

PRISONERS of the MAZE

To Kill a King...

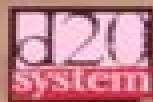

Death to King Ovar the Tyrant! Life to Law and Order! Four characters are charged with a mission so insane, so daring, that terming it an assassination does not do it justice. Are the four volunteers who would lay low King Ovar assassins? Or are they heroes? If the former, how are they better than the madman they are assigned to kill? And even if they are the latter, will their heroism be enough to overcome the Maze of Zayene?

Snared in the Wizard's Web

Prisoners of the Maze is the first part of the Maze of Zayene series by Robert J. Kuntz, an award-winning author and co-creator of the world's most popular roleplaying game! This module describes Zayene's dungeon maze in which the characters are trapped and the many new magics and monsters he has placed within it to defeat those imprisoned there. The wealth of adventure detail will energize any campaign and serve as a starting point for many subsequent adventures. Can your players survive the maze to complete their final mission, or will they become permanent residents of the Maze of Zayene?

A fantasy adventure for 4 to 6 characters of 9th to 12th level.
