Private Elisha Stockwell Jr Sees The Civil War:

Private Elisha Stockwell, Jr. Sees the Civil War. Edited by Byron R. Abernethy. [With Plates, Including Portraits.]. Elisha STOCKWELL, 1958 Private Elisha Stockwell, Jr., Sees the Civil War Elisha Stockwell, 1985 **Private Elisha Stockwell, Jr. Sees the Civil War** Elisha Stockwell (Jr.), 1958 *Private Elisha Stockwell, Jr., Sees the Civil War* Elisha Stockwell, 1958

Memoirs Stockwell enlisted in the Union Army in 1862 as a boy of fifteen and stayed until the end of the war **Private Elisha Stockwell, Jr. Sees the Civil War** Byron R. Abernethy, 1958 *The Civil War in Books* David J. Eicher, 1997

With the assistance of several scholars including James M McPherson and Gary Gallagher and a long time specialist in Civil War books Ralph Newman David Eicher has selected for inclusion in *The Civil War in Books* the 1 100 most important books on the war These are organized into categories as wide ranging as Battles and Campaigns Biographies Memoirs and Letters Unit Histories and General Works The last of these includes volumes on black Americans and the war battlefields fiction pictorial works politics prisons railroads and a host of other topics Annotations are included for all entries in the work which is presented in an oversized 8 1 2 x 11 inch volume in two column format Appendixes list prolific Civil War publishers and other Civil War bibliographies and the works included in Eicher s mammoth undertaking are indexed by author or editor and by title Gary Gallagher s foreword traces the development of Civil War bibliographies and declares that Eicher s annotation exceeds that of any previous comprehensive volume *The Civil War in Books* Gallagher believes is precisely the type of guide that has been needed The first full scale fully annotated bibliography on the Civil War to appear in more than thirty years Eicher s *The Civil War in Books* is a remarkable compendium of the best reading available about the worst conflict ever to strike the United States The bibliography the most valuable reference book on the subject since *The Civil War Day by Day* will be essential for college and university libraries dealers in rare and secondhand books and Civil War buffs

The Darkest Days of the War Peter Cozzens, 2017-12-10 During the late summer of 1862 Confederate forces attempted a three pronged strategic advance into the North The outcome of this offensive the only coordinated Confederate attempt to carry the conflict to the enemy was disastrous The results at Antietam and in Kentucky are well known the third offensive the northern Mississippi campaign led to the devastating and little studied defeats at Iuka and Corinth defeats that would open the way for Grant s attack on Vicksburg Peter Cozzens presents here the first book length study of these two complex and vicious battles Drawing on extensive primary research he details the tactical stories of Iuka where nearly one third of those engaged fell and Corinth fought under brutally oppressive conditions analyzing troop movements down to the regimental level He also provides compelling portraits of Generals Grant Rosecrans Van Dorn and Price exposing the ways in which their clashing ambitions and antipathies affected the outcome of the campaign Finally he draws out the larger strategic implications of the battles of Iuka and Corinth exploring their impact on the fate of the northern Mississippi campaign and by extension the fate of the Confederacy

The Boys' War Jim Murphy, 2017-01-31 An ALA Best Book for

Young Adults Firsthand accounts of the experiences of boys sixteen and younger who fought in the Civil War with photos included Winner of the Golden Kite Award for Nonfiction Making extensive use of the actual words culled from diaries journals memoirs and letters of boys who served in the Union and Confederate armies as fighting soldiers as well as drummers buglers and telegraphers Murphy describes the beginnings of the Civil War and goes on to delineate the military role of the underage soldiers and their life in the camps and field bivouacs Also included is a description of the boys return home and the effects upon them of their wartime experiences An excellent selection of more than 45 sepia toned contemporary photographs augment the text of this informative moving work School Library Journal starred review This wrenching look at our nation s bloodiest conflict through the eyes of its youthful participants serves up history both heartbreaking and enlightening Publishers Weekly This well researched and readable account provides fresh insight into the human cost of a pivotal event in United States history The Horn Book starred review [Mobile Bay and the Mobile Campaign](#) Chester G. Hearn,2010-06-21 In the Civil War both sides understood that closing the South s ports would halt the introduction of war materiel to the industrially weak region Though the North captured New Orleans in 1862 they did not attack the Confederate navy in Mobile Bay or the city of Mobile Alabama until 1864 The two year delay allowed much needed supplies to enter the Confederacy and changed the face of the ensuing Mobile Campaign as technological advances in ships submarines mines and fortification made a striking difference in the fighting This book examines the politics preparations leaders and battles that made the Mobile Campaign a microcosm of the overall conduct of the Civil War **Understanding U.S. Military Conflicts through Primary Sources** James R. Arnold,Roberta Wiener,2015-11-12 An easily accessible resource that showcases the links between using documented primary sources and gaining a more nuanced understanding of military history Primary source analysis is a valuable tool that teaches students how historians utilize documents and interpret evidence from the past This four volume reference traces key decisions in U S military history from the Revolutionary War through the 21st century conflicts in Afghanistan and Iraq by examining documents relating to military strategy and national policy judgments by U S military and political leaders A comprehensive introductory essay provides readers with the context necessary to understand the relationship between diplomatic documents military correspondence and other documentation related to events that shaped warfare diplomacy and military strategy Once the stage is set the work covers 14 conflicts that are significant to U S history Treatment of each of the conflicts begins with a historical overview followed by a chronology and approximately 30 primary source documents presented in chronological order Each document is accompanied by a description and annotations and by an analysis that highlights its importance to the event or topic under discussion Designed for secondary school and college students the work will be exceptionally valuable to teachers who will appreciate the ready made lessons that fit directly into core curriculum standards **Urban Emancipation** Michael W. Fitzgerald,2002-09-01 Scholars of Reconstruction have generally described Republican party

factional conflicts in racial terms as if the Radical agenda evoked unified black support As Michael W Fitzgerald shows in the first major study of black popular politics in the urban South in the years surrounding the Civil War that depiction oversimplifies a contentious and often overlooked intraracial dynamic Republican political power he argues heightened divisions within the African American community divisions that were ultimately a major factor in the failure of Reconstruction Focusing on Mobile the Confederacy's fourth largest city Fitzgerald traces how the rivalry between longtime black residents and destitute freedmen fleeing the countryside yielded a startlingly antagonistic political scene He demonstrates that the Republican factionalism that helped doom Reconstruction went beyond competing cliques of white officeholders Boldly challenging reigning theories about the nature of post Civil War politics Urban Emancipation will spark historical debate for years to come

To the Battles of Franklin and Nashville and Beyond Benjamin Franklin Cooling, 2011-07-20 By 1864 neither the Union's survival nor the South's independence was any more apparent than at the beginning of the war The grand strategies of both sides were still evolving and Tennessee and Kentucky were often at the cusp of that work The author examines the heartland conflict in all its aspects the Confederate cavalry raids and Union counter offensives the harsh and punitive Reconstruction policies that were met with banditry and brutal guerrilla actions the disparate political economic and socio cultural upheavals the ever growing war weariness of the divided populations and the climactic battles of Franklin and Nashville that ended the Confederacy's hopes in the Western Theater

Union Sharpshooter vs Confederate Sharpshooter Gary Yee, 2019-06-27 During the American Civil War the Union and the Confederacy both fielded units of sharpshooters Sometimes equipped with firearms no better than those of their infantry brethren they fought in a manner reminiscent of Napoleonic era light infantry Siege warfare placed a premium on marksmanship and the sharpshooter became indispensable as they could drive artillerymen from their guns They could also become expert scouts and for the Confederacy impressive raiders one raid netted almost 250 prisoners Initially Union marksmen enjoyed the upper hand but as the Confederates began raising and training their own sharpshooters they proved themselves as worthy opponents In this study Gary Yee an expert in firearms of the period assesses the role played by sharpshooters in three bloody clashes at the height of the American Civil War the battle of Fredericksburg the siege of Vicksburg and the siege of Battery Wagner

"Digging All Night and Fighting All Day" Paul Brueske, 2024-08-07 The bloody two week siege of Spanish Fort Alabama March 26 April 8 1865 was one of the final battles of the Civil War Despite its importance and fascinating history surprisingly little has been written about it Many considered the fort as the key to holding the important seaport of Mobile which surrendered to Maj Gen Edward R S Canby on April 12 1865 Paul Brueske's *Digging All Night and Fighting All Day The Civil War Siege of Spanish Fort and the Mobile Campaign 1865* is the first full length study of this subject General U S Grant had long set his eyes on capturing Mobile Its fall would eliminate the vital logistical center and put one of the final nails in the coffin of the Confederacy On January 18 1865 Grant ordered General Canby to move against Mobile Montgomery and Selma and destroy

anything useful to the enemy's war effort. The reduction of Spanish Fort along with Fort Blakeley the primary obstacles to taking Mobile was a prerequisite to capturing the city. After the devastating Tennessee battles of Franklin and Nashville in late 1864 many Federals believed Mobile's garrison which included a few battered brigades and most of the artillery units from the Army of Tennessee did not have much fight left and would evacuate the city rather than fight. They did not. Despite being outnumbered about 10 to 1 33 year old Brig Gen Randall Lee Gibson mounted a skillful and spirited defense that considerably astonished his Union opponents. The siege and battle that unfolded on the rough and uneven bluffs of Mobile Bay's eastern shore fought mainly by veterans of the principal battles of the Western Theater witnessed every offensive and defensive art known to war. Paul Brueske a graduate student of history at the University of South Alabama marshaled scores of primary source materials including letters diaries reports and newspaper accounts to produce an outstanding study of a little known but astonishingly important event rife with acts of heroism that rivaled any battle of the war. It will proudly occupy a space on the bookshelf of any serious student of the war.

Americans at War James R. Arnold, 2018-05-18 This unprecedented compilation of eyewitness accounts records the thoughts and emotions of American soldiers spanning nearly 250 years of national history from the American Revolution to the Afghanistan War. Understanding primary sources is essential to understanding warfare. This outstanding collection provides a diverse set of eyewitness accounts of Americans in combat throughout U.S. history. Offering riveting true stories it includes accounts from participants in the American Revolution the War of 1812 the Indian Wars the Mexican American War the Civil War the Spanish American War and Philippine Insurrection World War I World War II the Korean War the Vietnam War The Persian Gulf War the Afghanistan War and the Iraq War. Most eyewitness accounts of war currently available to the public are those of writers who enjoy higher military rank. *Americans at War* addresses this imbalance between officers' accounts and enlisted men's accounts by invoking oral history archives. Contextual essays and timelines allow the reader to place the accounts in time and place while the entries themselves allow the reader to experience the thoughts and emotions of Americans who engaged in combat.

Silent Witness Ron Field, 2017-10-19 Compiled by an acclaimed Civil War historian this beautiful volume illustrated with stunning photography examines America's deadliest conflict through the camera's lens. The Civil War changed America forever. It shaped its future and determined its place in history. For the first time in military history the camera was there to record these seismic events from innovations in military and naval warfare to the battles themselves the commanders at critical moments in the battle and the ordinary soldier tentatively posing for his first ever portrait on the eve of battle. Displaying many rare images unearthed by the author an acclaimed Civil War historian this beautiful volume explores how the camera bore witness to the dramatic events of the Civil War. It reveals not only how the first photographers plied their trade but also how photography helped shape the outcome of the war and how it was reported to anxious families across the North and South.

Southern Invincibility Wiley Sword, 2007-04-01 Southern pride the notion that the South's character

distinguishes it from the rest of the country had a profound impact on how and why Confederates fought the Civil War and continued to mold their psyche after they had been defeated In Southern Invincibility award winning historian Wiley Sword traces the roots of the South s belief in its own superiority and examines the ways in which that conviction contributed to the war effort even when it became clear that the South would not win Informed by thorough research Southern Invincibility is the historical investigation of a psychology that continues to define the South **Special Bibliography** ,1982 Courage Under Fire Wiley Sword,2011-03-29 If it is necessary that I should fall on the battlefield for my courage does not halt or falter Major Sullivan Ballou 1861 prior to the Battle of Bull Run In Courage Under Fire award winning historian Wiley Sword captures the fervor of a nation at war with itself a war that pitted brother against brother Through the immediacy of diaries and letters written not only on the battlefields and in camps but also on the deathbeds of soldiers from both the North and South Sword lays bare the complexities and depth of a soldier s mind in coming to grips with life and death even while his country and often his family is mercilessly ripped apart From wives and mothers to the highest military figures all strived toward often worthy but difficult objectives while seeking to suffer as little as possible Featured in this compelling study of men and women facing the severest stress of their lives are fascinating stories such as that of Union Lieutenant Colonel Frank Curtiss He was ordered to take his regiment the 127th Illinois in a hopeless charge against the enemy s fortified lines at Atlanta Ga on August 3 1864 Aware that many of his men would die needlessly and for minimal tactical gain he refused to obey these orders The moral courage to fight meant also to appropriately assess the risks and weigh the loss in lives of one s soldiers Confederate General John Bell Hood s decision to sacrifice much of his army at Franklin Tennessee on November 30th 1864 ranks as one of the saddest events of the war His aggressive behavior is assessed in terms of both moral and physical courage providing a revealing insight into the character of one of the war s key commanders The prospect of death in battle was a fearsome prospect for Lucy Morse who kept desperate hope her husband William H Morse would survive the fighting She wrote to him I was almost crazy before I heard from you for fear that you had shared the fate of many a brave soldier Her story and that of the fateful events in their lives provides graphic evidence of the fiber of America s soldiers and their worthy families In a revealing portrait of courage and its often bloody consequences Wiley Sword conveys a vivid picture of bravery under extreme stress which is fully appropriate in today s world Storming Vicksburg Earl J. Hess,2020-09-25 The most overlooked phase of the Union campaign to capture Vicksburg Mississippi was the time period from May 18 to May 25 1863 when Ulysses S Grant closed in on the city and attempted to storm its defenses Federal forces mounted a limited attack on May 19 and failed to break through Confederate lines After two days of preparation Grant s forces mounted a much larger assault Although the Army of the Tennessee had defeated Confederates under John C Pemberton at Champion Hill on May 16 and Big Black River on May 17 the defenders yet again repelled Grant s May 22 attack The Gibraltar of the Confederacy would not fall until a six week siege ended with Confederate surrender on July 4 In

Storming Vicksburg military historian Earl J Hess reveals how a combination of rugged terrain poor coordination and low battlefield morale among Union troops influenced the result of the largest attack mounted by Grant s Army of the Tennessee Using definitive research in unpublished personal accounts and other underutilized archives Hess makes clear that events of May 19 22 were crucial to the Vicksburg campaign s outcome and shed important light on Grant s generalship Confederate defensive strategy and the experience of common soldiers as an influence on battlefield outcomes

Embracing the Beat of Appearance: An Mental Symphony within **Private Elisha Stockwell Jr Sees The Civil War**

In a global consumed by monitors and the ceaseless chatter of immediate interaction, the melodic beauty and mental symphony created by the prepared term often fade into the background, eclipsed by the persistent noise and disruptions that permeate our lives.
