The Legendary Detective John Walton,2024-05-31 I m in a business where people come to me with troubles Big troubles little troubles but always troubles they don t want to take to the cops That's Raymond Chandler's Philip Marlowe succinctly setting out our image of the private eye A no nonsense loner working on the margins of society working in the darkness to shine a little light The reality is a little different but no less fascinating In The Legendary Detective John Walton offers a sweeping history of the American private detective in reality and myth from the earliest agencies to the hard boiled heights of the 1930s and 40s Drawing on previously untapped archival accounts of actual detective work Walton traces both the growth of major private detective agencies like Pinkerton which became powerful bulwarks against social and labor unrest and the motley unglamorous work of small time operatives He then goes on to show us how writers like Dashiell

Hammett and editors of sensational pulp magazines like Black Mask embellished on actual experiences and fashioned an image of the PI as a compelling even admirable necessary evil doing society s dirty work while adhering to a self imposed moral code Scandals public investigations and regulations brought the boom years of private agencies to an end in the late 1930s Walton explains in the process fully cementing the shift from reality to fantasy Today as the private detective has long since given way to security services and armed guards the myth of the lone PI remains as potent as ever No fan of crime fiction or American history will want to miss The Legendary Detective Private Investigator Exam Study Guide Tpb Publishing, 2020-10-13 Test Prep Books Private Investigator Exam Study Guide Private Investigator Handbook and Practice Test Questions 2nd Edition Book Taking the Private Investigator license test Want to get a good score Written by Test Prep Books this comprehensive study quide includes Quick Overview Test Taking Strategies Introduction Case Testimony Presentation Case Management Strategy Conducting Interviews Research Evidence Collection Practice Questions Detailed Answer Explanations Studying is hard We know We want to help You can ace your test Each part of the test has a full review This study guide covers everything likely to be on the Private Investigator test Lots of practice test questions are included Miss one and want to know why There are detailed answer explanations to help you avoid missing the same question a second time Are you a bad test taker Use your time wisely with the latest test taking strategies Don t settle for just learning what is on the test Learn how to be successful with that knowledge Test Prep Books has drilled down the top test taking tips This will help you save time and avoid making common mistakes on test day Get your Private Investigator license practice test and study guide It includes review material practice test guestions and test taking strategies It has everything you need **Find 'em Fast** John D.
