Private Diary Of A Public Servant:

The Private Diary of a Public Servant, by Martin Merson Martin Merson,1955 *The Private Diary of a Public Servant* Martin Merson,1955 Account of what a private citizen felt and heard during 5 months in Washington as special consultant to the International Information Administration

Private Diary of Travels, Personal Services, and Public Events During Mission ... in the Campaigns of 1812, 1813, 1814 Wilson,1861 Private Diary of Travels, Personal Services, and Public Events Sir Robert Wilson,1861

Selling the American Way Laura A. Belmonte,2013-03-01 In 1955 the United States Information Agency published a lavishly illustrated booklet called *My America Assembled* ostensibly to document the basic elements of a free dynamic society the booklet emphasized cultural diversity political freedom and social mobility and made no mention of McCarthyism or the Cold War Though hyperbolic *My America* was as Laura A Belmonte shows merely one of hundreds of pamphlets from this era written and distributed in an organized attempt to forge a collective defense of the American way of life *Selling the American Way* examines the context content and reception of U S propaganda during the early Cold War Determined to protect democratic capitalism and undercut communism U S information experts defined the national interest not only in geopolitical economic and military terms Through radio shows films and publications they also propagated a carefully constructed cultural narrative of freedom progress and abundance as a means of protecting national security Not simply a one way look at propaganda as it is produced the book is a subtle investigation of how U S propaganda was received abroad and at home and how criticism of it by Congress and successive presidential administrations contributed to its modification

Demagogue Larry Tye,2020 A Joe McCarthy chronology Coming alive Senator who An ism is born Bully s pulpit Behind closed doors The body count The enablers Too big to bully The fall

The Book of Secrets M.G. Vassanji,2012-09-04 *The Book of Secrets* is a spellbinding novel of generations and the sweep of history which begins in 1988 in Dar es Salaam when the 1913 diary of a British colonial officer is found in a shopkeeper s back room The diary enflames the curiosity of a retired schoolteacher Pius Fernandes whose obsession with the stories it contains gradually connects the past with the present Inhabiting the story is a memorable cast of characters part of an Asian community in East Africa whose lives and fates we follow over the course of seven decades Rich in detail and description M G Vassanji s award winning novel magnificently conjures setting and the realm of eras past as it explores the state of living in exile from one s home and from oneself

A Conspiracy So Immense David M. Oshinsky,2019-08-20 Few politicians in our history have had the emotional impact of Joe McCarthy and acclaimed historian David Oshinsky s chronicling of his life has been called both nuanced and masterful Here David Oshinsky presents us with a work heralded as the finest account available of Joe McCarthy s colorful career With a storyteller s eye for the dramatic and presentation of fact and insightful interpretation of human complexity Oshinsky uncovers the layers of myth to show the true McCarthy His book reveals the senator from his humble beginnings as a hardworking Irish farmer s son in Wisconsin to his glory days as

the architect of America's Cold War crusade against domestic subversion a man whose advice if heeded some believe might have halted the spread of Communism in Southeast Asia and beyond A Conspiracy So Immense reveals the internal and external forces that launched McCarthy on this political career carried him to national prominence and finally triggered his decline and fall More than the life of an intensely even pathologically ambitious man however this book is a fascinating portrait of America in the grip of Cold War fear anger suspicion and betrayal Complete with a new foreword A Conspiracy So Immense will continue to keep in the spotlight this historical figure a man who worked so hard to prosecute criminals whose ideals work against that of his for America **Eisenhower and the American Crusades** Herbert S. Parmet, 2019-08-08

Herbert S. Parmet's *Eisenhower and the American Crusades* is a major assessment of the American presidency during the critical period of America at mid century The book follows the career of General Dwight D. Eisenhower from 1952 when he decided to leave his NATO command to campaign for the presidency to his retirement at Gettysburg nearly nine years later His entry into politics was well timed A mood of conservatism was sweeping the country surveys indicated that the majority of Americans felt it was time for a change from two decades of executive control by those who had permitted events to get out of hand Parmet based his study of the Eisenhower years on massive research conversations with leading figures of the era and previously unreleased documents This wealth of material has enabled him to provide answers to questions frequently asked about the thirty-fourth president Was Eisenhower the kind fatherly man millions grew up to love on their television or was this an image created by a shrewd politician who knew what the country needed in a trying time Did he choose Richard Nixon as a running mate or was Nixon forced upon him by political necessities Was the president intimidated by the appearance of power of Joseph McCarthy and did the Army McCarthy hearings influence Eisenhower's decision to involve the United States in Vietnam Was Eisenhower concerned with the lack of progress in civil rights Was he the right man for the right time in history or was he merely postponing the major crises of the 1960s Parmet offers a convincing refutation of the idea of the Eisenhower years as being placid or boring No years that contained McCarthy and McCarthyism a war in Korea constant fears of nuclear annihilation and spreading racial violence could be so described For Parmet Eisenhower was a stabilizing force in a time of conflict He may not have been a political genius but he knew perhaps better than anyone else around him exactly what the people wanted and how they wanted it Ike and Dick Jeffrey Frank, 2013-11-05

Examines the relationship between Dwight Eisenhower and Richard Nixon from the politics that divided them to the marriage that united their families Despite being separated by age and temperament their association evolved into a collaboration that helped to shape the nation's political ideology foreign policy and domestic goals **ABA Journal**, 1956-02 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association

The End Of Reform Alan Brinkley, 2011-09-21 At a time when liberalism is in disarray this vastly illuminating book locates the origins of its crisis Those origins says Alan Brinkley are paradoxically situated during the

second term of Franklin Delano Roosevelt whose New Deal had made liberalism a fixture of American politics and society The End of Reform shows how the liberalism of the early New Deal which set out to repair and if necessary restructure America's economy gave way to its contemporary counterpart which is less hostile to corporate capitalism and more solicitous of individual rights Clearly and dramatically Brinkley identifies the personalities and events responsible for this transformation while pointing to the broader trends in American society that made the politics of reform increasingly popular It is both a major reinterpretation of the New Deal and a crucial map of the road to today's political landscape Big Dams and Other Dreams Donald E. Wolf, 1996 Explores the businesses and personalities responsible for the construction of the Hoover Bonneville and Grand Coulee dams Colossus Michael Hiltzik, 2010-06-01 As breathtaking today as the day it was completed Hoover Dam not only shaped the American West but helped launch the American century In the depths of the Great Depression it became a symbol of American resilience and ingenuity in the face of crisis putting thousands of men to work in a remote desert canyon and bringing unruly nature to heel Pulitzer Prize winning writer Michael Hiltzik uses the saga of the dam's conception design and construction to tell the broader story of America's efforts to come to grips with titanic social economic and natural forces For embodied in the dam's striking machine age form is the fundamental transformation the Depression wrought in the nation's very culture the shift from the concept of rugged individualism rooted in the frontier days of the nineteenth century to the principle of shared enterprise and communal support that would build the America we know today In the process the unprecedented effort to corral the raging Colorado River evolved from a regional construction project launched by a Republican president into the New Deal's outstanding and enduring symbol of national pride Yet the story of Hoover Dam has a darker side Its construction was a gargantuan engineering feat achieved at great human cost its progress marred by the abuse of a desperate labor force The water and power it made available spurred the development of such great western metropolises as Los Angeles Phoenix Denver Las Vegas Salt Lake City and San Diego but the vision of unlimited growth held dear by its designers and builders is fast turning into a mirage In Hiltzik's hands the players in this epic historical tale spring vividly to life President Theodore Roosevelt who conceived the project William Mulholland Southern California's great builder of water works who urged the dam upon a reluctant Congress Herbert Hoover who gave the dam his name though he initially opposed its construction Frank Crowe the dam's renowned master builder who pushed his men mercilessly to raise the beautiful concrete rampart in an inhospitable desert gorge Finally there is Franklin Roosevelt who presided over the ultimate completion of the project and claimed the credit for it Hiltzik combines exhaustive research trenchant observation and unforgettable storytelling to shed new light on a major turning point of twentieth century history **The Routledge Guide to British Political Archives** Chris Cook, 2012-10-02 This major new reference work provides an authoritative and wide ranging guide to archive sources now becoming available for British political history since 1945 With a user friendly layout the book presents a comprehensive range of 1 500 personal papers

from leading statesmen backbench politicians writers campaigners diplomats and generals which cover the key aspects of British history since of the end of the Second World War Compiled by an experienced archivist this comprehensive easy to use and authoritative guide is an invaluable resource for researchers of modern British history Servants of Diplomacy Keith Hamilton,2021-01-14 Servants of Diplomacy offers a bottom up history of the 19th century Foreign Office and in doing so provides a ground breaking study of modern British diplomacy Whilst current literature focuses on the higher echelons of the Office Keith Hamilton sheds a new light on the administrative and social history of Whitehall which have until now been largely ignored Hamilton s examination of the roles and actions of the Foreign Office s domestic staff is exhaustive with close attention paid to the keepers of the office keepers of the papers the carriers of the papers and the efforts made to adapt to growing technological changes Hamilton s exhaustive analysis also focuses on the reforms of 1905 06 and the Queen s Messengers during wartime Drawing extensively from Foreign Office and Treasury archives and private manuscript collections this is essential reading for anyone with an interest of British diplomatic history **Hoover Dam** Joseph E. Stevens,1990-09-01 Traces the construction of Hoover Dam describes the technical and political challenges and discusses the economic impact of the dam **The First Resort of Kings** Richard T. Arndt,2011 A landmark study of the most neglected tool of U S foreign policy **ABA Journal** ,1956-12 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association **Perilous Times** Geoffrey R. Stone,2004 Geoffrey Stone s Perilous Times incisively investigates how the First Amendment and other civil liberties have been compromised in America during wartime Stone delineates the consistent suppression of free speech in six historical periods from the Sedition Act of 1798 to the Vietnam War and ends with a coda that examines the state of civil liberties in the Bush era Full of fresh legal and historical insight Perilous Times magisterially presents a dramatic cast of characters who influenced the course of history over a two hundred year period from the presidents Adams Lincoln Wilson Roosevelt and Nixon to the Supreme Court justices Taney Holmes Brandeis Black and Warren to the resisters Clement Vallandigham Emma Goldman Fred Korematsu and David Dellinger Filled with dozens of rare photographs posters and historical illustrations Perilous Times is resonant in its call for a new approach in our response to grave crises

Private Diary Of A Public Servant Introduction

In today's digital age, the availability of Private Diary Of A Public Servant books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Private Diary Of A Public Servant books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Private Diary Of A Public Servant books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Private Diary Of A Public Servant versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Private Diary Of A Public Servant books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Private Diary Of A Public Servant books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Private Diary Of A Public Servant books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free

access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Private Diary Of A Public Servant books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Private Diary Of A Public Servant books and manuals for download and embark on your journey of knowledge?
