Rites of Way Mark Kingwell, Patrick Turmel, 2011-04-07 There are many ways to approach the subject of public space the threats posed to it by surveillance and visual pollution the joys it offers of stimulation and excitement of anonymity and transformation its importance to urban variety or democratic politics But public space remains an evanescent and multidimensional concept that too often escapes scrutiny The essays in Rites of Way The Politics and Poetics of Public Space open up multiple dimensions of the concept from architectural political philosophical and technological points of view There is some historical analysis here but the contributors are more focused on the future of public space under conditions of growing urbanization and democratic confusion The added interest offered by non academic work visual art fiction poetry and drama is in part an admission that this is a topic too important to be left only to theorists It also makes an implicit argument for the crucial role that art not just public art plays in a thriving public realm Throughout this work contributors are guided by the conviction not pious but steely that healthy public space is one of the best living parts of a just society The paths of desire we follow in public trace and speak our convictions and needs our interests and foibles They are the vectors and walkways of the social the public dimension of life lying at the heart of all politics *Theatre World* Ben Hodges, 2005-06 Theatre World Highlights of this new Theatre World now in its 59th year include the 8 Tony winning Hairspray with award winners Harvey Firestein and Marissa Jaret Winokur the Tony winning Best Play Take Me Out hot director David Leveaux's reimagining of Nine The Musical featuring the sensational Antonio Banderas and Jane Krakowski the star studded revival of Eugene O'Neill's Long Day's Journey into Night with Vanessa Redgrave Brian Dennehy Philip Seymour Hoffman and Robert Sean Leonard and the groundbreaking Russell Simmons Def Poetry Jam Notable Off Broadway and touring productions include the anti death penalty play The Exonerated Kate Mulgrew as Katharine Hepburn in Tea at Five Dinner at Eight with the late John Ritter Talking Heads with Lynn Redgrave Christine Ebersole and Kathleen Chalfant and the highly regarded Stephen Adly Guirgis Our Lady of 121st St Theatre World the statistical and pictorial record of the Broadway Off Broadway and Off Off Broadway seasons touring companies and professional regional companies throughout the United States is a classic in its field The book is complete with cast listings replacements producers directors authors composers opening and closing dates and song titles There are special sections with biographical data obituary information a longest runs listing an expanded theatrical awards section and much more Now featuring 16 pages of color photos Over 600 photos in all Nothing brings back a theatrical season better or holds on to it more lovingly than John Willis Theatre World an addiction for theatre buffs Playbill If you're looking for an elaborate visual record of a theatrical season you'll want to opt for
