britain the United States Germany France Canada Austria and Latvia who have worked and published on fraternisation between Prisoners of War and local women during either the First or Second World War providing the first

comparative study of this multi faceted phenomenon in different belligerent countries By focusing on prisoners as wartime migrants and studying the nature and impact of their interactions with the local female population this book expands the existing framework on prisoner of war studies Its substantial scope and comparative approach make it an important point of reference in the growing research field of POW studies The American Conflict: a History of the Great Rebellion in the United States of America, 1860-'64(-65) ... With the Drift and Progress of American Opinion Respecting Human Slavery, from 1776 to the Close of the War for the Union Horace GREELEY,1866 **Axis Prisoners of War in Tennessee** Antonio S. Thompson,2023-03-09 During World War II Axis prisoners of war received arguably better treatment in the U S than anywhere else Bound by the Geneva Convention but also hoping for reciprocal treatment of American POWs the U S sought to humanely house and employ 425 000 Axis prisoners many in rural communities in the South This is the first book length examination of Tennessee s role in the POW program and how the influx of prisoners affected communities Towns like Tullahoma transformed into military metropolises Memphis received millions in defense spending Paris had a secret barrage balloon base The wooded Crossville camp housed German and Italian officers Prisoners worked tobacco lumber and cotton across the state Some threatened escape or worse When the program ended more than 25 000 POWs lived and worked in Tennessee Controlling Sex in Captivity Matthias Reiss,2018-06-14 Controlling Sex in Captivity is the first book to examine the nature extent and impact of the sexual activities of Axis prisoners of war in the United States during the Second World War Historians have so far interpreted the interactions between captors and captives in America as the beginning of the post war friendship between the United States Germany and Italy Matthias Reiss argues that this paradigm is too simplistic Widespread fraternisation also led to sexual relationships which created significant negative publicity and some Axis POWs got caught up in the U S Army s new campaign against homosexuals By focusing on the fight against fraternisation and same sex activities this study treads new ground It stresses that contact between captors and captives was often loaded with conflict and influenced by perceptions of gender and race It highlights the transnational impact of fraternisation and argues that the prisoners sojourn in the United States also influenced American society by fuelling a growing concern about social disintegration and sexual deviancy which eventually triggered a conservative backlash after the war *America's Captives* Paul J. Springer,2010-03-17 Notwithstanding the long shadows cast by Abu Ghraib and Guantnamo the United States has been generally humane in the treatment of prisoners of war reflecting a desire to both respect international law and provide the kind of treatment we would want for our own troops if captured In this first comprehensive study of the subject in more than half a century Paul Springer presents an in depth look at American POW policy and practice from the Revolutionary War to the current wars in Iraq and Afghanistan Springer contends that our nation s creation and application of POW policy has been repeatedly improvised and haphazard due in part to our military s understandable focus on defeating its enemies on the field of battle rather than on making arrangements for their detention

That focus however has set the conditions for the military's chronic failure to record and learn from both successful and unsuccessful POW practices in previous wars. He also observes that American POW policy since World War II has largely sought to outsource POW operations to allied forces in order to retain American personnel for frontline service outsourcing that has led to recent scandals. Focusing on each major war in turn, Springer examines the lessons learned and forgotten by American military and political leaders regarding our nation's experience in dealing with foreign POWs. He highlights the indignities of the Civil War, the efforts of the United States and its World War I allies to devise an effective POW policy, the unequal treatment of Japanese prisoners compared with that of German and Italian prisoners during World War II, and the impact of the Geneva Convention on the handling of Korean and Vietnamese captives. In bringing his coverage up to the so-called War on Terror, he also marks the nation's clear departure from previous practice. American treatment of POWs once deemed exemplary by the Red Cross after Operation Desert Storm has become controversial throughout the world. *America's Captives* provides a long-needed overarching framework for this important subject and makes a strong case that we should stop ignoring the lessons of the past and make the disposition of prisoners one of the standard components of our military education and training. Army History, 2000 *Military Captives in the United States* Craig A. Munsart, 2025-06-05

Since the beginning of the Revolutionary War, the United States has actively pursued military operations both domestic and foreign. Prisoners of war represent a natural consequence of such actions, and throughout history many of them have been incarcerated within the borders of the United States. Incorporating both existing and purpose-built prisoner facilities, the nation has held over one million prisoners, many transported here from across the globe. Detention facilities existed in almost every state, from large population centers to remote rural areas. Many such facilities have been preserved, while others have been destroyed by the country's expanding population. Exhaustively researched and thoroughly illustrated, this book seeks to fill a void, examining the history of domestically imprisoned POWs from the Revolutionary War through World War II. In addition to foreign nationals from Asia, Europe, and Latin America, even American citizens associated with foreign combatants have had their rights abrogated as they too were imprisoned without legal recourse. This book presents a history that has long been ignored and one which has a legacy in many Americans' own backyard. Wars That Changed History Spencer C. Tucker, 2015-09-22

A thorough study of significant wars throughout history and their influence on world affairs from the Egyptian Pharaoh Thutmose III's Campaigns during 1479-1425 BCE through the Iraq War of 2003-2011. For hundreds of years, wars have played a determining role in history and have decided the rise and fall of civilizations. Many believe that understanding the causes and consequences of warfare may move humankind towards world peace. This selection of the 50 most consequential wars compiled by award-winning military historian Spencer C. Tucker presents each conflict in chronological order and discusses its causes, its course, and its significance in world history. Through thoughtful essays and supporting visual evidence, this reference work examines the types of weapons systems employed and their effects in the field.

the roles played by individual leaders such as Alexander the Great Julius Caesar Abraham Lincoln and Adolf Hitler and the impact of geography and economics on the battlefield The work includes fascinating information about warfare addressing subjects such as how transportation and logistics changed the face of war over time what invention marked the ascendancy of infantry over cavalry why World War I remains the most important war in the 20th century and which war killed nearly half of the population of Germany Each essay includes the latest interpretations of strategy agendas and consequences of the featured event

Interrogator Raymond F. Toliver, 1997-12-01 The story of Hanns Scharff Nazi Germany's master interrogator who questioned American POWs with subtle startlingly effective tactics During World War II German Intelligence Officer Hanns Scharff gained the reputation as the man who could magically get all the answers he needed from a prisoner of war In most cases the POWs being interrogated never realized that their words small talk or otherwise were important pieces of the mosaic Scharff was constructing He was so effective that the USAF invited him to speak about his methods to military audiences in the United States after World War II In the words of one former POW What did Scharff get from me Nothing yet there is no doubt he got something If you talked about the weather or anything else he no doubt got some information or confirmation from it His technique was psychic not physical Another POW commented Hanns Scharff could probably get a confession of infidelity from a Nun To this day ex POWs fret over what they said or even might have implied during their interrogations and over what use Scharff may have made of their slip ups This book delves into the question What magic formula did Scharff use to draw information out of servicemen trained to remain silent *Catalogue of Books in the South Boston Branch Library of the Boston Public Library* Boston Public Library. South Boston Branch, 1879

ABA Journal, 1958-03 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association *A History of the Laws of War: Volume 1* Alexander Gillespie, 2011-09-06 This unique new work of reference traces the origins of the modern laws of warfare from the earliest times to the present day Relying on written records from as far back as 2400 BCE and using sources ranging from the Bible to Security Council Resolutions the author pieces together the history of a subject which is almost as old as civilisation itself The author shows that as long as humanity has been waging wars it has also been trying to find ways of legitimising different forms of combatants and regulating the treatment of captives This first book on warfare deals with the broad question of whether the patterns of dealing with combatants and captives have changed over the last 5 000 years and if so how In terms of context the first part of the book is about combatants and those who can lawfully take part in combat In many regards this part of the first volume is a series of less than ideal pathways This is because in an ideal world there would be no combatants because there would be no fighting Yet as a species we do not live in such a place or even anywhere near it either historically or in contemporary times This being so a second best alternative has been to attempt to control the size of military forces and therefore the bloodshed This is also not the case by which humanity has worked over the previous

centuries Rather the clear assumption for thousands of years has been that authorities are allowed to build the size of their armed forces as large as they wish The restraints that have been applied are in terms of the quality and methods by which combatants are taken The considerations pertain to questions of biology such as age and sex geographical considerations such as nationality and the multiple nuances of informal or formal combatants These questions have also overlapped with ones of compulsion and whether citizens within a country can be compelled to fight without their consent Accordingly for the previous 3 000 years the question has not been whether there should be a limit on the number of soldiers but rather who is or is not a lawful combatant It has rarely been a question of numbers It has been and remains one of type The second part of this book is about people typically combatants captured in battle It is about what happens to their status as prisoners about the possibilities of torture assistance if they are wounded and what happens to their remains should they be killed and their bodies fall into enemy hands The theme that ties all of these considerations together is that all of the acts befall those who are to one degree or another captives of their enemies As such they are no longer masters of their own fate As a work of reference this first volume as part of a set of three is unrivalled and will be of immense benefit to scholars and practitioners researching and advising on the laws of warfare It also tells a story which throws fascinating new light on the history of international law and on the history of warfare itself

History of Peace David Hoicka, 1920 History of Peace demonstrates from 4500 years of history and case studies of more than 100 treaties resolving armed conflicts that even when peace seems impossible peace may still be possible Even when the going seems hopeless and the night is dark hope is not yet lost History shows that again and again peace can break out from the darkest of nights From ancient Mesopotamia to modern day peace processes this groundbreaking book explores humanity's enduring quest for peace History of Peace offers profound insights into how mediators from world leaders to grassroots peacemakers have helped resolve armed conflicts save lives rebuild communities and foster economic growth through the power of dialogue and negotiation over the thousands of years from the beginnings of recorded time Read about The Treaty of Mesilim c 2550 BCE Mesilim king of the Sumerian city state of Kish mediated a land and water boundary dispute between the nearby south Babylonian cities of Lagash and Umma The Treaty of Kadesh 1259 BCE between Egypt and the Hittites negotiated by intermediaries established one of the earliest known mutual defense pacts The Peace of Westphalia 1648 facilitated by papal mediation revolutionized international relations by introducing the concept of state sovereignty The Congress of Vienna 1815 reshaped Europe after the Napoleonic Wars with Talleyrand's skilled mediation creating a balance of power that lasted nearly a century The Treaty of Versailles 1919 ended World War I but sowed seeds for future conflict highlighting the importance of inclusive mediation processes The Camp David Accords 1978 demonstrated the power of personal diplomacy and third party mediation by the US in resolving seemingly intractable disputes between Egypt and Israel The Good Friday Agreement 1998 brought an end to decades of conflict in Northern Ireland through innovative power sharing arrangements facilitated by multi party mediation The Aceh

Peace Agreement 2005 in Indonesia mediated by former Finnish President Martti Ahtisaari ended a 30 year conflict and saved countless lives The Comprehensive Peace Agreement 2005 in Sudan mediated by the Intergovernmental Authority on Development IGAD ended Africa s longest running civil war The Colombian Peace Agreement 2016 facilitated by Norwegian and Cuban mediation ended over 50 years of conflict between the government and FARC rebels Through vivid storytelling and expert analysis History of Peace brings to life the dramatic moments when bitter enemies found common ground From Napoleon and Tsar Alexander s fateful meeting on a raft in the Neman River to modern day peace negotiations we will trace an arc of human progress in the vital art of conflict resolution A prime example is the Treaty of Portsmouth of 1905 which ended the Russo Japanese War U S President Theodore Roosevelt s mediation between Russia and Japan not only brought an end to a costly conflict but also elevated the United States role in international diplomacy As Japanese diplomat Jutar Komura noted President Roosevelt s impartial and energetic efforts have made possible what seemed impossible This treaty demonstrates how skilled mediation can bridge even the widest divides between adversaries But this book is more than just a chronicle of famous treaties It s a deep exploration of how mediation and diplomacy have evolved over millennia to become sophisticated tools for conflict resolution Readers will learn The essential ingredients for successful peace negotiations How mediators bridge seemingly unbridgeable divides The role of economic incentives in cementing peace How to structure agreements for long term stability Common pitfalls in peace processes and how to avoid them History of Peace also highlights the crucial role played by grassroots peacemakers and civil society in nurturing reconciliation from the ground up Through inspiring stories of ordinary people working for change it shows how everyone can contribute to building a more peaceful world With ongoing conflicts from Ukraine to Yemen threatening global stability the lessons in this book have never been more relevant Whether you re a student of history a policymaker a mediator or simply someone who cares about creating a better future History of Peace offers invaluable insights into humanity s noblest endeavor Key features Comprehensive overview of peace treaties and conflict resolution from ancient times to the present In depth case studies of pivotal agreements that shaped world history Analysis of evolving mediation techniques and diplomatic strategies Exploration of the economic benefits of peace and post conflict reconstruction Inspiring stories of grassroots peacebuilders making a difference Lessons for addressing contemporary conflicts and global challenges This book is priced at an affordable price point to enable widest availability If this collection of inspiring stories how to make Swords into Plowshares saves even one life or brings happiness to a single person it will fill me also with hope and happiness knowing I ve made a difference as the author David Hoicka

The American Conflict: A history of the Great Rebellion in the United States of America, 1860-65 Horace Greeley, 2022-03-10 Reprint of the original first published in 1866 **American Military History** Donald F. Prisoners Of War In American Conflicts A History Introduction

Prisoners Of War In American Conflicts A History Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Prisoners Of War In American Conflicts A History Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Prisoners Of War In American Conflicts A History : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Prisoners Of War In American Conflicts A History : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Prisoners Of War In American Conflicts A History Offers a diverse range of free eBooks across various genres. Prisoners Of War In American Conflicts A History Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Prisoners Of War In American Conflicts A History Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Prisoners Of War In American Conflicts A History, especially related to Prisoners Of War In American Conflicts A History, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Prisoners Of War In American Conflicts A History, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Prisoners Of War In American Conflicts A History books or magazines might include. Look for these in online stores or libraries. Remember that while Prisoners Of War In American Conflicts A History, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Prisoners Of War In American Conflicts A History eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Prisoners Of War In American Conflicts A History full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Prisoners Of War In American Conflicts A History eBooks, including some popular titles.

FAQs About Prisoners Of War In American Conflicts A History Books

What is a Prisoners Of War In American Conflicts A History PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Prisoners Of War In American Conflicts A History PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Prisoners Of War In American Conflicts A History PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Prisoners Of War In American Conflicts A History PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Prisoners Of War In American Conflicts A History PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
