Sonia Harris-Short, Joanna Miles

Private Lives Families Individuals And The Law:

Private Lives Lawrence Meir Friedman, 2004 Drawing on many revealing and sometimes colorful court cases of the past two centuries Private Lives offers a lively short history of the complexities of family law and family life including the tensions between the laws on the books and contemporary arrangements for marriage divorce adoption and child rearing **A**

History of American Law: Third Edition Lawrence M. Friedman, 2005-06-01 In this brilliant and immensely readable book Lawrence M Friedman tells the whole fascinating story of American law from its beginnings in the colonies to the present day By showing how close the life of the law is to the economic and political life of the country he makes a complex subject understandable and engrossing A History of American Law presents the achievements and failures of the American legal system in the context of America s commercial and working world family practices and attitudes toward property government crime and justice Now completely revised and updated this groundbreaking work incorporates new material regarding slavery criminal justice and twentieth century law For laymen and students alike this remains the only comprehensive authoritative history of American law

Handbook of Social Media and the Law Laura Scaife, 2014-11-20 Billions of minutes a month are spent globally on social media This raises not only serious legal issues but also has a clear impact on everyday commercial activity This book considers the significant legal developments that have arisen due to social media It provides an expert explanation of the issues that practitioners and businesses need to consider as well as the special measures that are required in order to minimise their exposure to risk The content is highly practical and not only explores the law related to social media but also includes useful aids for the reader such as flow charts checklists and case studies Various categories and channels of social media are covered in this book alongside the legal classification of different social networks Social media is also considered in the context of human rights law by evaluating the implications this has had upon the development of civil and criminal law when pursuing a civil remedy or criminal prosecution in relation to online speech As part of these discussions the book deals specifically with the Defamation Act 2013 the Communications Act 2003 the Computer Misuse Act 1990 and the Contempt of Court Act 1988 among other key issues such as seeking Injunctions and the resulting privacy implications Finally the author also pays careful consideration to the commercial aspects raised by social media The reader will find reference to key cases and regulatory guidance notes and statutes including the Data Protection Act 1998 including the draft Data Protection Regulation user privacy human rights trading and advertising standards special rules for FCA regulated bodies and social media insurance This book is an invaluable guide for private practice and in house practitioners business professionals academics and post graduate students involved in the law surrounding social media

Advanced Introduction to Feminist Perspectives on Law Margaret Thornton, 2024-08-06 This Advanced Introduction overviews the ongoing struggle for gender equality since the nineteenth century It considers how women have looked to law as a means of facilitating entry into the public sphere including in higher education work and professional life National

Myths Gérard Bouchard,2013-05-02 Myths are a major universal sociological mechanism which is still rather poorly understood Demonstrates the relevance and the potential of myths as a research area Provides a timely shift in the usual focus of national studies which typically centers on ethnicity immigration integration citizenship cultural diversity and nationalism Demonstrates the nature and the functioning of myths in contemporary societies as a nexus of meanings that feed identities memory and utopias Contributions from international authors **Law, Society, and History** Robert W. Gordon,Morton J. Horwitz,2011-03-07 This book assembles essays on legal sociology and legal history by an international group of distinguished scholars All of them have been influenced by the eminent and prolific legal historian legal sociologist and scholar of comparative law Lawrence M Friedman Not just a Festschrift of essays by colleagues and disciples this volume presents a sustained examination and application of Friedman s ideas and methods Together the essays in this volume show the powerful ripple effects of Friedman s work on American and comparative legal sociology American and comparative legal history and the general sociology of law and legal change **Dead Hands** Lawrence M. Friedman,2009-03-09 The law of succession rests on a single brute fact you can t take it with you The stock of wealth that turns over as people die is staggeringly large In the United States alone some 41 trillion will pass from the dead to the living in the first half of the 21st century But the social impact of inheritance is more than a matter of money it is also a matter of what money buys and brings about Law and custom allow people many ways to pass on their property As Friedman s enlightening social history reveals a decline in formal rules the ascendancy of will substitutes over classic wills social changes like the rise of the family of affection changing ideas of acceptable heirs and the potential disappearance of the estate tax all play a large role in the balance of wealth Dead Hands uncovers the tremendous social and legal importance of this rite of passage and how it reflects changing values and priorities in American families and society **Common Law Marriage** Goran Lind,2008-09-02 The extraordinary recent increase in rates of cohabitation and non marital birth presents a major challenge to traditional family law principles and the legal rules governing cohabitation are thus among the most hotly contested areas of family law and policy today In many nations courts legislatures and law reform bodies are reinventing common law marriage seemingly without any sense of its history doctrinal development or limitations The current law surrounding common law marriage is extremely complex Professor G ran Lind has undertaken the demanding task of writing the most well researched text on this topic to date Separated into three Parts Common Law Marriage covers the origins of the doctrine its legal aspects in modern America and the future of cohabitation law across the globe and in the 11 American jurisdictions that currently recognize common law marriage It provides a cultural and historical history of the subject from Ancient Roman Law to Medieval Canon Law and analyzes over 2 000 American cases which have utilized the doctrine This timely book is an excellent resource for scholars legislators and policymakers who are interested in the complex legalities of common law marriage **Information in International Law** José M. Reis,2024-10-16 Examining state behavior this book sheds light on the often overlooked role

of information production and diffusion in international law and relations Most theories of public international law and state behavior rely on a certain degree of international law related information such as an international legal ruling being made public and diffused to reach various key actors such as third states or domestic actors However while assumptions about information being produced and diffused permeate international legal scholarly work these assumptions have not been systematically and empirically evaluated Based on an empirical analysis the author challenges prevailing assumptions by systematically evaluating the accessibility and dissemination of crucial international law related information such as treaty negotiation documents or legal rulings Using a variety of quantitative case studies on key stages of international lawmaking and covering various issue areas from human rights to trade law each chapter traverses three critical levels of analysis namely whether international law information is public and transparent whether the information is salient and reaches the general public and how the information is framed by the media and political elites The book will appeal to students researchers and scholars of law political science and economics as well as policy makers interested in a better understanding of information production and diffusion in international law and the impact of public opinion on compliance with international law

Privacy and Personal Data Protection Law in Asia Adrian Mak,Ching Him Ho,Anselmo Reyes,2024-12-12

Covering 16 Asian jurisdictions representing differing stages in the development of data protection regulatory systems this book offers an in depth cross jurisdictional commentary on the developing world of Asian privacy and personal data protection with a special focus on private international law issues It brings together an international team of contributors who reflect on the framework of data privacy and protection laws in their respective regions Topics discussed range from the extent to which such laws may have extraterritorial effect or may conflict with the laws of other states to shortcomings of existing systems and their potential for improvement More than a valuable contribution to comparative private conflict of laws literature from an Asian perspective the book also considers possible future trajectories for existing laws It covers the extent to which Asian regimes will inevitably need to integrate with ever evolving privacy and personal data protection initiatives in the EU the USA and China It also assesses the extent to which existing regimes are sufficiently robust to handle the challenges of future technical developments in data collection and data transfer across borders especially in relation to the activities of giant corporations such as Meta Facebook Google Amazon Alibaba and Tencent The result is a wide ranging and forward thinking resource which provides practitioners and researchers with an account of data privacy law and personal data protection laws in Asia and their cross border implications as those regulations are now and as they might be in the future

Family Law Sonia Harris-Short,Joanna Miles,2011-05-19 Presented in an accessible format this text provides a detailed and authoritative exposition of the law illustrated by carefully selected materials and complemented by clear and engaging commentary drawing on a range of critical and theoretical perspectives

Aviation Security, Privacy, Data Protection and Other Human Rights: Technologies and Legal Principles Olga Mironenko Enerstvedt,2017-09-18 This

book sheds light on aviation security considering both technologies and legal principles It considers the protection of individuals in particular their rights to privacy and data protection and raises aspects of international law human rights and data security among other relevant topics Technologies and practices which arise in this volume include body scanners camera surveillance biometrics profiling behaviour analysis and the transfer of air passenger personal data from airlines to state authorities Readers are invited to explore questions such as What right to privacy and data protection do air passengers have How can air passenger rights be safeguarded whilst also dealing appropriately with security threats at airports and in airplanes Chapters explore these dilemmas and examine approaches to aviation security which may be transferred to other areas of transport or management of public spaces thus making the issues dealt with here of paramount importance to privacy and human rights more broadly The work presented here reveals current processes and tendencies in aviation security such as globalization harmonization of regulation modernization of existing data privacy regulation mechanisms of self regulation the growing use of Privacy by Design and improving passenger experience This book makes an important contribution to the debate on what can be considered proportionate security taking into account concerns of privacy and related human rights including the right to health freedom of movement equal treatment and non discrimination freedom of thought conscience and religion and the rights of the child It will be of interest to graduates and researchers in areas of human rights international law data security and related areas of law or information science and technology I think it will also be of interest to other categories please see e g what the reviewers have written I think that the book would be of great appeal for airports managing bodies regulators Civil Aviation Authorities Data Protection Authorities air carriers any kind of security companies European Commission Transport Directorate European Air Safety Agency EASA security equipment producers security agencies like the US TSA university researchers and teachers Lawyers aviation privacy and IT lawyers security experts aviation experts security managers of airports managers and officers from ANSPs and National Aviation Authorities decision makers policy makers EASA EUROCONTROL EU commission

Cultural Sociology of Divorce

Robert E. Emery, 2013-01-24 While the formal definition of divorce may be concise and straightforward legal termination of a marital union dissolving bonds of matrimony between parties the effects are anything but particularly when children are involved The Americans for Divorce Reform estimates that 40 or possibly even 50 percent of marriages will end in divorce if current trends continue Outside the U S divorce rates have markedly increased across developed countries Divorce and its effects are a significant social factor in our culture and others It might be said that a whole divorce industry has been constructed with divorce lawyers and mediators family counselors support groups etc As King Henry VIII's divorces showed divorce has not always been easy or accepted In some countries divorce is not permitted and even in Europe countries such as Spain Italy Portugal and the Republic of Ireland legalized divorce only in the latter quarter of the 20th century This multidisciplinary encyclopedia covers curricular subjects related to divorce as examined by disciplines ranging from marriage and

the family to anthropology social and legal history developmental and clinical psychology and religion all through a lens of cultural sociology Features 550 signed entries A to Z fill 3 volumes 1 500 pages in print and electronic formats offering the most detailed reference work available on issues related to divorce both in the U S and globally Cross References and Further Readings guide readers to additional resources A Chronology provides students with context via a historical perspective of divorce In the electronic version the comprehensive Index combines with Cross References and thematic Reader s Guide themes to provide convenient search and browse capabilities For state and nation entries uniform entry structure combined with an abundance of statistics facilitates comparison between and across states and nations Appendices provide further annotated sources of data and statistics

Textbook on Immigration and Asylum Law Gina Clayton,2016

This volume examines the law and system of control which govern immigration and asylum in the UK It begins with the historical and legal context explains who is subject to immigration control and describes the legal and administrative structure of the system

Family Law and Personal Life John Eekelaar,2017-09-22

Developments in the law scholarship and research since 2006 form a substantial part of the second edition of this book which sets the governance of personal relationships in the context of the exercise of social and personal power Its central argument is that this power is counterbalanced by the presence of individual rights This entails an analysis of the nature and deployment of rights including human rights and children s rights Against that background the book examines the values of friendship truth respect and responsibility and how the values of individualism co exist with those of the community in an open society It argues that central to these values is respecting the role of intimacy in personal relationships In doing this a variety of issues are examined including the legal regulation of married and unmarried relationships same sex marriage state supervision over the inception and exercise of parenthood including surrogacy and assisted reproductive technology the role of fault and responsibility in divorce law children s rights and welfare religion and family rights the rights of separated partners regarding property and of separated parents regarding their children and how states should respond to cultural diversity

Public Health Law John Coggon,Keith Syrett,A. M. Viens,2016-12-08

Public health activity and the state s public health responsibilities to assure the conditions in which people can be healthy can only be achieved through different means of social coordination This places law and regulation at the heart of public health They are fundamental both to methods of achieving public health goals and to constraints that may be put on public health activity As such trainees practitioners and leaders in public health need to understand the breadth and nature of wide ranging legal and regulatory approaches and the place of ethics in public health Public Health Law written by three leading scholars in the field defines and examines this crucial area of study and practice It advances an agenda whose scope extends far beyond that covered in traditional medical law and health care law texts The authors provide an account of the scale of contemporary public health policy and practice and explain its philosophical depths and implications and its long legislative and regulatory history They advance a definition

of the field and explore how different legal approaches may serve and advance or constrain and delimit public health agendas This ground breaking book presents the field of public health ethics and law and goes on to examine the impact within the UK of private law criminal law public law EU and international law and softer regulatory approaches It is a primary point of reference for scholars practitioners and leaders working in public health particularly those with an interest in law policy and ethics

Law and Society Steven E. Barkan, 2015-12-08 Law and Society is written to be highly accessible to the average undergraduate student This multidisciplinary text draws on the work of anthropologists historians law professors political scientists psychologists and sociologists to clearly outline how law is an essential social institution that shapes society while also being shaped by it

Proceedings of IAC-SSaH 2014 Collective of authors, 2014-11-10 International Academic Conference on Social Sciences and Humanities in Prague 2014 IAC SSaH 2014 in Prague

Family Life and Family Interests Gerda A. Kleijkamp, 1999-09-23 4 Dutch Filial Law

Philosophical Foundations of Children's and Family Law Elizabeth Brake, Lucinda Ferguson, 2018-02-23 This volume brings together new essays in law and philosophy on a broad range of topics in children's and family law It is the first volume to bring together essays by legal scholars and philosophers for an integrated critical analysis of key issues in this area marking the coming of age of a comparatively new field of family law Debates in children's and family law are at once theoretical and empirical in nature Not only does children's and family law have significant consequences for individuals intimate lives the field's impact on lived experience highlights the socially constructed nature of law Approaching this area of law often involves exploring a legal concept familiar from daily life such as the very notion of marriage or family and examining it within its social economic and historical context The normative basis for law regulating intimate personal and family life extends beyond any narrow legal philosophy or social context to its broader foundations in theories of morality or justice The chapters included bring together a representative and broad range of pieces that engage with long standing and contemporary debates A wide range of perspectives is represented on topics such as same sex marriage polygamy and polyamory alimony unmarried cohabitation gestational surrogacy and assisted reproductive technologies child support parental rights and responsibilities children's rights family immigration religious freedom and the rights of paid caregivers There is also philosophical discussion of concepts such as care intimacy and the nature of family and family law itself

Private Lives Families Individuals And The Law Introduction

In the digital age, access to information has become easier than ever before. The ability to download Private Lives Families Individuals And The Law has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Private Lives Families Individuals And The Law has opened up a world of possibilities. Downloading Private Lives Families Individuals And The Law provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Private Lives Families Individuals And The Law has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Private Lives Families Individuals And The Law. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Private Lives Families Individuals And The Law. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Private Lives Families Individuals And The Law, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Private Lives Families Individuals And The Law has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
